New Gym put into action!

Hey, Buddy.
Hows it going, um so
glad we've gotten to know
each other better this year.
You've been such an inspiration
to me, because even when
there was so much
challenge I've seen growth in you
& cheer kind of
you ever need

Dearest Jeffery,
Now have you been doing lately? I bet that you have been doing
great. You know what? It's hard to carry on a conversation
with someone when he's not around. But anyway, I
sincerely hope that we can get together over the summer &
do and do some things like go to The mountains or
something. Just think The mountains
before the summer ends and we
vacation for ever. Well, I'll pop
anyway! See ya later

Jeff,
No matter
what other people
say keep on doing
what you think is right.
Being cool is not smoking pot.
Being cool is doing what you want.
So keep on being cool & find some
more cool friends.

Jeff,
I never thought you'd be
able to do it but I guess it's
true. Keep up the good
work of staying of dope
and booze. You should be
proud of yourself. Anyway
have a fantastic summer
~~beg~~ and a great year next
year. See you later

Jeff,
I'm glad I met you this year and hope ya have a great summer! I'm so glad you accepted Jesus and made him part of your life. He will guide you into a very happy life and will stay by you when you are in trouble, I'm glad we become friends and I know I'll see you again with Heidi, and also with God.
Take care.

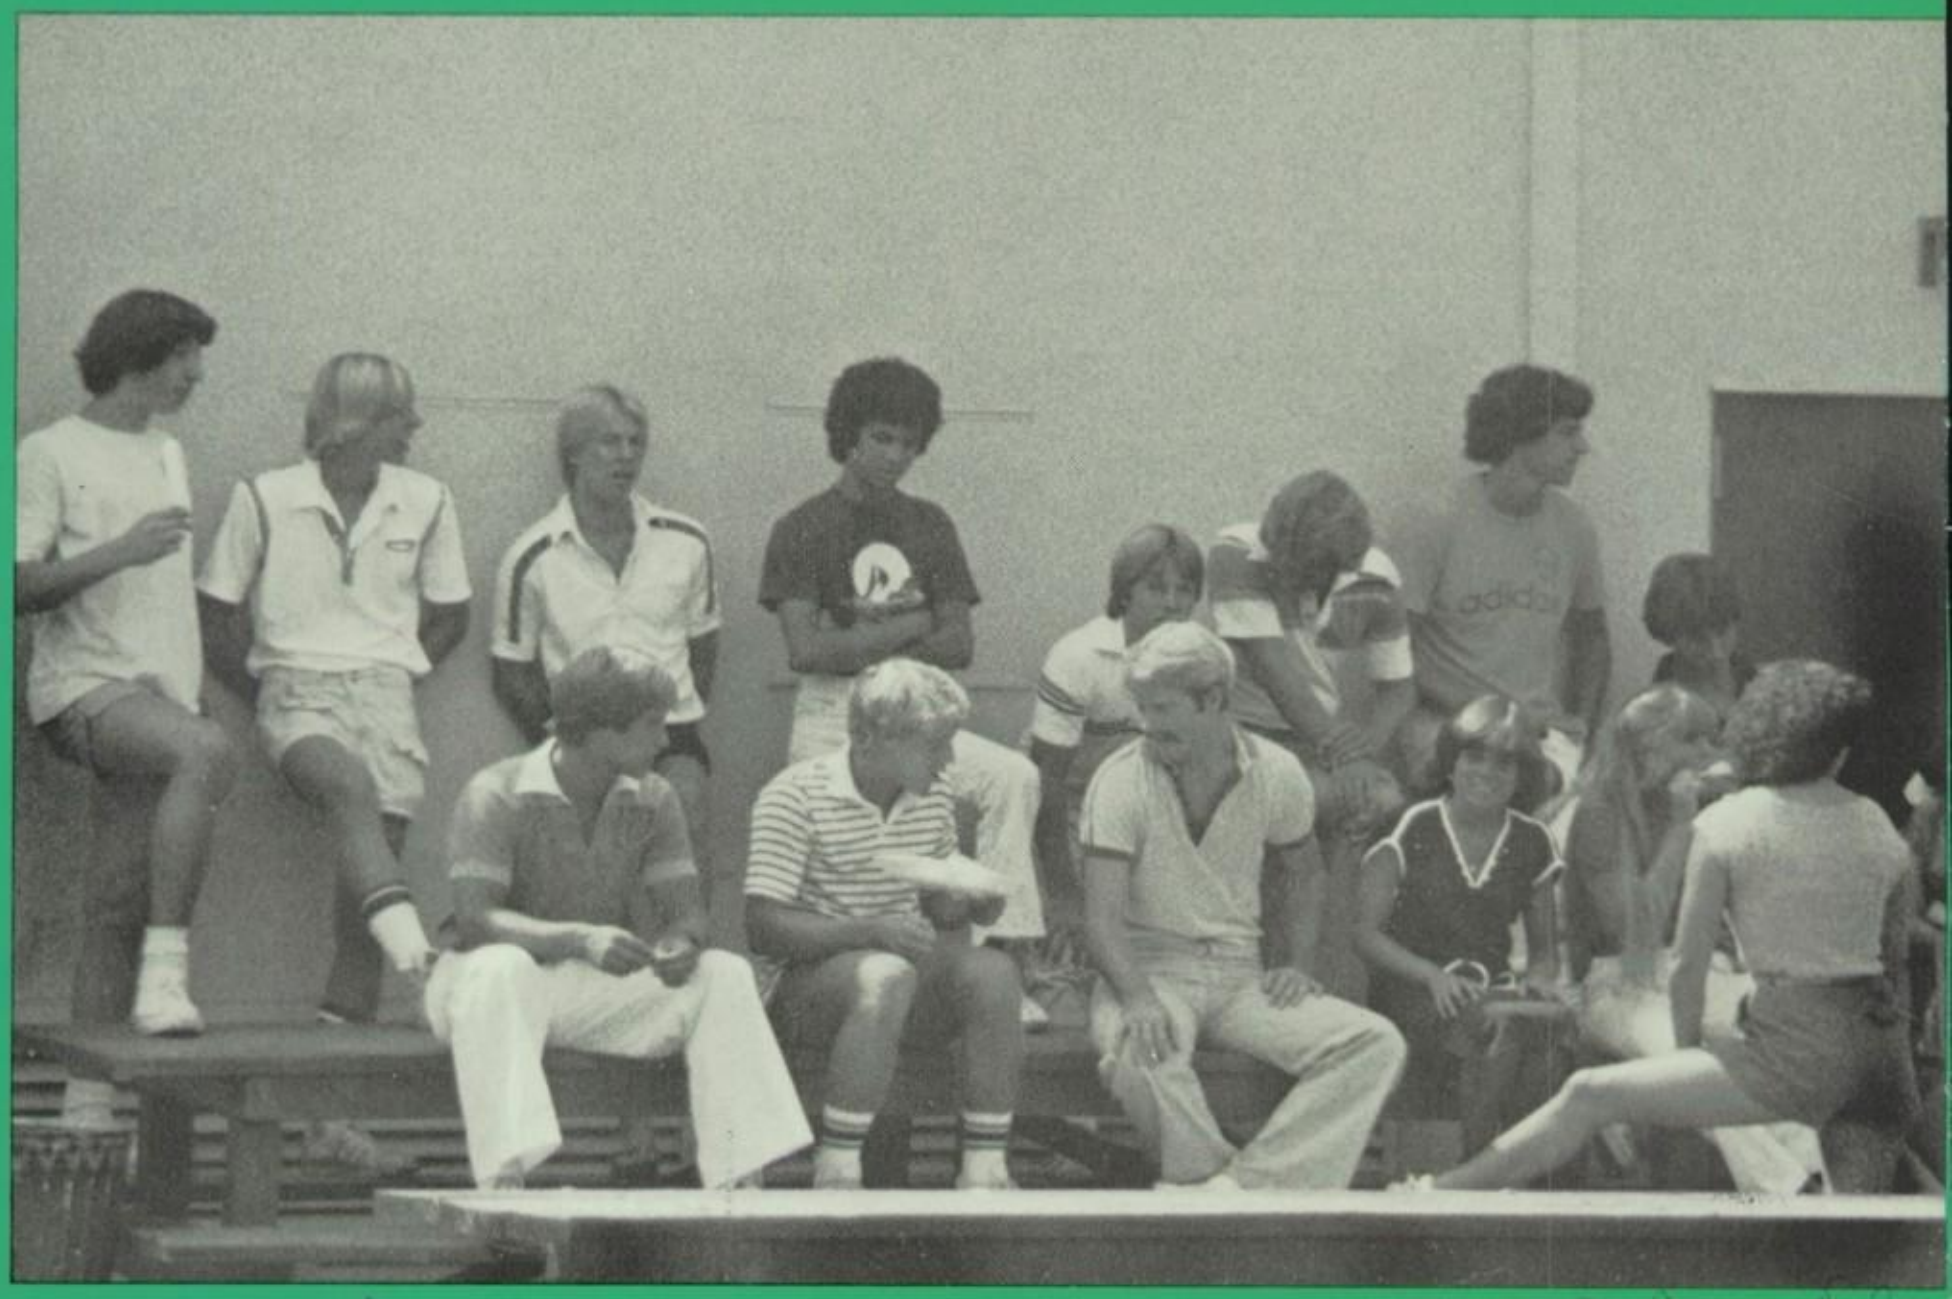
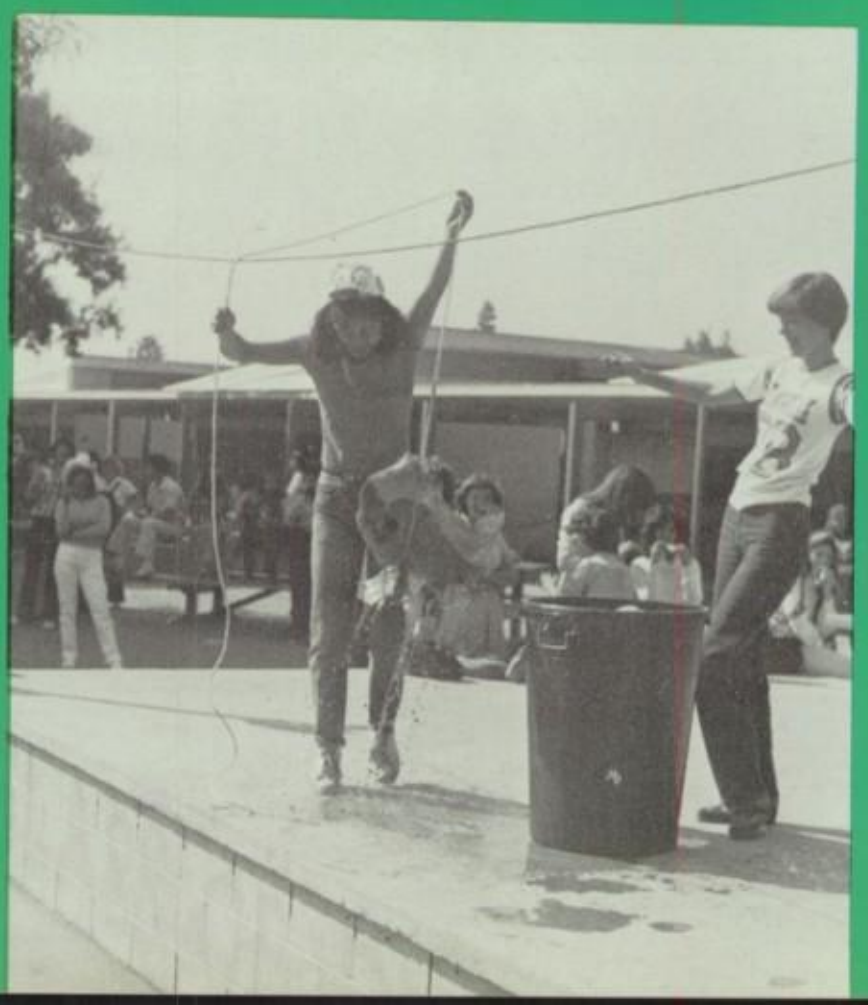
STUDENT LIFE



Jeff
We've come a long
way. All the way from
Kindergarden. I know I'll miss you
even though I haven't been able to
talk to ya too much this semester. But
in P.E. during 1st semester, we had a
some super fantastic times playing
volley ball. I can't forget how much fun
we had. It was me, you, chirp, baseball,
and of course Crease, and blackjacko
Those days were great and that was
the only P.E. class I ever enjoyed.
And I've known you longer than that
and I've always enjoyed your amusing
company. Good luck in the future always.

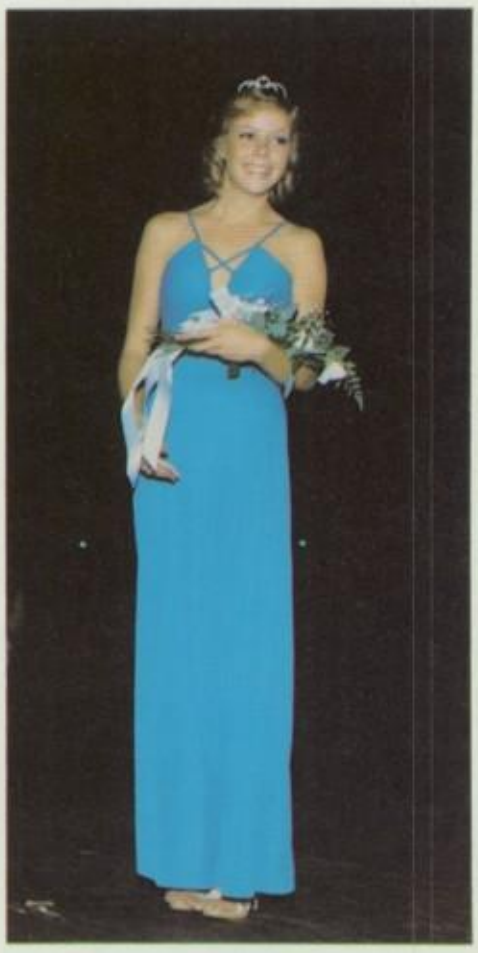
Your friend,
Dave

PERHAPS ONE OF the largest areas that is part of a student's world is Student Life. After the books are squeezed in lockers, after the pens and paper are put away, a student comes out to live. Dances and dress-up days and games are a world within themselves, each an event that carries new experiences, new feeling, and even new knowledge. Spirit rose once again this year with Blue and Gold days and Downey-Warren week, beauty and sparkle was showcased during Homecoming, and creativity developed with dress-up days. Inside or out of school, there are many lives in which we lead, many worlds in which we live. In this section are the changes and the traditions of our many worlds.



A Half-Time Story: Homecoming 1979

Once upon a Homecoming there were three announcers, Linda Peterson, John Davis, and Lisa Broom, **bottom right,** who officiated at an impressive half-time ceremony at Warren's Justice Stadium on November 2nd. Their job was to introduce to an excited crowd the Homecoming Court of 1979, **bottom right center,** and to announce the lucky winner of Homecoming Queen. As shown **far right below,** Jill Overfelt was thoroughly surprised and overwhelmed with the honor as Linda Peterson presented her with her crown and Dana Doski, Queen of '78, prepared to present her the cape while Manya Shubin, Senior Princess, turned to offer congratulations. Jill's court consisted of Senior Princesses Lisa Ellsworth, **below center,** Manya Shubin, **below left center,** and Michlle Ogle, **far left;** as well as Junior Princess Wendy Reese, **bottom right center,** Sophomore Princess, Monique Foldager, **bottom center,** and Freshman Princess Sandy Warner, **bottom left.** Each girl had been escorted by their fathers to the dias, and Jill's father must have proudly strood by as Jill, **top center,** glowed with pride as she took over reign of Warren's 23rd Homecoming. The ceremony was short, but the memories of such a special evening will last a lifetime.



A Night On The Town . . .

Dear Jeff,

I hope you have a great summer. It was truly a wonderful time getting to know you. You really mean a lot to me. You have made a very strong impact on my life and I shall never forget you. I hope our friendship will remain with me. Now I will close by saying

"She had watch between me and thee while we are absent one from another

Gen. 31:49

All My Love
Bethlehem

The worn out jeans and tennis shoes were put away as the formals and tuxedos were brought out. Warren held its 23rd annual Homecoming Dance on November 3rd at the L.A. Convention Center. Always a special dance, preparation usually begins weeks before: finding a date, making dinner reservations, being sure colors coordinate as well as ordering flowers. This years dance was a sparkling success in spite of a change in the ceremonies which deleted the traditional introduction of the Queen and her court prior to their dedicated dance. The dance brought out a great dancing crowd as shown **top right.** Angelica Pickert wonders what her date Tom Bierman is doing **top right center** while Jan Wortham and her date, **bottom right,** wonder if they can even dance after a big dinner at Cattleman's Warf. On the other hand, Jill Overfelt, Homecoming Queen, dances with Jeff Welch with ease **top left center;** and, the dancers **bottom left** look like they are enjoying themselves. But just in case you didn't know what dances were all about, focus on the dancers in the **top left** picture for a guide to better dancing: step one, gently pull your date closer as exemplified by Jeff Henderson and Wendy Stanford; step two, hold your date in your arms like you'll never let go as shown by Debbie Kirkuff and Mike Winkelpleck; step three, as demonstrated by Robin Patton and Tom Goodwin, speaks for itself. Nonetheless, Homecoming went well dancing to the music of Phoxx and everyone enjoying their special 'Nite on the Town.

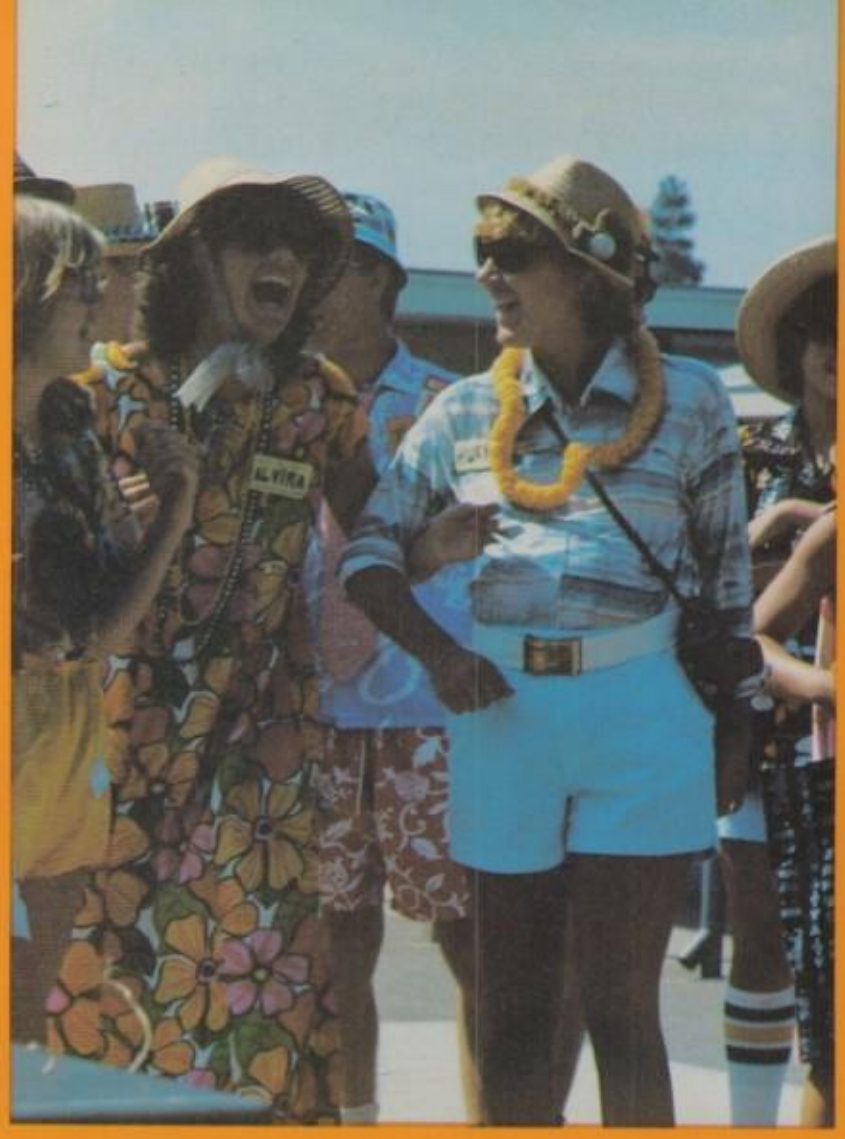
Another Week Of Duck Soup For The Bears

What a game. Downey-Warren's annual competition was again full of fun. Our mighty mascots, shown **above,** kept the spirits high all through the game, as you can see **left,** as part of the anxious crowd cheers on the winning Bears. As a special added emphasis, the game was dedicated to Principal Tom Robinson **right mid-center,** as he participated in his last of rival games. And, as shown **top left,** Donna Ederer, Paz Wong, and Laura Jack, portray the senior spirit that's always in the air.

During the morning, as shown **bottom left center,** of the week of class competition, these seniors, Laura Jack, Donna Ederer, Ingrid Seifert, Jamie Ferguson, and Lisa Pagen paper the bear and show that '80's got the spirit. Leon Teeboom, our famed public announcer led us in cheers that motivated the crowd to no end. Also, students get together for one of the many pep assemblies with an added air of excitement as shown **bottom left.** At the highlight of the Warren-Downey pep week **middle left,** the traditional burial of the duck (alias Greg Slevcove) was as tear-jerking as in the past. And, as shown **top left,** unfortunately, things get out of hand as exemplified by the mural of the Bear which was destroyed by vandalism.

But still as with every other year, Warren rallied it's way to victory.

First Dress-Up Day Welcomes Visiting Tourists



From mouse ears to "moo-moo" dresses, Warren became a tourist attraction as travelers from Knott's Berry Farm, Disneyland and Sea World made a stop at Warren High. A tourist fashion show was held, **above,** during lunch. Two tourists from Nebraska, Alvira & Hubert alias Blendi Thompson and LeAnn Watson, **top right,** were voted "Best Tourist Couple." Thela Darrah, with her escort Laura Stewart, **center right,** was elected "Queen" of Tourist Day while Kathy Bacon, Ingrid Seifert and Laura Jacks, **bottom,** watch and make plans for their next exciting trip.

Halloween Spooks Students On Campus

Breaking up the monotony of school, Student Council once again sponsored the annual Halloween Dress-Up Day. From this came ghosts and goblins, clowns and coneheads. A few monsters, such as the one, top left, were let loose. He was caught reaching out for playboy bunny Michelle Holiday. Pam Wright and Val Ramero, left center, pose for portraits in there diverse costumes, Little Red Riding Hood and Dracula. Laura Jack, bottom left, invincible among musketeers, is just clowning around, as Kris Cories and Shelly Bishop are also, below right.

Here Come Those Cheers

Oh, this year's pep assemblies. A chance for spirit, togetherness, and classes coming together to show their pride. It was also a time for dreams come true, as shown **below,** as Michelle Ogle, Lisa Ellsworth, and Manya Shubin receive roses for being this year's Homecoming Princesses. A certain closeness was also felt by students at Warren as our principal of 7 years, **top right** Tom Robinson, leaves us, as shown with some of the spirited cheerleaders and friends. Our assemblies would never be the same without our ever-spirited mascots, Barbie Hubble and Stacey Hollow, **bottom right** even though the spirit had declined after the Downey-Warren week. As all the school watches, **far right,** Randy Drake introduces the 1979 Varsity football team, before the next cheer starts. And, Lisa Casey, **far center** the spirited senior guzzler for the chug-a-lug contest, shows seniors go to any lengths to chug better than the others. Another contest loved by all is the pie-eating contest contest, where lots of pie is gobbled by Tony Carnevale, Janet Hare, and by Brent (Sparky) Parkhouse in **far below right** and **far bottom left** respectively. Showing the overall spirit that is always overwhelmingly evident, **bottom right,** at pep assemblies are the great, fantastic, and fabulous Warren Students!

Media Academy Presents . . .

Each day for every part of the funny and sometimes great Monty Python movie, "Monty Python and the Holy Grail", the Media Academy room turned into a noon time matinee. At snack students purchased tickets for the movie, and popcorn too. During the show each person joined Mrs. Smith for lunch. Mrs. Smith supervised the movie and helped to be sure everyone was having a good time. The money raised went into good use by the Media Academy. The students seemed to enjoy the change of pace at lunch, as shown in **middle right, bottom right,** and **bottom left.** Juan Faxas helped by pouring coke for a few students, as shown in **top right.**

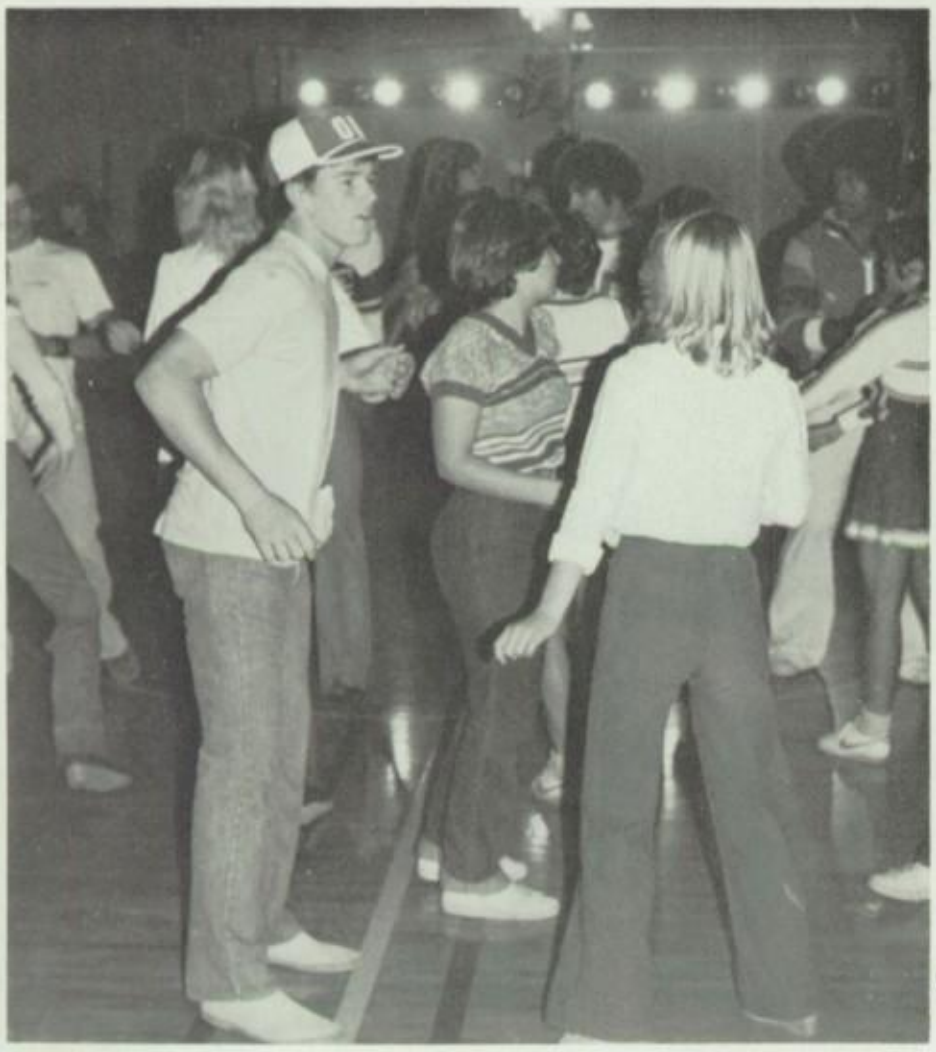
Bears Visit The Zoo

On Saturday, November 17, Photo and Art Club went on a field trip to the San Diego Zoo. The clubs took the Amtrack train from Fullerton, and on the two hour trip they passed the beach, ran around on the train, and had a fun time. Once they got to the zoo they split into groups and for some of the members they got to experience the Zebras, Lions, and Gorillas for the first time, and for others it was good just to get out for a day and see animals in pits, and not in cages as in some zoos. All in all, the participants made some new friends, and enjoyed a day together.

As seen top left, Linda Peterson shares her enthusiasm with Scott Bohlander as they follow a map insearch of some interesting animals. Keeping covered by their Safari hats Durrell Jackson, Patti Hulings, Carol Thorton, Linda Peterson, Carolyn White, and Scott Bohlander take some time to rest. Above, Song Choi and Debbie DiCarlo find their way through the crowd in an end of the Bears visit to the zoo.

Celebrating The Victory

Whether victory or defeat, some of the football games this year were concluded with a dance. And from the excitement of the game the students let anxieties go and danced up a storm. Providing music this year was a disc-jockey and his sound system. The latest disco steps were demonstrated by Janet Hare **above right.** And in the midst of the crowd, **below right,** Christine Hamer and Linda Bucaro hunt down a guy to dance with. During the dance George Heer and Kris Felix **above,** have a chance to kick back and relax while Guy Teafatillar, **below,** picks up his feet to the beat of the music.



Jeffery Baby,
you such a sweet-
heart and Im so happy
for you that you've change
your life for the better.
Sure hope you stay the way you are.
Can you believe this year has already

Marathon Dance Raises Money

Starting out slow and ending with a feeling of accomplishment was the attitude at the Dance a thon, sponsored primarily by Les Devouees that worked hard through the night, as well as Les Fideles, Key Club, Interact, and some clubs from Downey High. The dance was held on Dec. 7 8, in the beautiful Warren High gym. The purpose of this dance was to raise money for Bethany Manor, an Intensive Therapy Center, dedicated to children and young adults with brain injuries; and that is exactly what happened. They raised a grand toral of $600! And the participants really enjoyed themselves. After dancing all night, these three, Cliff Cramp, Gary Perez, and Kevin Eads, **top left,** decided to catch a few Z's. Then dancing the night away is David Fairman and Allison Holland, **top right.** Providing entertainment and comfort for the dancing guests are Carol Michaels and D.J. Mike Lundgren, **above.** Showing dance fever is Patty Page and Doug MacKay, **middle left,** as they dance away for Bethany Manor. Making a lasting impression of the successful dance, **bottom left,** is Carlos Bucaro, Tammy Bridges, and Gail Patterson.

Jeff,
We've known each other for a long time now and I've realized that our friedship grows everytime we spend time together. You helped me so much in art. Every day that I came to class I left feeling great,

Sounds Of Silence Receives Loud Applause

Hello darkness my old friend, your silence blared and the audience responded once again! The Hush Company, **dominant center,** put forth a lot of effort to present an enthusiastic audience with a truely representative Mime Show. Breaking from their manaquin positioning, the players performed individual sketches. As seen on **opposite page center top,** Juliett Walker and Gary Perez speed ahead in their imagined(?) Cadillac while Blair Jacobs tries to detach his car. **Opposite page far right,** Mary Gil led the captive chorus on the "Summer Camp" bus. Fred Boege and Julie Peltier switch roles in "Mrs. & Mr. Jane Doe," **opposite page far middle right.** Blair Jacobs sees double (or do we?) in "Mirage Sur La Plage", **opposite page bottom right.** Laura Stewart and Juliett Walker, **bottom center,** try to do their ballet in "Nutcracker Swat." "Hush Company Band Stand," **right** finds Juliett Walker and Blair Jacobs taking center stage in a dance contest. In a futuristic "Honeymoon," Laura Stewart and Tom Shell, **above,** take off into space. Fred Boege says "you're fired" to Robbie Holings as Christina Lopez smiles coyly in "I scream, you scream," **top center.** The Hush Company was advised by Ms. McMillan and student producer Nancy Rothman . . . and left their audience wanting more.

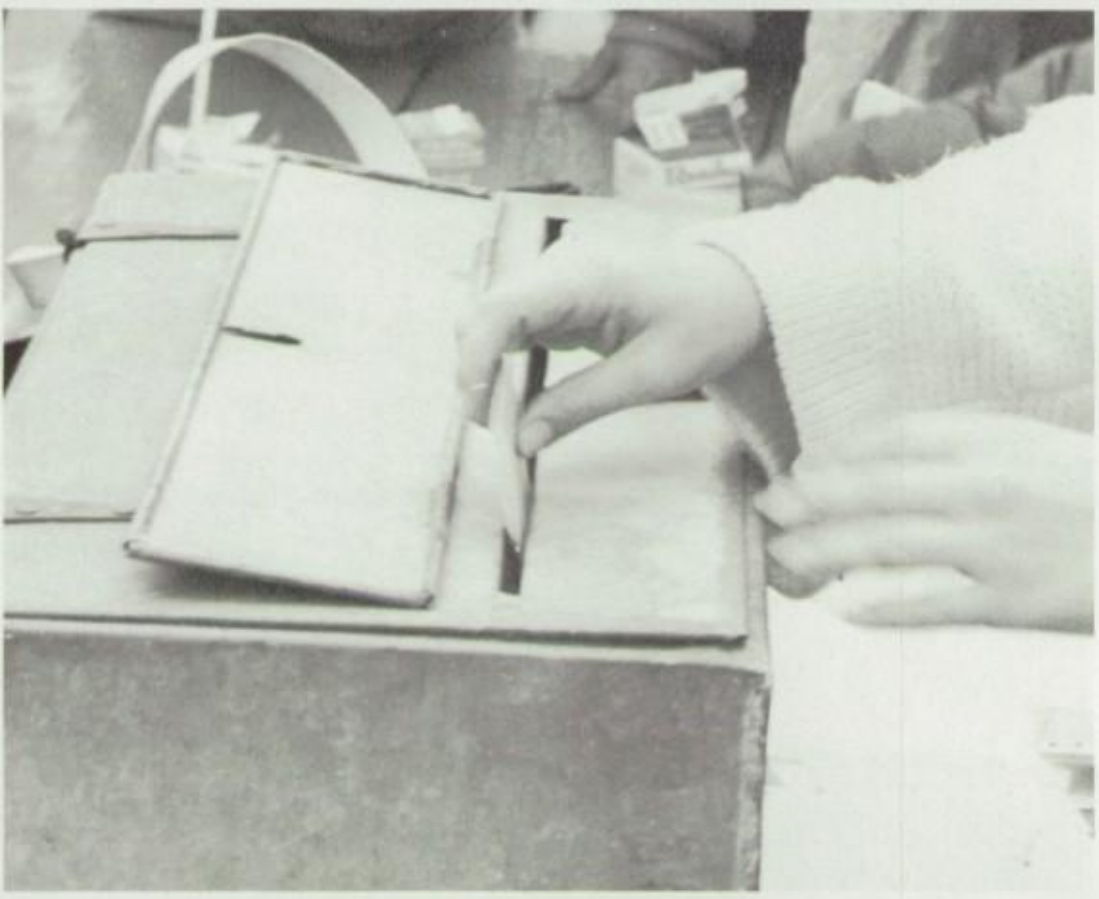
even if I started the day feeling terrible. Jeff always stay with the Lord and you'll be happy; and be thankful that the Lord has given to you the gift to make others (me) happy too!
Love Always
Fred Boege

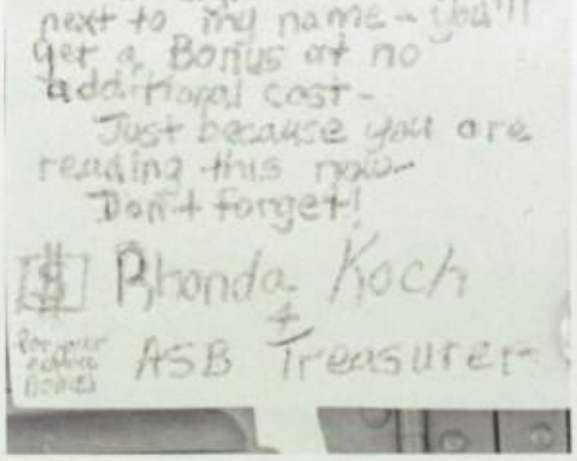
In Search Of The Perfect Book

Around Christmas time the Library Club sponsored a Book Fair. The students could purchase a variety of books. Many of the books there dealt with modern day situations. During the Book Fair, Mike Witowski **below,** wanders if this book is any good. Tom Sherman, **top left,** and Mike Shepard are profounded by the content of these books. Zoila Cruz **bottom right,** can't seem to read the fine print. Picking up a book and not knowing what to do is Sam Arnone **bottom left.**

Bears Cast Their Ballots

The month of January brought excitement for elections of Second Semester Student Council. Campaigning started as seen **below,** and voting took place at lunch. Rory Long looks quizzcal, **top left,** over who to vote for while Joe Nix, **bottom left,** smiles after making his decision. Senior Nickie Shubin pushes through the crowd to get her ballot in. And finally, **middle left,** the deciding vote may have just been cast.





Jeff-

Basketball Deserves Pep Too

Rain or shine, the pep assemblies continue to muddle through displaying school enthusiasm and spirit. In this exciting assembly, in honor of our basketball teams, the smiles of Tami Bridges, and Gail Patterson, **opposite top left,** show the spirit of all students on campus. As the band played, **opposite left,** a group of spirited students, **top right,** the song squad, **opposite middle, left,** our star basketball player, Mike Lundgren, **bottom right,** and even 'Papa Joe' **below,** displayed spirit while singing the Alma Mater. Although the rain came, the crowd stuck in there, **opposite bottom left,** and cheered on the song squad through their final routine, **bottom left.** All in all, to the basketball players, the pep assemblies helped to inspire them to win.

Thanks for the memories

1971-1979

Greeted with a standing ovation and with fond thoughts from teachers and students alike was Mr. Tom Robinson. The "Thanks for the Memories" program, held on January 21st during third period, will be remembered for a long time to come, along with a melonchaly principal, Thomas H. Robinson. Mr. Robinson received many gifts, as shown here, **left center** and **below,** with the Media Academy's, Key Club, and gift of a video cassette recorder/player and the luggage from Student Council. And, always there with his ready wit was Mike Buccowich who announced, **below.** "Toot toot, hey, beep beep" cheer these spirited girls led by Rhonda Koch, **below right,** while they, cute girls they are, get many laughs. Shown **upper right** is the case in the main office displaying the many nice gifts Mr. Robinson received. Mr. Robinson was very pleased with this gift from the Modern Dance club, **opposite top right,** as he hangs his coat on his new coat rack. Singing the Alma Matre with Mr. Robinson is Paz Wong, Rhonda Koch, Melissa Gleason, and Lisa Broom, **Opposite middle,** while Mr. Robinson seems very pleased. Students will miss Mr. Robinson and as he shakes hands in thanks, everyone remembers a job well done **opposite bottom right.** In closing, **opposite bottom left,** students share the enthusiasm of the Alma Matre together with Mr. Robinson for the last time.

Here's to You,
Mr. Robinson

Not So Happy "Happy Days"

Our annual 50's day here at Warren High School is obviously decreasing in participation from the students. Only a handful of them dressed up last February for the "Happy Days" feeling, such as Scott McClure and Holly Parton, **left,** discussing things at lunch. The few that did, have bright smiles on their faces. Stacey Hollow and Lisa Layne, **bottom left,** are a good example of this as they say "cheese" for the cameraman. Hopefully we can get all school participation next year on the dress-up days, so that people like Julie Roehl, **below,** won't sit in class without competition on her "groovy" outfit.

Music To Munch By

Although the few 'be-boppers' didn't get 50's music at lunch the band Sweet Comfort did perform. Sweet Comfort is a Christian rock band and has a large following at Warren. Their music is easy to listen to and definately has a message.

23 Years Of Dedication Honored

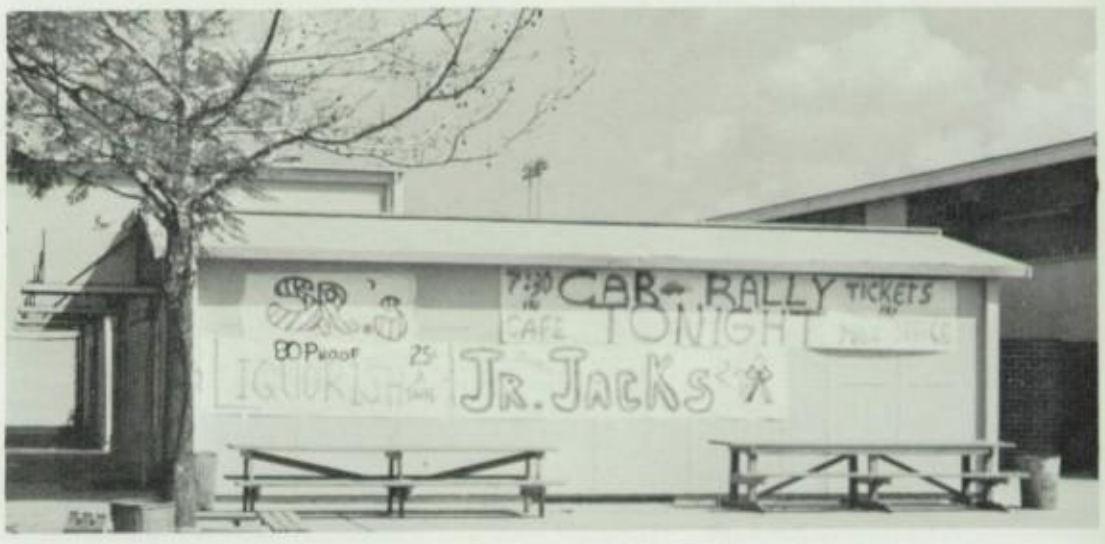
On January 25, 1980, Mr. Joe Francis, more commonly known as "Papa Joe," was honored with the dedication of the completed gymnasium. After many years of working diligently, trying to get the gym completed, his efforts proved successful when it was completed in 1979, but Mr. Francis really wasn't expecting anything as shown, **top left,** as Mr. Robinson tries to persuade him to make a speech. Mr. Francis and his family, **top,** proudly display his new chair, given to him by Mr. Robinson, **below right,** and the plaque that was presented to him by student council members, **immediately above,** which will be placed in the gym, commemorating his hard work.

The Extra Day Is Danced-Away

In celebration of an event which occurs only once every 4 years, the Senior Class, along with Second Semester Student Council, sponsored the first 'Leap Year Dance' Although the turn out wasn't of the usual "large amount," every one who attended was having a great time 'getting crazy and dancing' as shown, **top right,** by Scott McClure and Carol Michaels. The D.J. offered a light-show that photographer Brian Greene was able to capture, **top left**. Adding some "style" to the dance, some students, such as Steve Ditto along with others **below right,** joined the "Wave" and came as 'Punkers.' Student Council Member Greg Slevecove adds some 'cheap sunglasses' to a disco dance step, **below left**. The dance was a fun night for all, with song favorites by the B-52's and The Knack.

Jeffie-
What can I say? It was great being your "buddy" in a Bio. This year. You're really a wonderful guy (even if you do have an elbow fetish!) Have a terrific summer, and I'll see you next year. Luv ya! Tina Ippolito

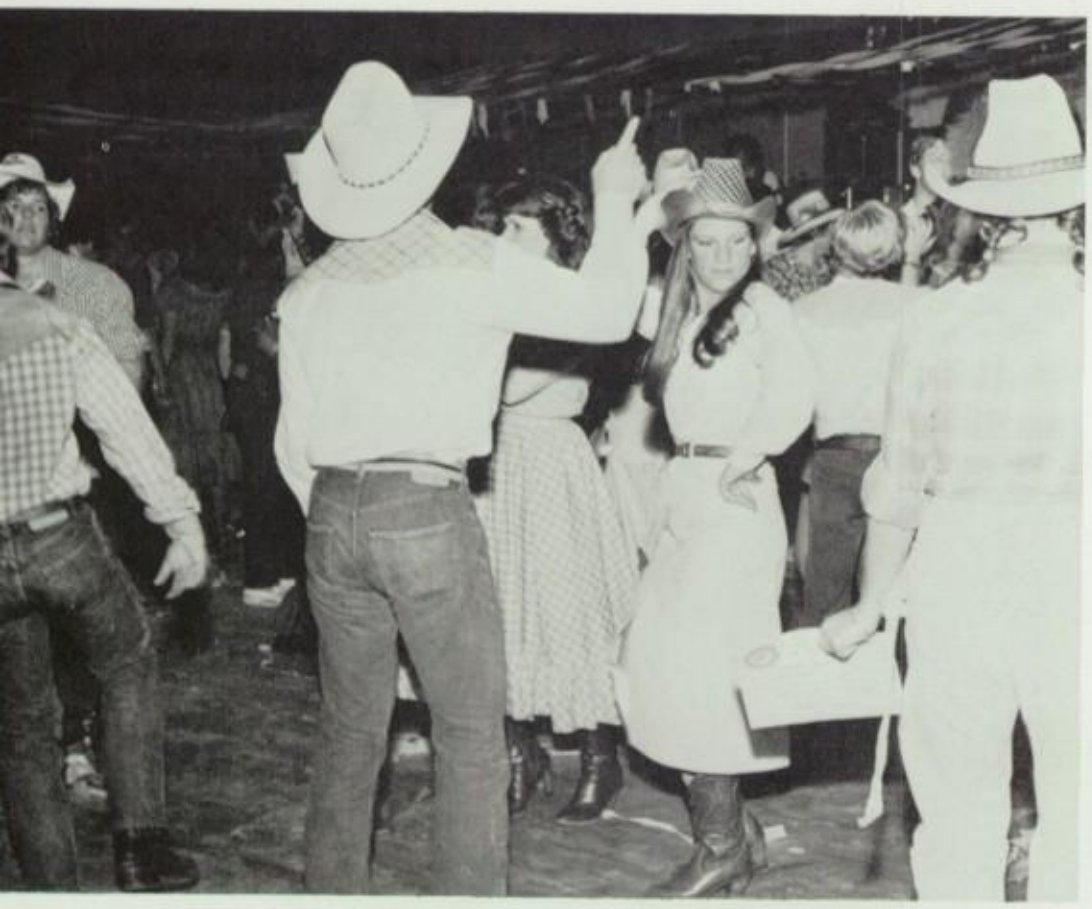
Welcome To The Wild West!



High-ho Silver! It's Country/Western Day! Cowboy duds of hats, boots, and old Levis were thrown on as students participated in another 'dress-up' event. Student Council sponsored the day and each of its members were all equally enthused as seen **above left,** with Karen DaSilva, Peggy Page, and Susie Garcia, along with 'the Juggling Cracker Jacks Man' Greg Slevecove, **above right,.** Michelle Ogle was held up by the 'Bad Guy' John Davis, **above.** Yearbookies take time from their deadlining, **middle right**, to show their styles of the Wild West. A lone and quiet quad advertises the local 'General Store' brought to students by the Senior and Junior classes, as shown **right**.

A Different Kind Of Sport

They wheeled through the halls one by one, a look of stern determination on their faces. They arrived at the Gym, proudly displaying their "Roger's Rowdies" tee-shirts, to meet their opponents in brutal, wheel-to-wheel competition. This was finally it—the Football game against the Faculty. The Rowdies, consisting of Captain Joe White, David Dugger, Chris Hernandez, Robert Kelly, John Kennedy, Anita Reynolds, Richard Crumitt and, Graduate, Rod Scrivner, eyed their opponents, Mrs. Carol Lords, Mr. Rube Amerikhanian, Mr. Murdoch Fraser, Mr. Jay Young, Mr. Larry Hunt, Mrs. Julie Helm, Mr. Bob Belladella, Mrs. Rhonda Rhode, Miss Carol Ingersoll, and Mr. Harvey Keller, as they tried to get acquainted with their borrowed form of transportation, the wheelchair. However cliche, the statement "Practice makes Perfect" is one that fits this game. The Rowdies, looking like a well organized, practiced team, kind of took the game in their hands and ran. The faculty, on the other hand, will have to wait for next time. They scored 7 points,—but exactly how is not known. The final score was Rowdies 13; Faculty, 7. The Rowdies emerged victorious, and the faculty emerged with sore arms, tired lungs, and a deep respect for the "Rogers Rowdies."



Sadie Hawkins Is The Place To Be . . .

From a basketball gym to a country 'hoedown' the Sadie Hawkins Dance transforms the traditions of Warren High. Letterwomans sponsered the event that allows roles to be reversed with a 'girl ask guy' date. The band **Eclipse** supplied music for all who attended, giving a chance to dance (the favorite being 'The Worm')) or just "act crazy" as seen by students Alan Acree and Liz Kiesselbach **left.** Linda Peterson and the crowd **opposite top right,** and Kelly Hughes, Lesly Balias, with their camera shy dates **opposite bottom** left. Off the dance floor for some relaxation 'on the hay' is Rich Molinero, Kathy Seville, Suzanne Layne and Chris Walsh, **opposite top left.** The ritual of getting married started with getting a 'Hitching License' from Ms. Ingersoll, **bottom left**, as Bonnie King and Larry Russin stand in front. The ceremony was officiated by 'Marryin' Joe:', **bottom left,** for couples like Melissa Hipple, Dave Shuck, Michelle Ogle, and Greg Nix. Winners for Daisy Mae and Lil Abner were Coleen Wilson and Jeff Brown

Rock-N-Roll-It's Here To Stay

One of our most favored pastimes in todays society is going to concerts. As seen through the eyes of cameraman Gene Kirkland a few "performing highlights" through the years are captured. Shown here are: **Immediate right,** Rick Nielson of Cheap Trick; **top center,** Robin Zander of Cheap Trick; **far right top,** Pete Townsend of The Who; **far right center,** Rick Nielson and Tom Petersson of Cheap Trick; **far right bottom,** Robert Plant of Led Zepplin; **bottom center,** the late Keith Moon of The Who; **below right,** James Young of Styx; **far bottom,** Tommy Shaw of Styx; and **immediately below,** Tom Petersson.

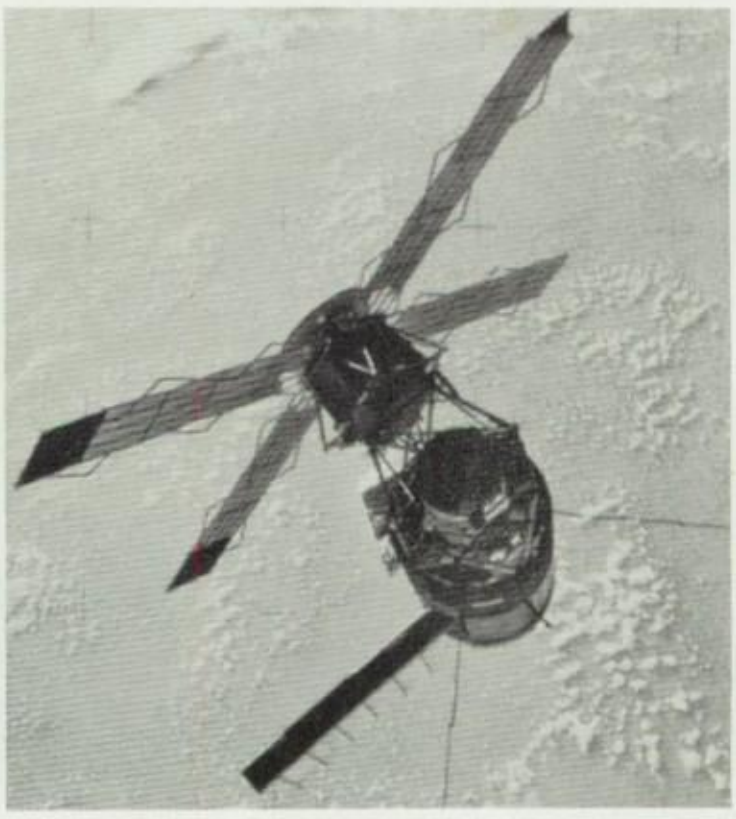
And Now For The 80's. . .?

Our world through the Seventies has been events such as: campuses across U.S. demonstrate against Vietnam War, Chappaquidick, organization of migrant workers, MASH, "Love Story," earthquake hits L.A., hot pants, Nixon goes to China, All in the Family, Watergate, hostages taken at Munich Olympics, ERA approved by Senate, "The Godfather," V. Pres. Agnew resigns, gas shortage, war ends- POWs stay captive, "Exorcist", "American Graffitti", the beginning of the recession: newspaper heiress Patty Hearst kidnapped by SLA, Hare Krishna, Pres. Nixon resigns, unemployment, "Jaws", Carter elected, Bicentennial, Howard Hughes dies, Discomania, Skateboards, "Roots", "Mary Hartman", Panama Canal Treaty signed, gas shortage #2, solar power, punk rock, mopeds, "Star Wars", Proposition 13, toga parties, Salt Talks, Anti-Nuke movement, gold prices, Pope John Paul II, skylab lands in Australia, Margret Thatcher-first Prime Minister, roller skates "Apocalyps Now", crisis in Iran. . . And now for the 80s. . .



Hey wow! Look at me. I am a **SENIOR.** I mean, not just a sophomore, or a junior, or (heaven help us) a freshman. No. I am a Senior. And hey, let's face it: when you are a senior, the world is at your feet. You can walk down the street with your "Warren class of '80" shirt, and people stop and point you out to their friends saying, "Hey look. That guy is a senior. Wow!" And the envious looks you get in the halls of Warren are just uncountable. Every third Wednesday, a group of 20 or so freshmen line up at Senior Circle, on the outside of course, just to look at the seniors-not as in watching animals at the zoo, but as in observing fine art at a museum. And we seniors have clout, too. In fact, the first day of twelfth grade, all Seniors acquire a pulsating aura that stays with us all year and grows steadily stronger until the climax at the end of the year: Graduation. At the moment you receive your diploma, it pulsates one last time and then shatters, leaving a feeling of accomplishment in it's place.

Another indicator of importance is the fact that we are referred to as seniors instead of 12th graders. You hear "Ya, that guy is an 11th grader", but never "Ya, that guy is a 12th grader." No. It's always "Ya, that guy is a senior." What influence.

So all you seniors, be proud of your importance, and remember to never actually acknowledge the existence of underclassmen.

NOTE: I know this isn't par copy for your normal senior dedication page, but what can I say, nothing like the Class of '80 ever was.

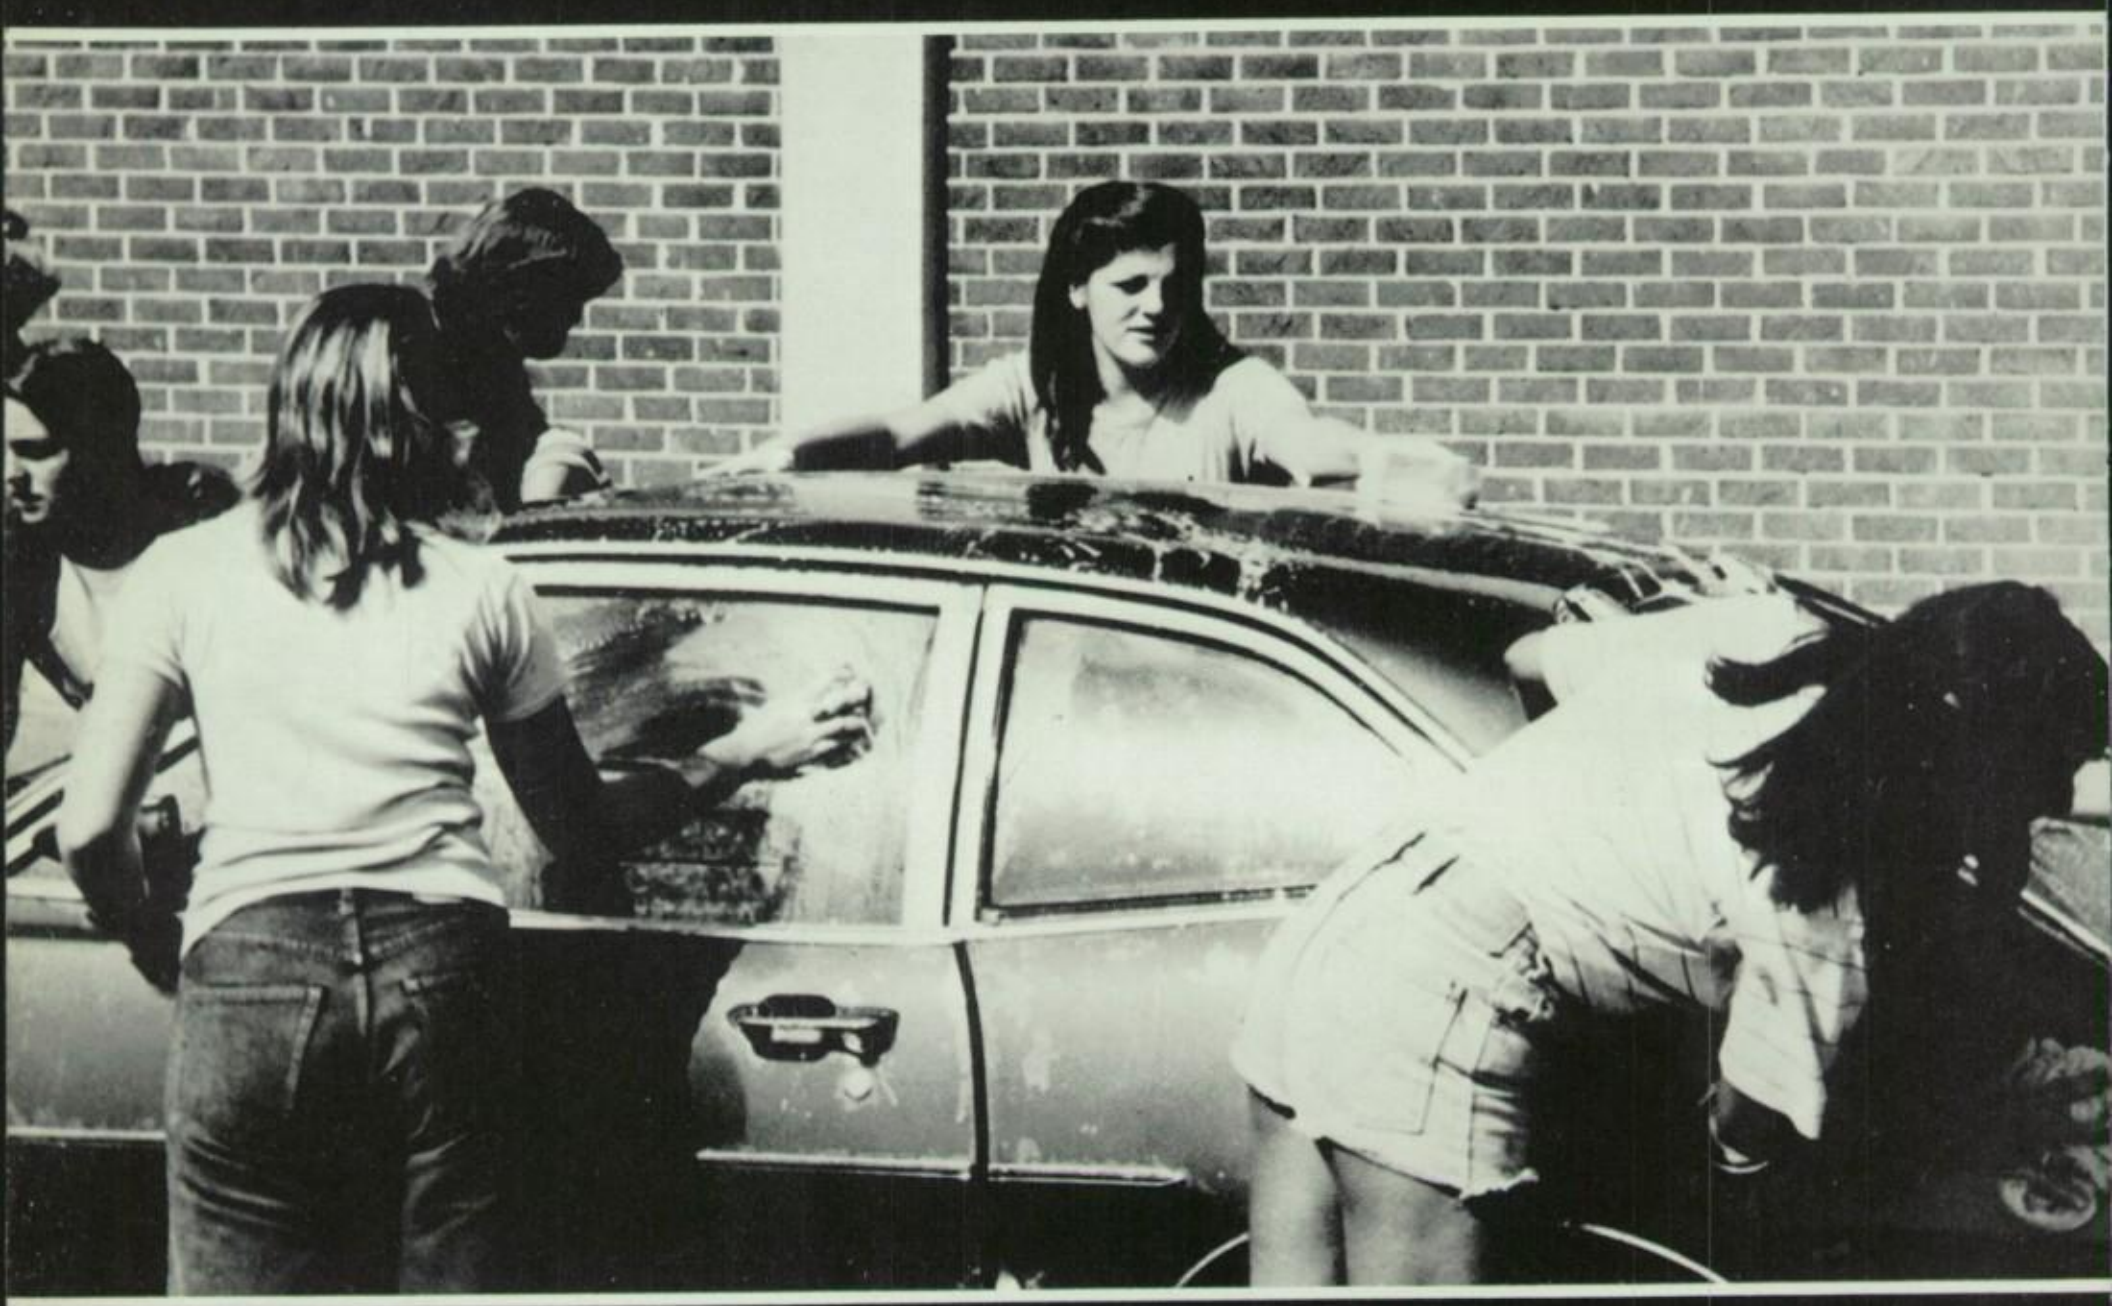
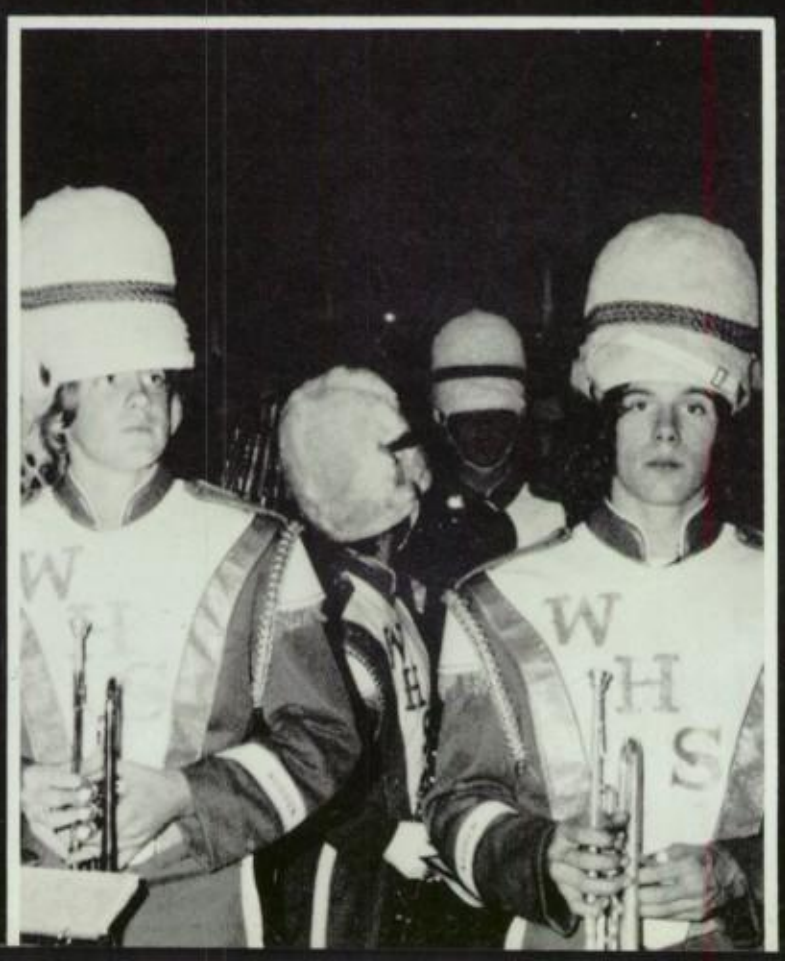
GROUPS



CONCERNED STUDENTS ACTIVELY involved in clubs are what this section is all about. This part of the book contains many memories of the year. Our proud and spirited cheerleaders coming home with many outstanding awards. The faithful Fideles and devoted Devouees having fun with the projects within their clubs. Foreign Languages: Brenos dias, Bon jour, Guten Tag, or as we know it, Hello. Car washing on Saturdays is one of the events Girls League sponsored. Student Council putting together tourist and Halloween dress-up days, assemblies, dances, and others. Band conducted by Mr. Naylor played at football games, assemblies, and parades. Yearbook, working hard year-round to produce an outstanding book. Turn within the pages and see more exciting details of these groups and others, and maybe, just maybe, you'll find yourself or see a group you'd like to join.



pep squads

Pep Squad is the backbone of Spirit at Warren, with each individual squad acting as the vertebrate and Mrs. Hastings, their apt Advisor, as the nerve center which keeps them actively engaged in their primary function—moving out apathetic student body to coordinated enthusiasm while cheering our teams to prominant victory. Always award winning, our squad is appreciated as individuals and as an important group.

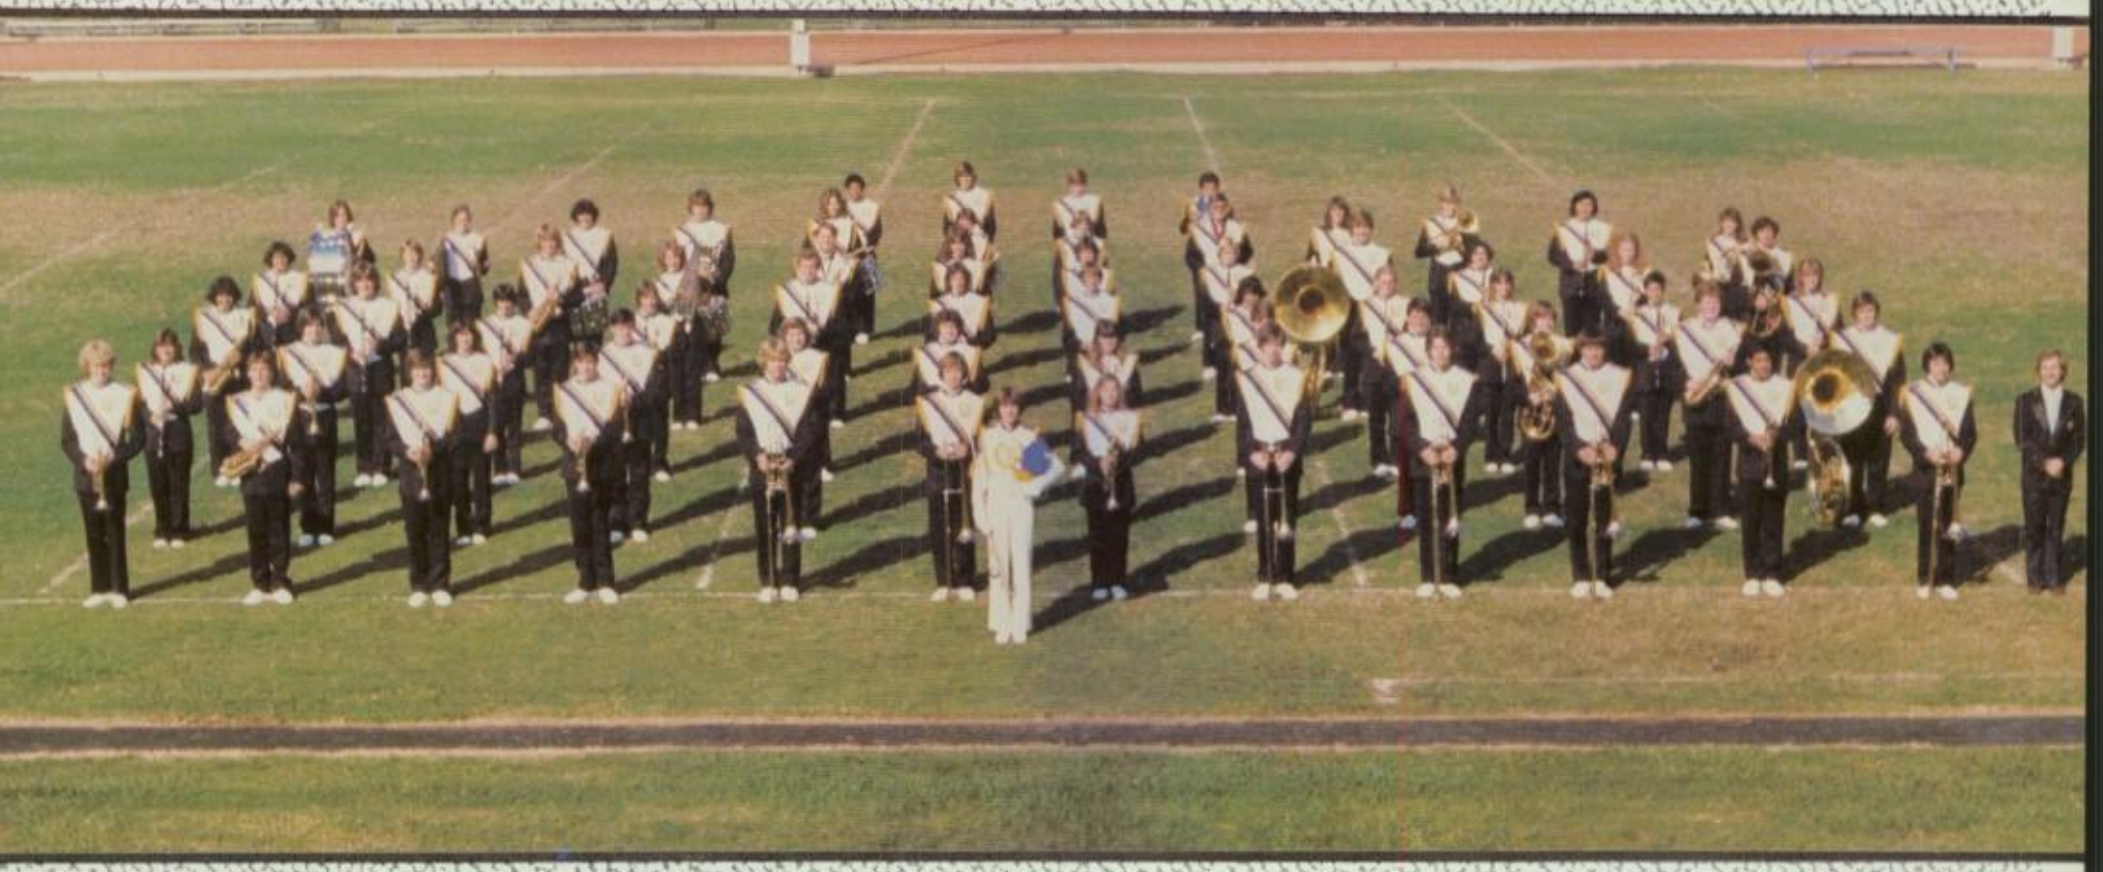
PRIDE



band

Reflecting pride for our school is the Warren High Marching Band. Through their music they tell the triumphant story of our many competitive games. But without them, our pep assemblies and other activities would not be the same. The annual Downey Christmas parade would not be complete without their outstanding skill and accuracy in marching and showmanship. Remembering that they are an interacting organization, they put in much of their own time and effort in showing off our Blue and Gold Pride.

WARREN

drill and tall flag

With hard work and dedication this group of girls make the Warren Drill Team more than just a drill team. The Honey Bears perform their routines on Friday nights at our games and during pep assemblies. Some of their activities are, for example, competitions with other schools, and parades, such as the Downey Christmas Parade. Supporting Honey Bear Pride are Miss Rhode and Colonel Lisa Hershkowitz, also accompanying the drill team is the Tall Flag led by Robin Baugher.

art, biology, mortar and pestle, oceanography, photography

Biology Club shows that learning can be fun too. Many of the past and future activities include trips to the zoo, whale watching, bicycle rides, backpacking, visiting the Botanical Gardens and many other activities designed to help members understand their biological world.

Future art is the aim of the Art Club. Learning style and texture and tone from different medias help these students develop and use their creative ability. For activities they do things such as sell spirit buttons of their own design, paint windows for local businessmen at Christmas, help with the Downey New Year's Float. This year they took part in the big trip to the San Diego Zoo. Art Club is the one club where students are constantly encouraged to be creative.

Through Oceanography Club the various members can further their knowledge of the vast ocean masses that cover most of our earth. Many interesting field trips are taken including those to Marineland and local tidepools for marine life study.

Mortar and Pestle: a deeper look at Chemistry. The members of Mortar and Pestle are composed of dedicated chemistry laboratory assistants. These students not only cover material equivalent to a freshman college course in Chemistry, but are invaluable to Mr. Rice by setting up equipment for experiments and helping answer beginning Chemistry student's questions during class time.

The Photo Club with its President Linda Petterson has a personality all its own. The purpose of this club is to give students with similar interests an opportunity to meet together and make new friends. Their most popular activities are field trips where they can practise their photographic arts. The San Diego Zoo and the Arboritum are two examples of such trips.

It is room T-1, its 5:30 and already dark outside. There are pica rulers, lay-outs, pictures and grease pencils that line the tables, along with books filled with homework that might not be done. And this is yearbook at its finest: the after-hours when a majority of the book is pulled together, even if it includes weekends and staying up till 2:30 a.m.; just to get it done. T-1 becomes a 'home away from home' and special friendships that have grown from laughter and sharing remain strong.

And then there's Ms. K, who is always there to pick up the pieces and lend her knowledge and friendship to each and every staffer.

The photographers who are constantly hiding in the dark room or running off to Pace stay busy and add their own 'off-the-wallness' to the staff. And there's our forever faithful Mr. Stoner who is always there to do artwork and lend a creative hand.

The amount of time, dedication, work, and loyalty put in the EL OROSO can't be expresed on paper. Look at the final product yourself, in it there holds personal creativity, thoughts and ideas but mainly a pride that is only known by yearbook staff. It is our hope, as staff, that we have been able to capture many memories for each of you, as a group we are a family and always stive for the best.

Spending endless hours chasing down stories (although everyone knows nothing ever goes on at this school), writing accurate articles, creating headlines with spelling pizazz and finally retreating to the kindergarten talent of cut and paste this noble Newspaper Staff provides our school with monthly editions of THE JUSTICE (proving that something must go on at our school). All of the efforts are aimed to the endeavor to keep the student body informed including the hours spent driving back and forth to Downey Graphic Arts where our paper is published. So, appreciate us folks; we work for you ...

chorus, french, german and thespians

Meeting 4th period is Warren's Concert Chorus. Together through the techniques of performing, reading, music, and hours of practice, the members achieve high standards in vocal abilities. With Mr. Naylor's guidance, the chorus has a chance to perform in two concerts, and sometimes for private or P.T.A. events.

German Club gives the students taking German a chance to make new friends, to get involved, and most of all have fun. During the year, the club holds fund raisers such as selling Advent Calendars with German Chocolate inside, selling suckers, and sometimes holiday grams. Many field trips involve going to Disneyland, a Halloween Dress Up Party, a Christmas Party, and also a beach party. German Club is advised by Mr. Hunt and President Teresa Vermuleun.

This year French Club met Wednesdays planning different outings and fund raising events. The club sold candy and planned a garage sale. With the money raised the club had a French style breakfast before Christmas, and also got to go to a French restaurant. The club is advised by Miss Griffin and President Paula Hoeman.

Students of the Thespians Club each hold very unique talents. They are the actors and actresses, comedians and comediannes who roam the halls of Warren. Their creativity is endless, imaginations wild, and talent non-stop! Thespians put on several productions during the year, the most successful being the Mime Show.

les devouees

Les Devouees, a club unlike any other; they have a special kind of meaning. Their year started off slow trying to get organized and getting to know one another and their new jobs. It was hard but they overcame all of their obstacles.

Many things have gone on during the year, small and large projects alike receiving their hard work and spare time. Together, they have accomplished a great deal. Les Devouees has aided the community and themselves by putting in many hours at convalescent homes, filling our Cancer Society envelopes, and their fund raiser for brain injured children.

As a club they have met goals which individually they would have not been able to achieve.

The friendship and unity of their club proves their club is incomparable.

creative writing, agape, library and math

Friends, smiles, and warmth all belong to the Agape Club members. With bible study every day at lunch these students share a special kind of happiness with a visiting friend Mr. Clemmens, from the First Baptist Church of Downey.

The Library Club has grown in the past year, thanks to the growing interest in the library at Warren, Mrs. Janet Nichols, the advisor, helps the members to advance in the world of books and learn while having fun. They have planned at least 2 candy sales and sponsor the annual Book Fair. At the end of the year the club holds an annual dinner banquet.

Imagination, creativity, and thought are a pastime of the Creative Writing Club. Every year many of the students contribute much of their time and talent producing the magazine. The magazine includes, short stories, essays, and poems. Advising this club is Ms. Daniels.

Students that excel and enjoy math are a part of Math Club. With Mr. Witherspoon's help, these students have an opportunity to compete with other schools dealing with equations, and other problems.

key club

Sponsored by the international service organization of Kiwanis, Key Club is a hard working and popular club for all boys who are interested in helping their community, school and country. Key Club's faculty advisor for the 1979-80 school year was Mr. Al Kent. Such activities accomplished were working with the elderly, handicapped and youth of the community, the annual Key Club calendar sale, and also assistance with the Special Olympics. At their international convention, Ovidio Diaz was elected an International Trustee for the 1979-80 school year. This position is one of only sixteen board posts held representing over 90,000 Key Clubbers across the United States. Key Club builds strong friendships and strong individuals; caring is their way of life.

media academy, o.h., and brass pounders

Orthopedically handicapped students are a special part of Warren High. 24 students took part in Warren High's program this year, and most students were mainstreamed into approximately fifty per cent of their classes. These students were afflicted by a variety of diseases - Cerebal Palsy, Muscular Dystrophy and Arthritis, which caused them to become, part of the OH class, a support unit. Along with their academic studies, Los Angeles County provides a P.E. class. This class provides a variety of activities for their limited physical abilities. One of the neatest things they did this year was a football game played against the coaches.

Media Academy, under the supervision of Ms. Smith, and President Frank Warden, is a group of people working together learning about television, radio, advertisements, and other communications. One of the activities Media Academy sponsored this year was the "Noontime Movies" so that they could raise money for a video tape machine for Mr. Robinson. They also sold popcorn, cokes, and M&M's as part of this fund raising activity.

Mr. Griffin sponsors the Brass Pounders club, which is concerned with Ham radio, Amateur radio. They work toward their lisences and use the radio to talk to whoever they can find in sometimes distant places.

boys league, interact and latin image

Boys' League has in the past not been as active as its feminine counterpart, Girls' League; however, now under the enthusiastic direction of Ovidio Diaz the reputation of the largest and most inactive club on campus may fade.

As a campus club designed to do service for school and community, Interact has always held its pisition as one of the "Big Four". Its members are involved in campus clean-up among some other creative activities which lead to their annual convention.

The Latin Image Club was designed to involve the Chicano students with the rest of the student body. During their meetings, the club organizes for different activities for the members to participate in as well as raise money for "fun" things to do. One idea the club has this year is to have a car wash, and another is their plan to celebrate "Cinco de Mayo" with a bake sale of Mexican/Spanish foods.

volleyball, varsity, letterwomens and college

In a rebirth of enthusiasm the boys' Volleyball "team" was reborn after being cut 4 years ago. Over 60 boys signed up for a CIF team; unfortunately, the deadline to create a team was not met and league play will be delayed until next year; but, in the meantime the Volleyball Club participated in the USVBA tournaments with all funds being raised by the players themselves. Mr. Tom Stoner advises them with the able assistance of Craig Young.

Varsity Club—the traditional club for Warren Athletes before girls were recognized as athletes—is always active. Besides recognizing each athlete for his individual sport, the club and its identifyable jacket gives recognition to the athletes as a group—our very own "JOCKS". Mr. Harry Schmidt is the proud advisor.

Each year talented young girls who letter in Warren's Girls' Athletics get together to form Letterwoman's Club. An active and productive group on the field and off, their special project each year is the Sadies—one of the top three dances each year. Miss Sally Carmen is the advisor to these fine female athletes.

College Club offers the college bound student advance information about colleges and universities and their respective strengths and weaknesses. Advised this year by Mrs. Michelle Orsinger, this club is a valuable one for students to join.

les fideles

Keeping the name of Les Fideles, "The Faithful Ones" is a lot of hard work, service to the school and community is our main objective. Many hours of hard work and dedication were spent volunteering at Country Villa Convelescent home, Rancho Los Amigos, The Fire Station, and stuffing cancer envelopes, along with other minor duties.

Through our service projects, fun events innitiation, and money raisers we've made many new friends and have shared many great experiences. The hard work and the new friends we've aquired, will keep the name of Les Fideles living forever.

Modern Dance

Modern Dance is very well liked both as a class offered several periods throughout the day and as a club which meets at least once a week. During the practice sessions movements are perfected and routines created all of which will culminate in the modern dance show held annually in the spring-an endeavor by many talented young people, which is always a success.

Sealbearers C.S.F.

The Sealbearers honor is bestowed upon Seniors who have obtained 40 points in academic classes during their four years at Warren. This requires a strive for education and a dedication to knowledge, hence, being a Sealbearer is an honor of great magnitude.

C.S.F. members, in conjunction with their academic duties, enjoy a variety of activities. This years highlights included a tour of the J. Paul Getty Museum in Malibu, followed by a picnic at the beach, and a college visit to U.C. Irvine. These trips are ongoing learning experiences for these outstanding students.

student council ski club

Campus leadership is important for campus function; the leading group is found within the doors of S-1. this years Student Council, as many in the past, has endeavored to provide activities for students as well as service and leadership.

The first semester Council, led by A.S.B. President John Davis, had the job of organizing Homecoming and earlier activities, with Tourist Dress-up Day being their biggest success.

Wanting to reachieve the student enthusiasm and spirit, second semester Council, led by Liz Garo, was eager to try new ideas and hear student concerns. By sponcering club breakfasts, new kinds of dress-up days and a Student/Committee much of this was accomplished. Both Student Councils were under the advisement of Mr. Poppa Joe.

One of the newest clubs, and most exciting for either Hot Doggers, or Bunnie Hill Begninners is Ski Club. Either way it is a great opportunity to get into the action. And the one and only advisor for this club is Mr. Hill. They had some interesting plans for our past year and if you weren't lucky enough to hear about it this year don't worry because next year they have some big events planned out.

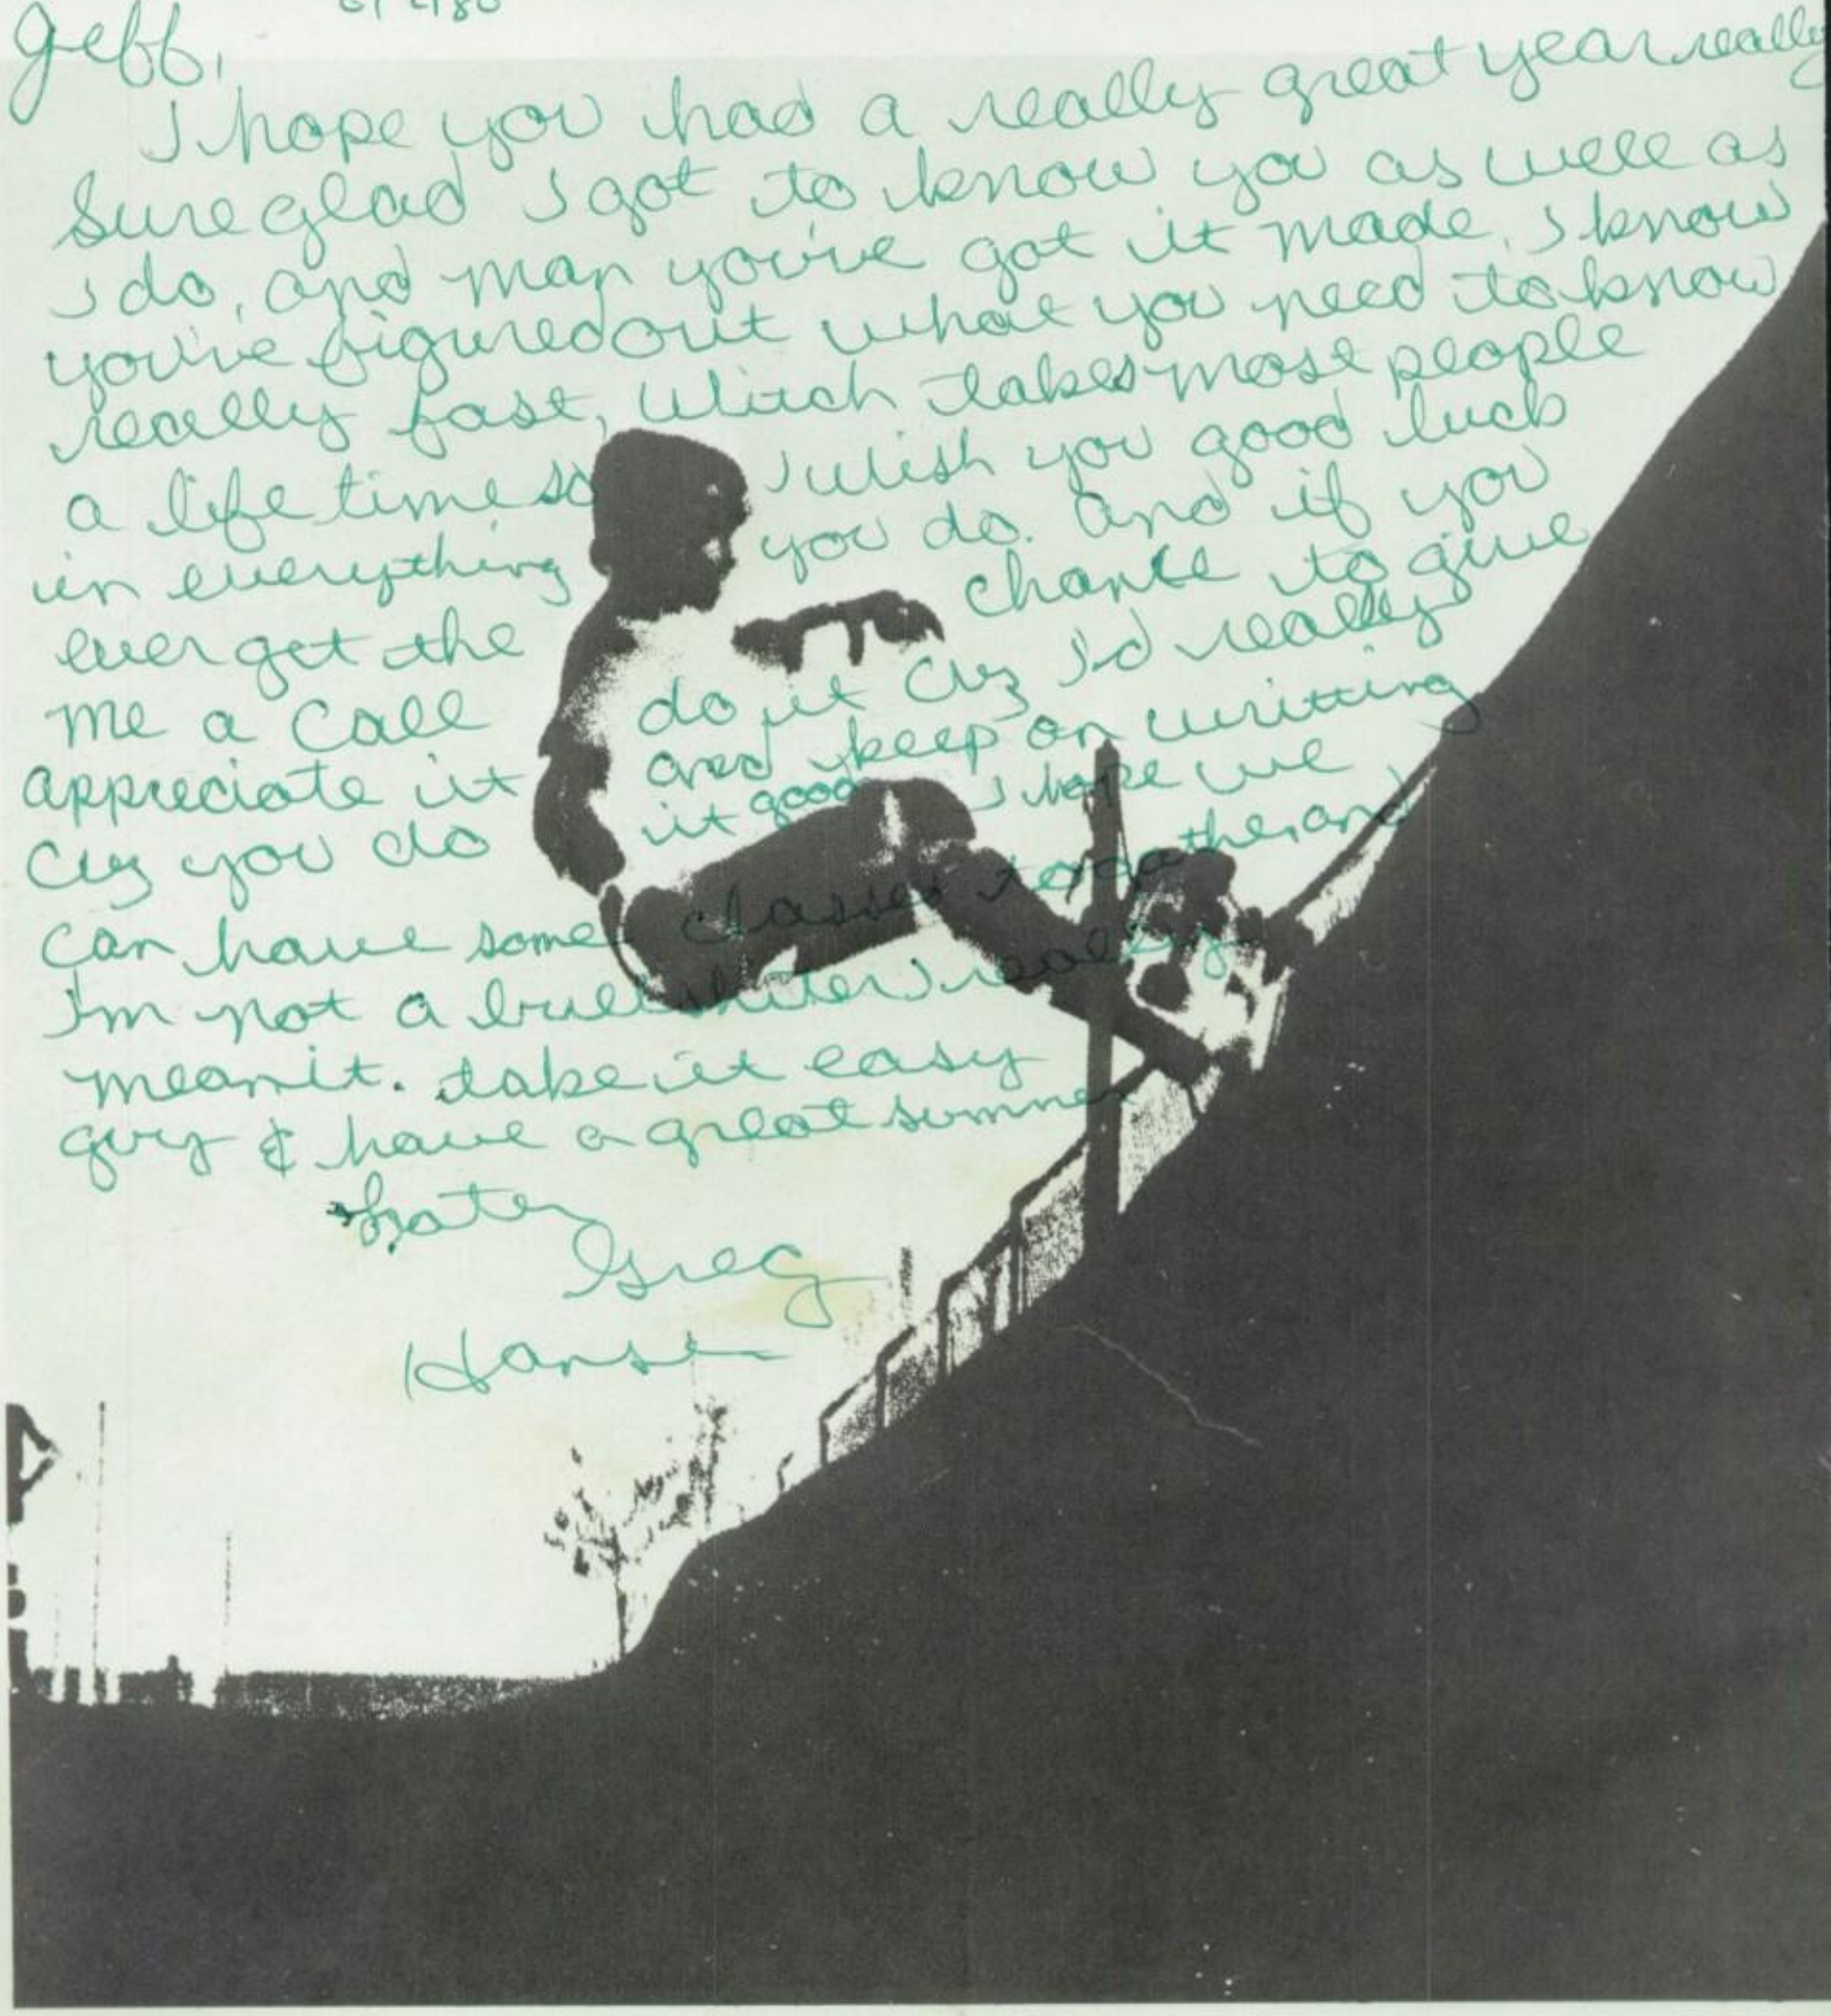
ACADEMICS/FACULTY

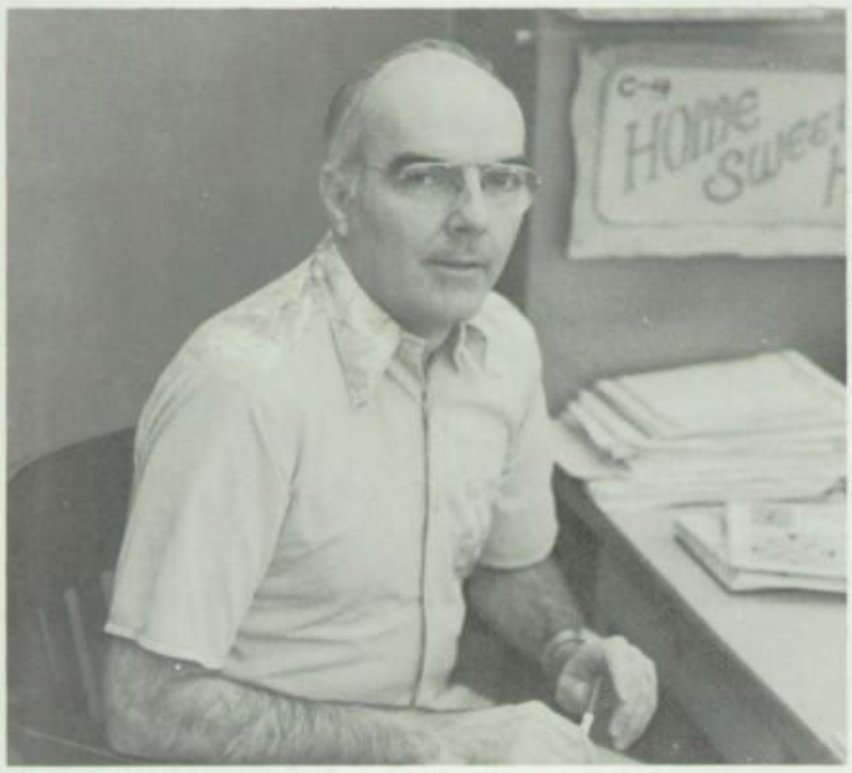


TEACHERS AND LEARNING ARE what school is all about. And it's true! Our faculty at Warren High makes us the best, we can see this from the fine people they have produced.

Some students don't really get to know their teachers. But it's worth every effort. Each of them has the experience and the where-with-all of great teachers. Our administration is efficient and competent. And, academically, you will see in this section some of the creativity our teachers motivate into their students.

So take a look in this section and get to know the teachers by name, and get an idea of who each teacher is because after all, teachers are people too.

Faculty
Through Their Help We See Our Worlds



For **MR. BILL ALLGOOD** it is hard to say which subject he likes the most. "I like any literature class" he says. His tactic's for teaching are getting to know his students well and their individual work. He tries to view them as people instead of students. On his spare time he enjoys roller-skating, classical music and bridge.

MR. DAVID ALLISON excellerates in teaching Drivers Education by relating what is happening on the Nation's highways to classroom discussion and class work. When he is not in the classroom or on the road he enjoys working with Phorography.

MR. RUBEN AMERKHANIAN loves to teach Physical education. He holds his students interest by using enthusiasm in teaching and telling them his many interesting experiences.

One of our excellent woodshop teachers is **MR. RON ARCHULETA.** He tries to encourage and help his students with meaningful projects. Beside being Principal of the Junior Achievement Program, he enjoys many types of art, wood carving, water skiing and fishing.

MR. GILMER BELL enjoys teaching English. He obtains the students interest by doing everything he can to assist them. On his spare time he likes writing, woodworking and critiquing.

MR. ROBERT BELLADELLA loves to teach Physical Education or anything to do with sports. He teaches students the skill of games and looks to teach the whole aspect of one's being. He is the fearless leader of J.V. basketball. On his time off he enjoys playing guitar, dog training, fishing and traveling.

MR. WILLIAM BOYD's favorite subjects to teach are California History and Comparitive Government. He keeps the class tuned in by having guest speakers talk and class discussions. He is a member of the National Historical Society. On his free time he enjoys athletics, photography, growing tomatos, California History and railroads.

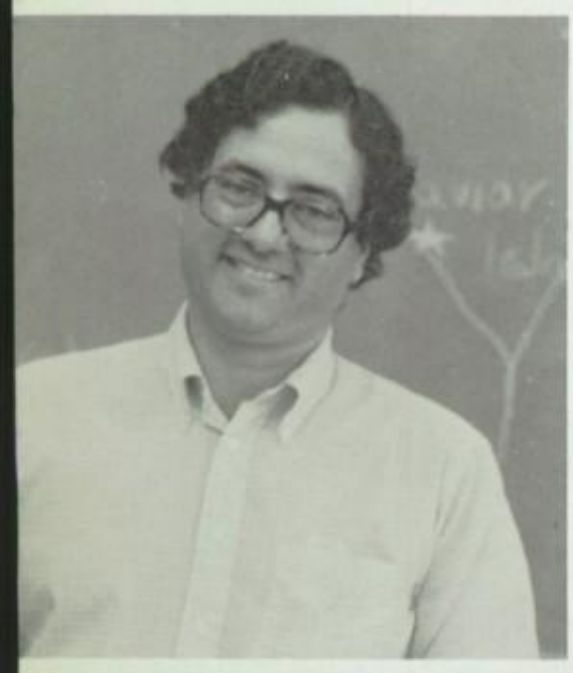
MS. MARY LOU BUSBY'S favorite subject is Algebra and interest her students by planning every lesson carefully. She is officer of Downey Education Association and a member of the negotiating team. On her free time she enjoys playing bridge, bowling, hiking, water skiing, traveling, reading and playing chess.

MS. DELORES CARMEN loves to teach Softball, Basketball, Modern Dance and Health. She holds the students interest by simply teaching, smiling and working their "baby fat" off. Between coaching, teaching and advising Modern Dance, Ms. Carmen enjoys spectator sports, gardening and gourmet eating.

MRS. LEONA CARR's number one subject is typing and she keeps her students occupied by presenting a variety of activities related to typing and office situations to her students. When not busy with school she enjoys art, gardening and reading.

MRS. PAULETTE CAUDILL Loves to teach basic math and remedial reading and she interests her students by praising them, encouragement and by giving them material they can achieve instead of fail. She is top lady of Girls' League, director of a good co-operative in El Segundo, and runs a children's story hour at the El Segundo Library for small children. Between her many responsibilities she enjoys skiing and camping.

MRS. LESLIE CLEVENGER enjoys teaching Espanol and she interests her students by showing personal slides of Spain and talking about the culture. She's the leading lady of Spanish Club and CSF. In her spare time she likes to travel, enjoys photography and uses her world travel experiences to entertain as well as educate residents of retirement homes in Bellflower.



MR. NEIL COLEMAN's "top" subject is Geography. He keeps his students tuned in by relating his personal experiences (as his travels have carried him to many interesting places) to the subject matter. In his spare time he likes collecting art, especially art deco, and going to the beach when he is not attending classes at UCI.

MR. MICHAEL COPPENGER focuses on developing the interests of students with his favorite subject of Photography. Always smiling and eager to be a friend, Mr. 'C' is also advisor of both Agape and Photo Clubs. Hobbies he enjoys are fishing, making wooden toys and even building log cabins in Colorado.

dimensions in color, and perspective.

MS. BETTY DAHLIN likes to teach Midieval History, Political Theory and Pre-Columbian History. On her free time she enjoys reading, sewing, gardening, traveling and loves boasting about her children and her grandchildren.

MRS. FLOTA DANIEL is one of the English teachers on campus with her main interest in Creative Writing and Poetry. To help encourage students with their writing she points out their good points and tries to help them achieve a pride in their own work. Mrs. Daniel is advisor of the Creative Writing Club which produces the school magazine yearly.

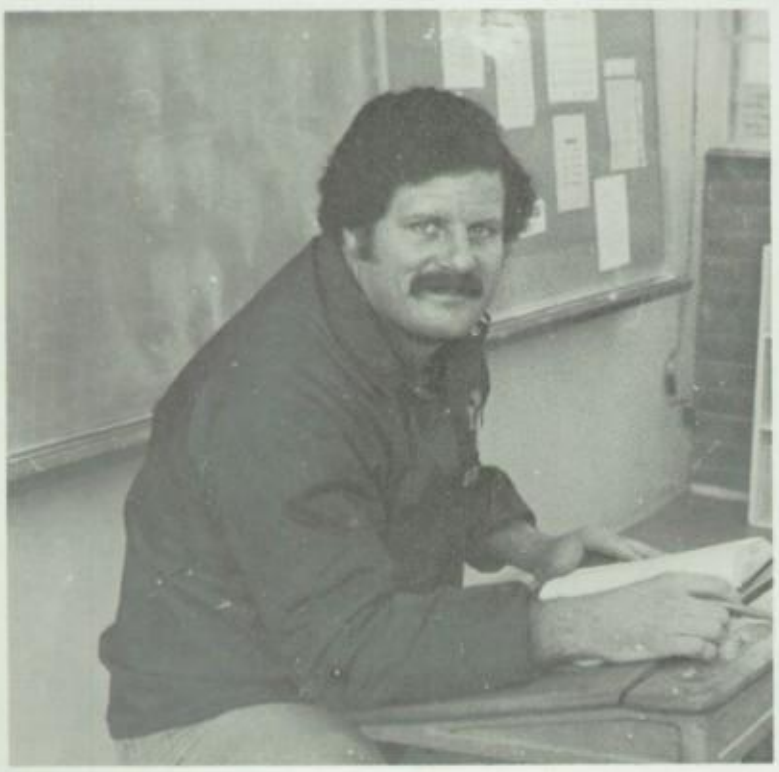
MR. PAUL DAVIS is a man of many talents the least of which is his ability to interest students in Consumer English by using commercials from radio-T.V. and current junk mail material for them to examine for errors. He is an avid theater goer who is well versed in many arts including which day is the best for 'Pic-n-save' purchases. At school he sponsors the Jr. Class C.S.F. while at home he is an avid student of genealogy, stamp collecting and Photography.

MR. PETER DEKKER likes drafting (of course) which he furthers by proper explanation and challenging projects. Perhaps some of his blue prints aid in one of his special hobbies namely woodworking. But, when he's not working with his hands, either by drawing blue prints or working in wood, he likes to fill his leisure hours working.

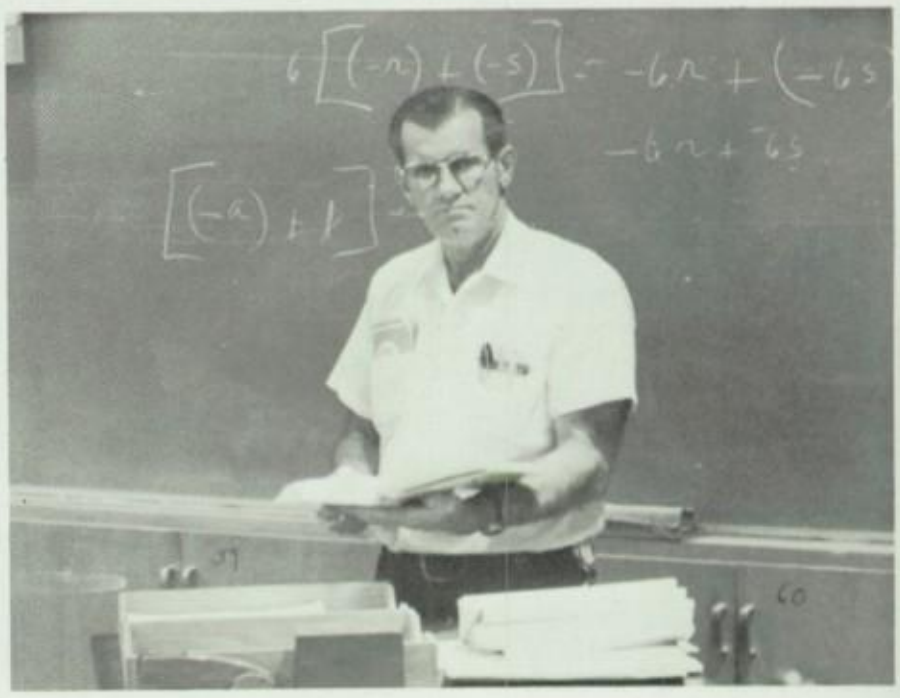
The learning and teaching becomes a sharing process.

MR. MEHRLE DOTY enjoys teaching Government and U.S. History classes. When teaching he tries to present the information so that students can relate to it. His other activity on campus is coaching the Varsity boy's tennis team. Although he is busy he finds time for his hobbies, namely, politics, snow skiing, tennis and golf.

MR. RANDALL DRAKE enjoys teaching many subjects including Psychology, Physical Education, Football and Basketball. To keep his students tuned in he tries to make class meaningful instead of a Disneyland type atmosphere. When Mr. Drake isn't coaching the Varsity Football team or the J.V. Basketball team, he enjoys fishing, water skiing, boating and going to the mountains.



MR. PHIL DUNAWAY is another one of our excellent Physical Education teachers who is widely needed in our sports field. When he is not busy with our Football, Wrestling or Baseball team he enjoys water and snow skiing or spending time with his family and his friends.



MR. ENNIS FOXWORTH's favorite subject is Physics. Being our only Physics teacher he obtains his students interest by demonstrations, lab work, exposing them to the history of science, and emphasizes contributions in the scientific field. On his time away from school he enjoys photography, playing chess, reading and cross word puzzles.

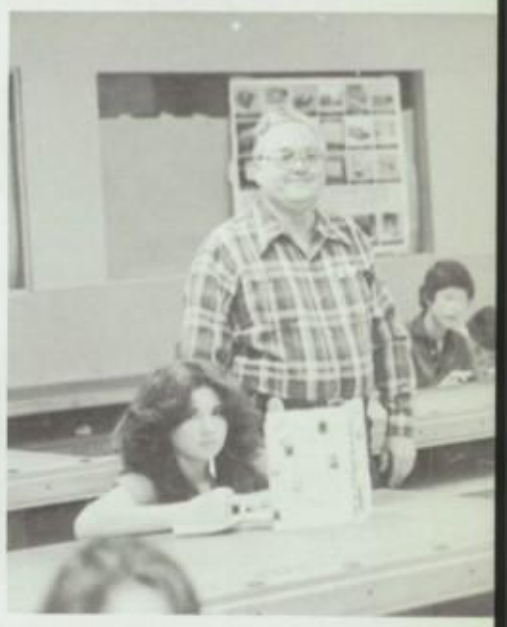
MR. JOSEPH FRANCIS teaches Health Science and Student Government class. Student Activities are his favorite periods of the day,however, as these are used to plan all the events and assemblies that make Warren an interesting and active school. He manages all this by making the Student Council work. And, when not at work planning fun he is an avid golfer and family man which is probably why he is known affectionately at school as "Poppa Joe."

MR. MURDOCK FRASER is another nice teacher to know because of his great work with the water polo team. He likes to teach physical education and likes to interest his students with participation. For example, he'll guide the swimming class to work out for one day, then work on technique one day, then play water polo one day, then practices lifesaving for one day. He thinks the variation makes it more interesting for them. Mr. Fraser enjoys being in charge of the waterpolo team and swimming team. His favorite hobbies are all water sports, especially waterskiing.

MR. JOSEPH GOUGH teaches Oceanography and Biology. His specialty is Marine Biology. Mr. Gough says that he likes to "thrill" his students in their class work. He has many scientific specimens and "live" classroom pets. When he motivates the class, its sometimes rough. Mr. Gough is an Oceanography Club sponsor-member. His favorite hobbies are travel, epiphylium grower, fishing, nature photography, shell collecting, geologist, former professional musican, and compsoer/arranger. Mr. Gough seems pretty busy.

MR. (FRIENDLY) FRANK GRIFFIN is a very nice teacher who is friendly and kind to everybody and is always smiling. He likes to teach electronics and likes to interest the students by giving a good basic background in electricity and electronics so they can move in any direction of their choise.

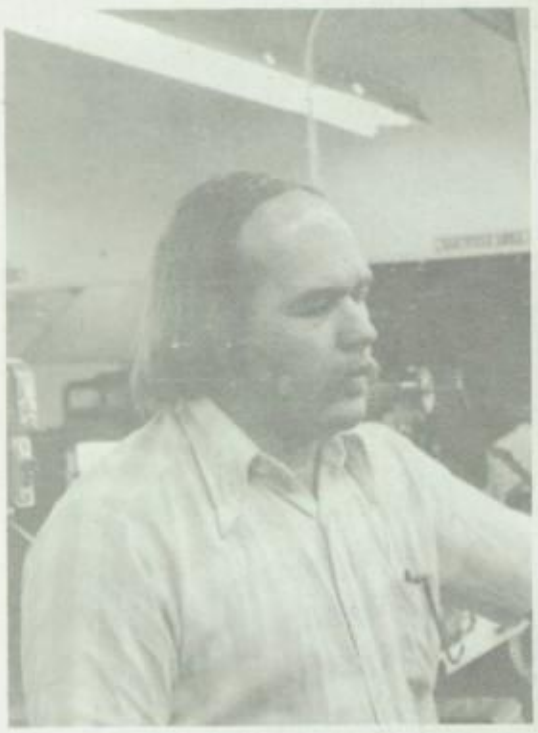
Mr. Griffin has other interests that he likes to do, such as clubs which are Audio Visual club and the Brass Pounders Amateur Radio Club which seems very interesting to someone who really likes electronics. Next, we see that Mr. Griffin enjoys flying and "hamming" on the radio as his favorite hobbies.



MRS. LOUIS GRIFFIN is an interesting teacher to have. She likes to teach French and interest her students with materials from travel experience which are appropriate for her. She also likes to talk to the students about the materials and also use slides, postcards, books, newspaper and magazines (called Paris March).

Now, Mrs. Griffin has some interesting clubs that she likes to do, such as, French Club and Faculty Fund, which she does purchasing gifts for new babies, weddings and illness which perrain to faculty. Although she is no longer a performing musician, classical music is still her special interest—especially symphony.

MR. MIKE GRISWOLD spends his teaching with metals. He shows his students many practical objects that they can make and the necessary entry level skills that they could acquire. He has no other activities on campus, but his hobbie is building cars.



MRS. CLARA GRUNDMAN enjoys teaching and sewing. She encourages students to make things they can wear. She shows them many techniques and tries to set an example. Off campus she is President of the Y.M.C.A. Many of her hobbies include sewing, cooking and camping.

MISS EDY HASTINGS teaches American Literature and Science Fiction. These classes involve reading and discussing stories and some writing. She is also advisor of all Pep Squads. Her many hobbies are water and snowskiing, jogging and sewing.

MRS. JULIE HELM devores her time teaching the Special Ed. Classes. She interests her students by giving them assignments that they can do and gives each student individual and personal attention. Her hobbies are playing the flute in a Community Band, which she really enjoys.

MR. JOHN HENNING is dedicated to teaching Biology and Physiology. To keep his students attentive he tells dumb jokes, stands on his head, screams and yells at the students and beats them with a meter stick. He has no other activities on campus, but spends time on hobbies. He enjoys gardening and photographing his cute little son. (By the way, yelling, screaming & beating really aren't his special techniques; but dumb jokes . . . well?)

Experiences and happenings expressed knowledgeably

MR. STEVEN HILL loves to teach Physical Education and obtains his students interest by getting excited about his work. He is in charge of Varsity Club and on his time off he enjoys both snow skiing, water skiing and also jogging.

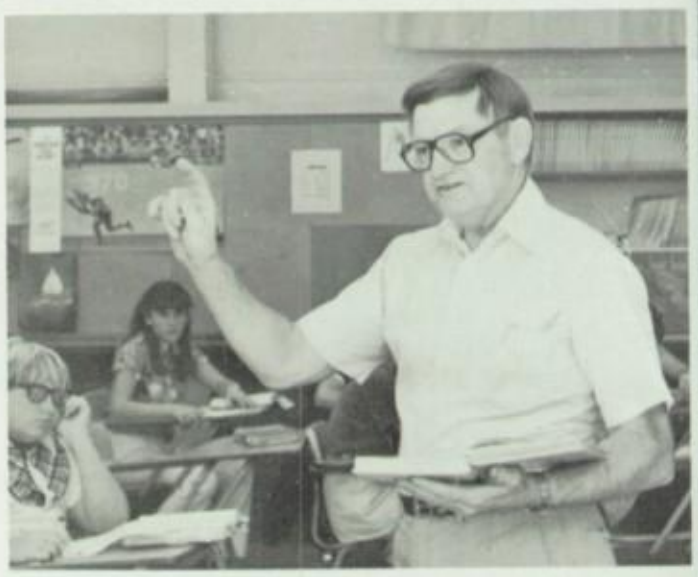
MR. JESSE HUNT a former student at Warren High, returned to teach Math. He attempts to show his students how they can use math in the future. He is currently involved in development of a new Tele Class for math at Coast line College. But, his leisure loves are scuba diving and water skiing.

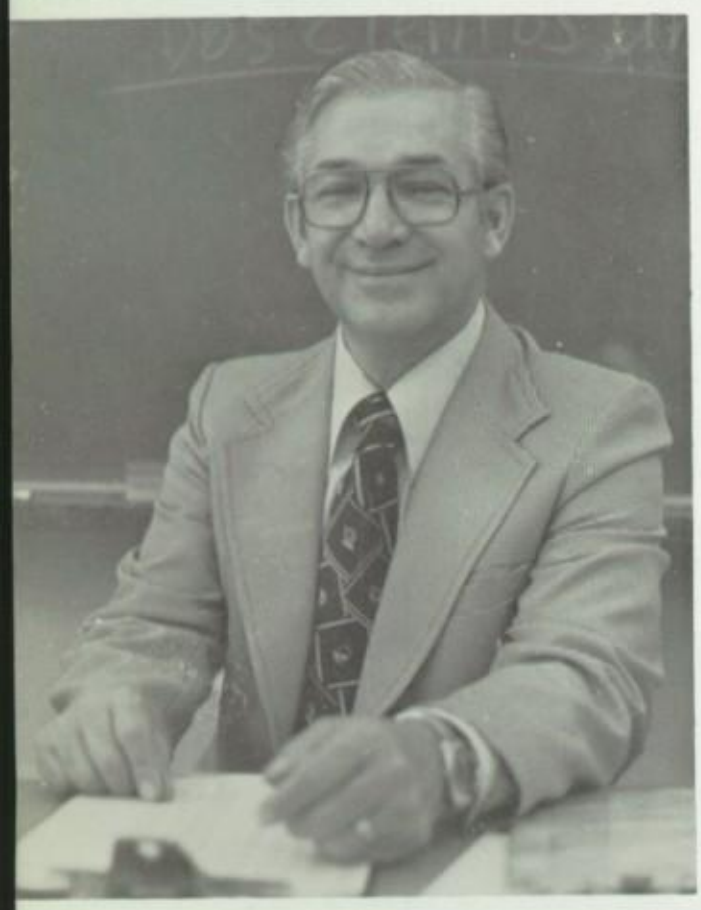
MR. LAWRENCE HUNT loves to teach German and interests his class by putting himself into his teaching. Between his devotion as Varsity Soccer coach and sponsor of the German Club he enjoys snow skiing, water skiing, traveling the U.S. and Europe and also sailing.

MR. GARY HUNTER likes to teach Biology a natural off shoot of his special hobby farming as both fields study life. He believes in the philosophy of self motivation which carries over into his extracurricular, but school related activities, such as Interact advisor and Frosh. Soph. Basketball Coach.

MISS CAROL INGERSOLL has a love for teaching all sports. Her philosophy is to participate with her students and they with her. She has lots of other activities in her life, in and out of school. She is the coach of Girls J.V. Volleyball and both of the girls swim teams. And with her outside life, no one can miss her with her car "The EX," that she takes great pride in.

MR. JOHN JAMES enjoys teaching social studies the best along with his other subjects. He likes to relate to the present on his subjects. Mr. James is not in charge of any school activities at the present time, but would like to in the future. He spends his free time playing Bridge and loves to travel.





MR. GIL JIMENEZ enjoys teaching Spanish and English as a second language. He likes to interest his students by taking what's happening and relating it to their past, present, and future. He is a very enthusiastic teacher who uses visual aids and audio though they are secondary in nature to him. He also divides his time between Warren and Downey. In his spare time he likes to bowl.

MR. WAYNE JOHNSON is one of our fine Biology teacher's along with Physiology and Genetics as his favorite subjects. To obtain his students attention he performs demonstrations and labs as the "hands on" experience. Mr. Johnson is known for his fantastic talent for telling great, witty, and funny jokes. When he is not dealing with the Biology Club he is enjoying himself with long distance running, scuba diving, backpacking and raquetball.

MRS. ANN JONES has two favorite classes, accounting and office simulation. She enjoys hiking, camping, and dining with the Rice's as well as taking care of her own special group, (her two children and husband.) She is the head of the Business Department and takes time and patience with her classes.

MRS. DORIS JONES' interest is in her favorite class, history-(Contemporary Issues) which motivates interest with her students. She is advisor of sophomore C.S.F. and enjoys almost all outdoor sports and dancing.

MR. ROBERT JONES is a man of great courage as he erforms the duty of Drivers Ed. Instructor. Every student at passes into his classroom gets to only learn the rules of e road but a man whose stories entertain and whose ame and face leave a lasting impression of learning to ive. Mr. Jones occasionally enjoys extended weekends at s Vegas.

MR. HARVEY KELLER is one of the more memorable faculty members. His American Government classes are not only his favorite, but of many Seniors also. Open discussions, which sometimes take over assignments, of world, nation, and school problems are common. The revolutionary 'Humble Harv' is known to roam the beach with his dog Rommel and write his Congressman.

MRS. CHERYL KENNEDY-RICE is a most involved person. he is active in many groups and clubs, The El Oroso, stice, I.W.A.W.C. and DEA, Sec. Treasurer. Her special bbies include writing and raising Irish Wolfhounds for owing. She is also a student attending Pepperdine niversity. She interests her class in the best way, by being al, and a friend.

MR. AL KENT, enjoys teaching Comparative Government more than any other subject in his large Social Science Department. He works hard to make the course content relate to todays' problems in our society throughout the world. As advisor to Key Club, he is certainly an active part of Warren's extra-curricular program. However, his favorite past-times take him away from both the city and our society—he enjoys the relaxation of hunting or fishing.

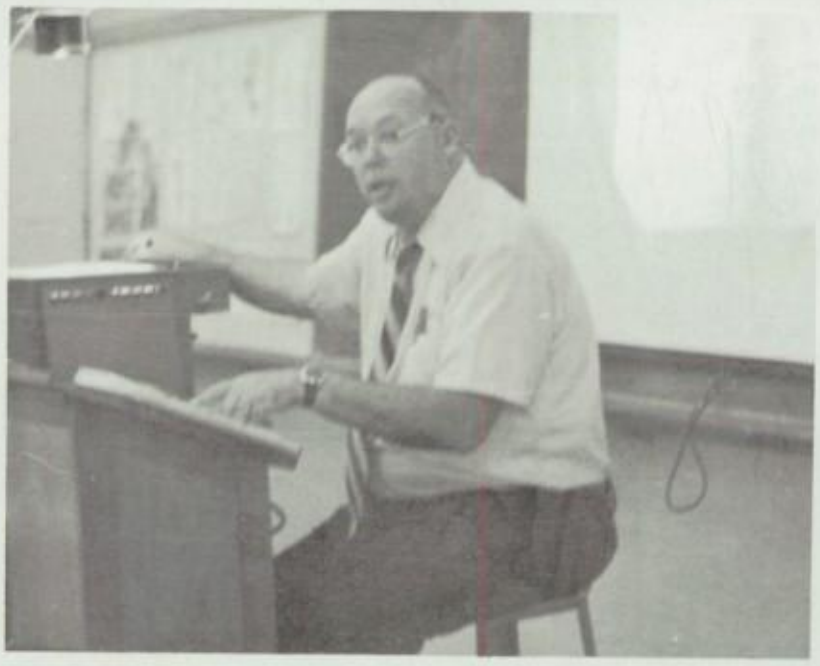
MS. DORIE KNAUB finds teaching STUDENTS! her most enjoyable subject. In that light, she offers work that can be completed successfully, encourages each student to achieve to his or her fullest porential, and provides activities relevant to student interests. Some of the activities that she finds relevant to her outside world are acting as Consultant in Special Education for the CSDEd, and growing plants—lots of them! (assisting their growth and appreciating their beauty.)

MRS. CAROL LORDS likes them all— Shorthand, Business English and Political Science. All of which she finds easy as she acts enthusiastic about teaching them. Currently she is Les Devouees advisor, a club that keeps her active enough for any other person. But our Carol likes to play tennis, jog, and sail in her spare (?) time.

MS. JACQUIE MC MILLIAN teaches many young people at Warren what acting is really all about as she gets them involved in presenting interesting and entertaining shows for the student body to attend. She especially enjoys teaching Drama as Literature and Advanced Drama and keeps her students interest by showing them what professional plays are all about. She is the sponsor of the Thespian Club on campus, an international drama club. And spare time—is spent rollerskating, bikeriding with her daughter, and attending or video-taping everything dramatic.

Who are always there and close.

Teaching Literature is **MRS. MIRIAM MEHRLE'S** favorite subject. Through this class, she hopes to teach how literature deals with real life and human interests. Mrs. Mehrle is the sponsor for the senior CSF group, as well as a counselor for the European Study Tour in 1974, '76, '77, and '79. Her interests are piano and traveling.



Anyone who chooses to take Business Machines as an elective has a good chance to get **MR. FRANK MEYER** as a teacher, as it is his favorite class to teach. Mr. Meyers is always remembered by his students for the cheerful way he conducts his classes. Off the job, he enjoys to travel, take photos, and read. So, if you want to get on his good side, talk to him about your travels, your photos, etc. . . .

MRS. CHARLOTTE MILAM is the name of one of our capable art teachers. In her classes, she tries to get the students to think of original creative ideas, and she tries to make her students feel that they are capable of expressing themselves and to enjoy the process of learning new techniques. Mrs. Milam, an associate of Agape club, likes traveling, gardening, cooking, and riding motorcycles with her husband, as well as her interests in art.

Dedicating his musical talents to Warren High is our new band director **MR. RICHARD NAYLOR.** He goes into in-depth analysis of music, and keeps the band together with small group rehearsals. Mr. Naylor is in charge of three groups: Band, Chorus, and Jazz Band. His hobbies, are literature and fine arts.

in every area their expertise guides us

MRS. MICHELLE ORSINGER is our campus "Mystery Woman" as she evades our cameramen often—so well in fact, that we lack her picture once again. Nevertheless, she is an interesting lady who enjoys teaching any subject which involves literature or reading.

MR. DAVID PATTERSON, who doubles as Varsity Baseball and asst. Varsity Football coach, enjoys teaching PE, as his external loves and external passions in these SPORTS. He tries to further his students interest in this by keeping them happy and healthful through different physical activities with a learning environment.

MS. CAROLYN PARSON is dedicated to "trying to stay a half a step ahead before getting two steps behind", a philosophy which applies to life as easily as her favorite subject, tennis. In life we can never afford to get behind, and in a competitive sport like tennis one never wants to be caught 40-love. Novelty class tournaments seem to keep her students interested. After several successful years as Drill Team Advisor, Ms. Parsons is devoting her time to her regular Phys. Ed. routine, which is strenuous enough.

MRS. MOURINE PEAKE has special hobbies that are closely related to her subject area as well as to further it. She writes educational filmstrips for publication, two sets which are currently being used in the classroom across the country. English, at any grade level, is her favorite subject, where she tries to peak her students interest by bringing in sidelights on themes being studied. Even though on y here for one semester, she has tried to help students relate their school experiences to the outside world.

MRS. DOLORIS PERRETTA'S favorite subject to teach is American History, especially AP History. To keep her students interested in their work Mrs. Perretta enlists the help of an overhead projector and worksheets. Mrs. Perretta fills her spare time by playing golf and bridge.

MRS. MAR-SUE RATZKE holds the position of both teacher and student. In teaching, she is one of the top in business and secretarial training classes. Her objective is to get the students involved and enjoy the work. As a masters' student, between all her studies she likes to rollerskate and sew, if the chance occurs.

MR. WILLIAM REINKE is in charge of an important department at Warren; Graphic Arts. Through his teaching of the skills and techniques of this industrial art his students have produced many products. His hobbie is most profitable as he owns a print shop.

Chemistry is not the easiest subject to teach, but it is **MR. LAURANCE RICE'S** favorite as he not only likes the subject but enjoys the students who accept the challenges. He uses a variety of teaching methods to make a difficult subject alive and meaningful. The "Hands On" approach of the lab is backed up by the use of demonstrations, discussions, Audio visuals as well as the use of a thematic approach. On campus he sponsors Mortor and Pestle, a science service club. In his spare time he along with his wife (our Ms. K.) own, raise and train irish Wolfhounds for shows and lure courses.

MRS. RHONDA RHODE has brought her Home Economics skills to Warren in this, her first year here. Her favorite of her classes is the Single Living course which actually goes through the basics of living alone, such as; finding an apartment, opening a checking account, and getting a job. Also something new for her is becoming advisor for both Drill Team and Tall Flag. In her moments of relaxing, she sews.

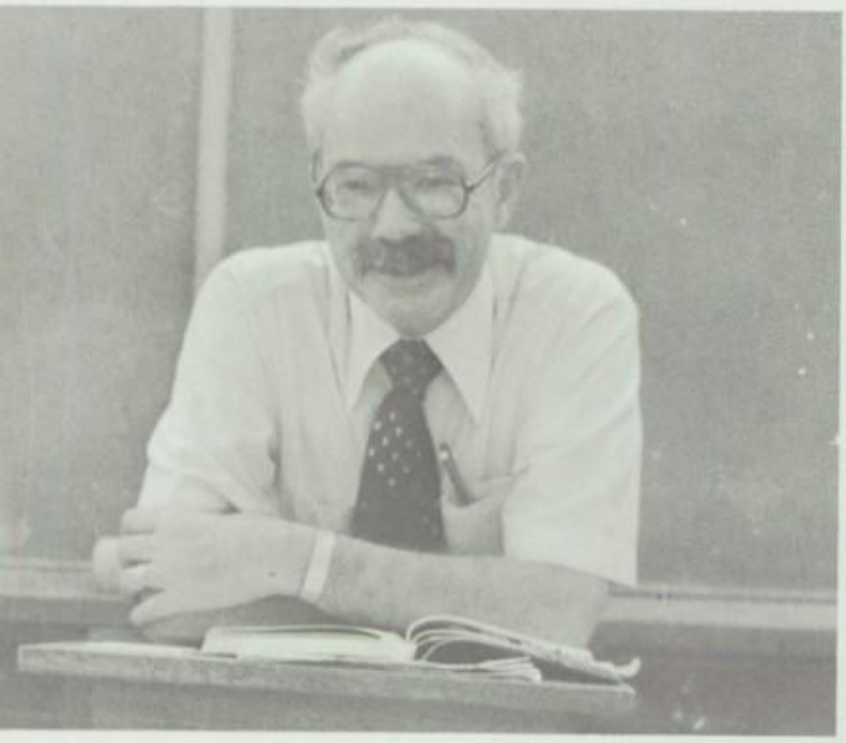
MR. "DOC" RODGERS has most of his class' classwork done in class, with few homework assignments. His favorite subject to teach is Science, and does many class lectures as well as using the overhead projector.

MR. RONALD ROTHERY is probably one of the more "infamous" teachers on campus. His Spanish classes are filled with countless lectures to complete, along with sports talks and his sometimes right "Fearless Forecast." Mr. Rothery is also well-known amongst all students for his other position of "keeper of the zoo", or, more commonly known as detention. To unwind, He bowls and sings with a choir for relaxation.

MR. RON RICHARDSON is known both in the classroom and on the field. He serves as one of our J.V. football coaches as well as an American History teacher, both which he enjoys. Mr. Richardson emphasizes greatly on grades and also uses special projects like historical newspapers and stock Market reports. Skiing and fresh-water fishing are some of the hobbies he partakes in during his spare time.

MR. HARRY SCHMIDT'S favorite subject to teach is Biology. He keeps busy in his homelife with Rugby and other sports. In the class room he assigns labs and gives lectures. He is in charge of the Varsity Club, Varsity football team and weightlifting.

MS. JEAN SEELEY'S favorite subject to teach is Ancient Civilizations, European nations, and any history. Her technique is not just reading and answering the questions, but adds variety. Her special hobbies are coin collecting and weaving.



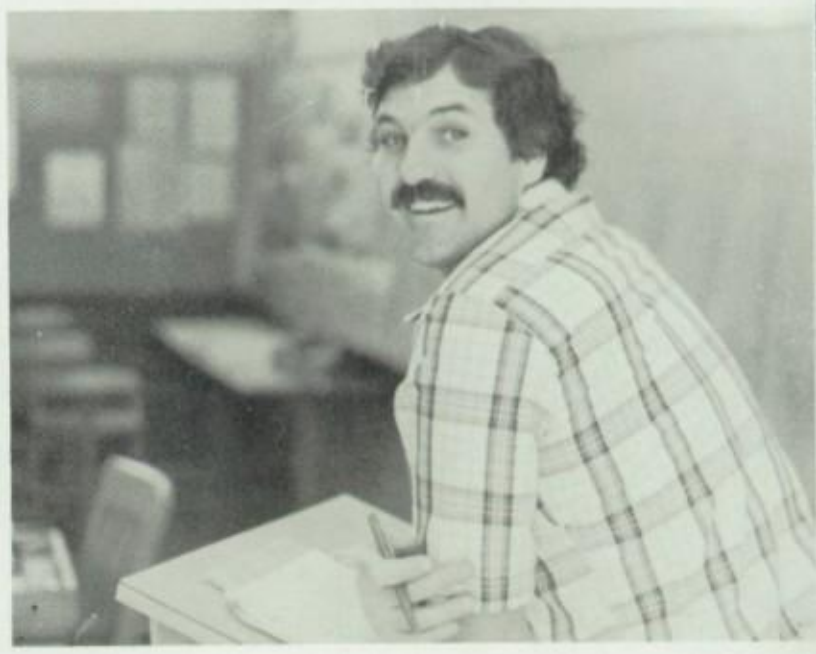
MR. WILLIAM SHEWAN'S favorite subject to teach is English at any level. To keep his students interested in their class work, he stays short of threats. To be involved as a Warren Bear he is the Co-sponsor of freshman C.S.F. His hobbies include golf and writing.

MS. DOROTHY SIMMS teaching best this year Career Education. She likes to interest her students with effort to teach them opportunities that they might experience during and after graduation. They include, job applications, resumes and job interviews. She is a member of WASC team and likes to travel.

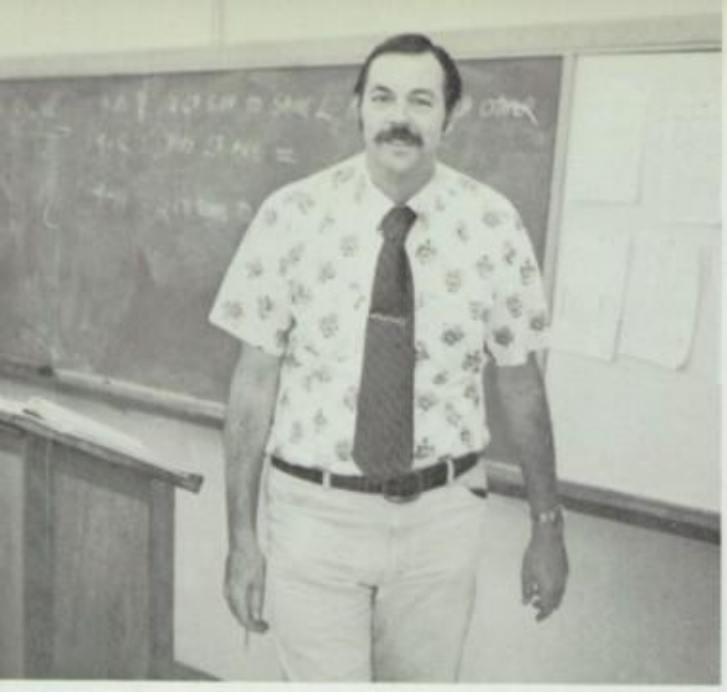
MRS. SHARON SIMONIAN reaches in the English department, English being her first love, and she enjoys Public Speaking the most as it gives students an opportunity to learn from each other and develop their self-confidence. She is the Les Fideles advisor, and enjoys playing classical piano, and writing poetry as well as speaking before groups.

MRS. BONNIE SMITH's video-tech and Mass Media classes are extremely popular, as she brings to them a wealth of background in the field of screen acting and production. One technique that is successfully used in these classes to motivate students is roll playing a technique which is furthered and perfected in her Media Academy productions where her club's members will actually produce and portray an entire production. In her spare time, she enjoys the wide and diverse field of criminology.

MR. THOMAS STONER is a talented artist who is devoted to helping students learn that although art is not for everyone, everyone can enjoy some aspect of art. To that end he shares his time and his art with students and faculty alike working many extra hours to provide program covers, signs for games, window decorations, etc. In addition, he coaches the Girls' Varsity Volleyball team—this year to C.I.F. contention. And, in off time he owns and shows his Saluki, Moza.



MR. ROBERT SPEIGHTS coaches frosh football and golf along with teaching Great Constitutional Issues, a class which is popular among students. He takes the hard line approach to interest his students in their work, saying that they will definitely fail if they don't do their work—this works he says, 85% of the time. In his spare time recently he is experiencing the world of fatherhood, always a full time effort.



MR. BUCK TAYLOR, in addition to his teaching, keeps the entire Athletic program together. His favorite subject to teach is Plane Geometry. Mr. Taylor schedules all boys and girls activities. Obviously, his hobbies are active; including surfing and officiating.

MRS. VIRGINIA THOMAS tries to make Physical Education to make Physical Education fun for everyone as she enjoys teaching her speciliy Phys. Ed. She attempts to be fair to everyone. A spirit which extends itself into Agape, the club she helps to sponsor on campus. Church, travel, and music are important to her as well as her special friends her dog Dusty and her cat Amber.

Coming to Warren this year from Griffith Middle School, **MRS. EILEEN WANNET,** teaching her favorite subject: math. Away from multiplication tables and Quadratic Formulas, she enjoys spending time with her family and collecting odds and ends such as antique chemical jars, sea shells and china. Also leading lady of Math Club.

MR. VERN WELLINGTON is a six year veteran of Warren Highs faculty most of the time teaching English. When asked what he does to interest his students, he relied, "Yell at them!" But when not yelling at students he enjoys fishing and hunting.

MISS JEAN WHITCHER is an all around English Teacher, teaching Intermediate Composition, Shakespeare, Poetry, etc. She keeps her classes alive by her great sense of humor as well as verbal illustrations and other visual aides. This year is the first year since 1957 that Miss Whitcher has not been in charge of any clubs on campus. In her spare time she likes to needle point.

MR. NORMAN WIENER'S classes are educational and interesting to learn a language. Senior Weiner knows Spanish is important. In his Shakespear class, Mr. Wiener is also, a Co-sponsor of the Spanish Club. He loves to travel.

MR. HENRY WITHERSPOON'S favorite subject to teach is mathematics. Trying to make his classes as practicable as possible, he keeps his students interested and encourages them to join his Math Club. In his spare time away from school he likes to play golf.

MR. DONALD WRIGHT'S favorite subject is to reach Algebra II. To keep his students in line he threatens them with failure suggestions. He loves to go bird hunting and camping on his spare time.

MR. JAY YOUNG is a Varsity Baskerball coach as well as being a Driver Education reacher, which is his favorite subject to reach. He encourages his students to be good, safe drivers. Waterskiing, snowskiing and competitive bridge are his hobbies.

OUR FRIEND, RUTH RAVENSCRAFT

Whatever I might place upon this page concerning our longtime friend and witnessed that keen mind, dry humor and absolute devotion to cultivation of young minds.

That stern mask she often wore rarely hid her love of and devotion to those to whom she dedicated her life. She gave a special meaning to the word "teacher" . . . and so it is for these compelling reasons that so many among us, of all ages, shall always carry a special affection for this lady who walked among us with uncommon dignity.

It remains now that we should hold her in our hearts as we pray Almighty God holds her in the blessings of eternity.

Thomas H. Robinson

"This One's For You," Ruthie

Ruth Ravenscraft has been described as one of the "most memorable events" in at least one student's life on a recent survey of the Class of 1980—but we are sure that she is a memorable event for many.

She had standards of excellence as a teacher that did not change with the times. In over two decades of service in that capacity she established for students a clear example of what she expected of them. From her first year here at Warren, 1957-58, until last June (her illness prevented her from returning this fall) excellence was what she expected each student to strive for. Always recognizing students' varying abilities, she was able to tap their individual resources and pull from them the best that they could give.

One of her well remembered phrases was that students were not expected to like her, they were expected to learn from her—and as a result they did both. For although few ever had the courage to address her as anything but Miss Ravenscraft, when students were overheard talking about "Ruthie," we all knew who they meant.

ADMINISTRATION

Administrators and Counselors

provide supportive services

to Faculty and students.

MR. THOMAS H. ROBINSON Principal of Warren High School since October of 1971 left Warren January 25th to become Principal of Poway High School in the San Diego area. Although he held the "track record" for having been principal of Warren longer than anyone else, he felt it was time to move on. "I don't feel it is healthy for people in a position of power to stay too long in one job . . . I think a change is healthy for me and the school." But he knew that he would miss us, "I don't think there is a finer overall high school in the state . . . and I mean academically, the faculty and the attitude of the students. We have all worked together here in friendship" And, "the outstanding faculty, staff, and students have afforded me many fond memories."

Principals come and go,

but their special ability adds . . .

MR. WILLIAM SPRUSTON came to Warren February 4th from Northview High in Covina where he had been Assistant Principal. With a background in Political Science and Sociology, he brought a realistic view of school management and students to Warren. He has found "high school students to be pleasant, polite, and co-operative . . .there are always exceptions, but there are exceptions in every facet of life." "Goals," to him are, "usually long range and involve all of us working together goal would be to make Warren the finest high school in Southern California." Thus, he is set about becoming actively involved in campus life by having an open-door policy, meeting with students at snack and lunch in the Quad and joining enthusiastically in activities.

Mr. Michael Kearns' official position is Administrative Assistant, but most students know him as the Dean of Boys. He is seen here carrying out one of his many duties-surveillance.

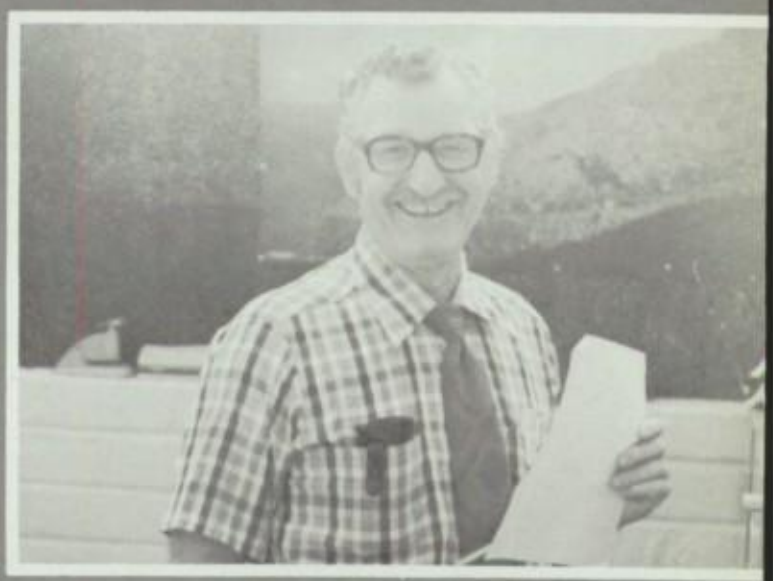
Miss Rebecca Saffel, like Mr. Kearns, is an Administrative Assistant and "Dean". While many girls (and boys) on campus fear the sound of her cart buzzing through the hall, many, many more have learned to respect her and be grateful for her support.

Mr. Simenek, an Assistant Principal is always Willing to lend a helping hand.

Mrs. Shuck, whose "official" title is "Assistant Principal in charge of Guidance and Counseling," always has a smile.

Mrs. Costa helps students succeed through sound advice.

Mr. Blew's job is to listen to our problems all day long, and steer us to blue skies—or at least a way to succeed in class.



Mrs. Holz doubles as counselor and scholarship counselor.

Mr. Bell makes you feel welcome when you go to see him in the Guidance Office.

Mr. Killion, our W.E.E.P. or work experience counselor, helps us find jobs

STAFF:

Helpful people make a school special through their sometimes un-noticed efforts.

The school nurse, Barbara Vanderloske aides those students who aren't feeling well.

Always willing to help find a book is the Librarian, Janet Nichols.

The attendence ladies Florence Antrium, Judy Everhart, Phyllis Benson, and Noela Saltzman keep track of where we are when we should be and when we shouldn't.

Lynn Reese lends a helping hand to Doc Rogers and the O.H. students.

Ann Williams is one of the helpful E.H. instructional aides.

Our library, offices, and grounds all need these people.

Ida Son, Helen Tanquary, and Lil Wegter keep the administrators and front office running smoothly.

Jack Wilson gave us many years of helpful service in school maintenance before transferring to the District.

Keeping track of the counselors and the Guidance Office is Par Williams, Sharon Olsen, and Pauline Robinson.

Ron Perez and F. Grant, the utility men, drive through campus while persuing their chores.

because their world
is undeniably ours.

Our Cafeteria Workers always find time to feed our hungry bodies while keeping to a demanding schedule.

Helping girls in the gym is Diane Allison.

Speirs Wilson supported the boys athletics and helped them in the gym.

The Campus Aids, Sue Kessler, Janet Cortez, and Bob Termme always keep students out of the halls and in class.

Smiling for the camera is our pool attendent Gary Polhill who can often be seen running around campus while coaching cross country hopefuls.

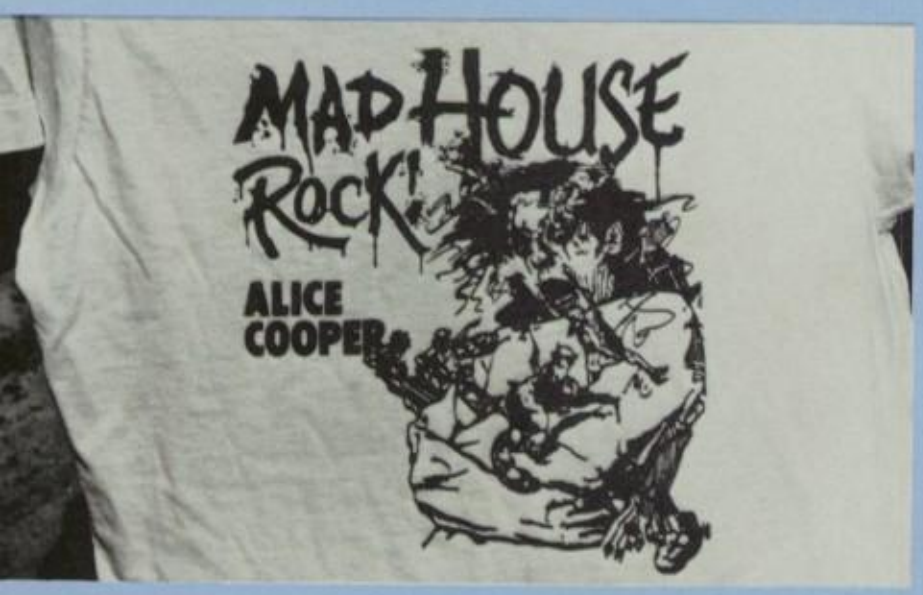
ART

Images are created by students at Warren that are more than just art work.

MARY CHU designs a free hand drawing looking into a merropolitan city from her own very special view point.

MR. REINKE, the Graphic Arts teacher, uses this Currier and Ives type print printed by him to demonstrate proper printing technique. Doesn't it just "feel" like Winter?

ALONG WITH the many other projects that Graphic Arts students do for themselves and their school, is this silk-screening of an Alice Cooper image on a tee-shirt provided by Toni Palamares.

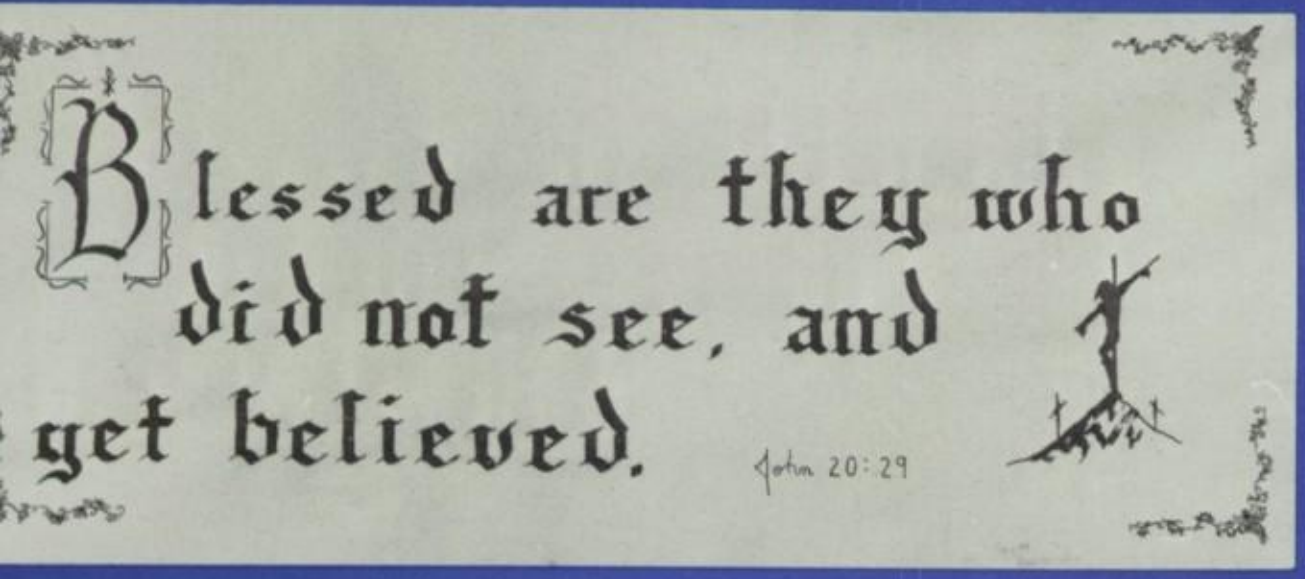


LINOLEUM CARVING, above, causes an image to see, different but yet symbolizes the same thing. This tiger's image was created by Mr. Stoner.

THROUGH CREATIVITY, top right, Scott Bohlender takes a passage from the Bible and creates a new affect through art.

NATURE TAKES a variety of shapes and forms. It is expressed by scratchboard, far right, and is formed into a picture of an owl. This piece of scratchboard was done by Denise Clark.

A SNARLING WILDCAT'S image is created through the artform of scratchboard, center right, by Franca Labate.



MORE ART

Graphic Arts are an important part of Warren High.

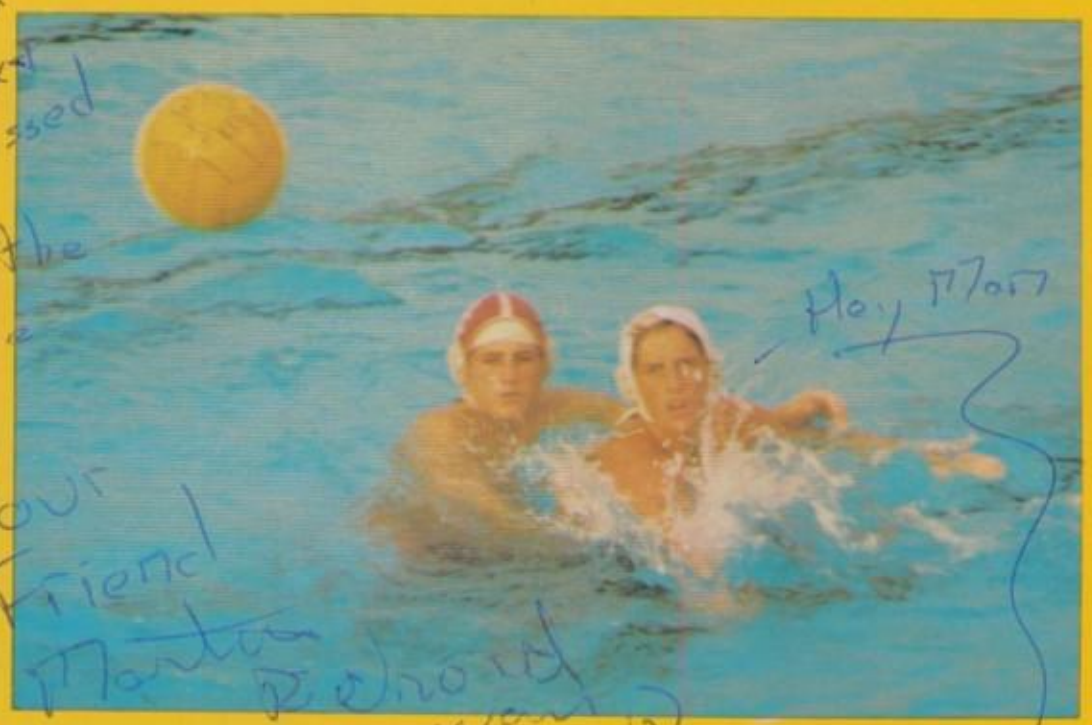
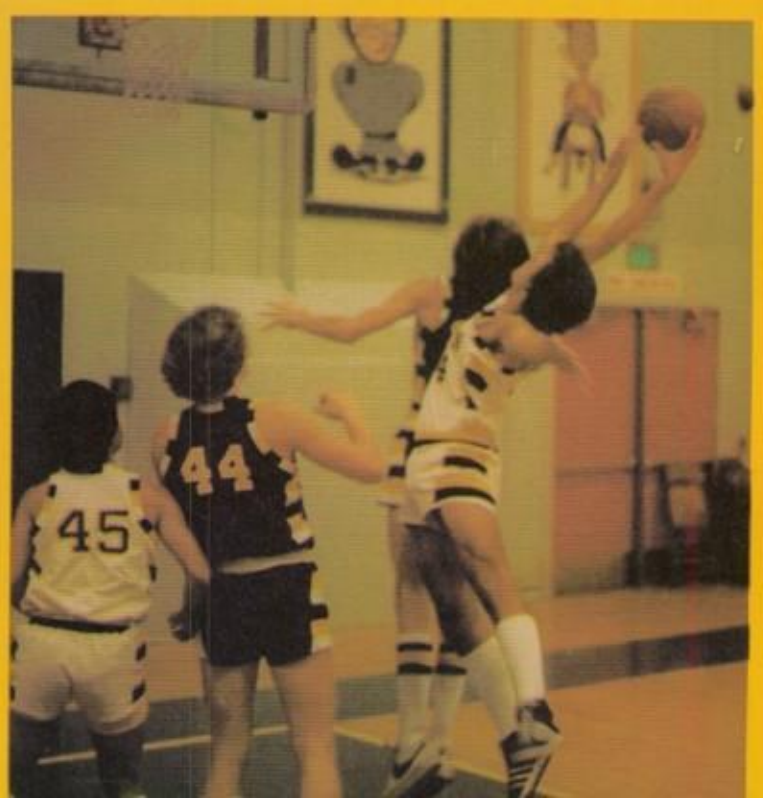
SPORTS ARE A big part of the experience that we all live called High School. What would we all do on Friday nights if we didn't have a Football or Basketball game to go to?

And Sports give many of Warren's student athletes something to make school worthwhile. If we didn't have sports, school would just be class after class with no relief, resulting in a lot more negative feelings toward it. But games like the Downey vs. Warren rivalry, not just in Football, but in every sport, generate a lot of school spirit, as well as school pride when we win.

When you look back on your High School days in the future, sports will probably be a big part of those remembrances. And so, in this section, we will cover this year in sports to help you relive one of the biggest parts of High School—Sports.





Football

The bears opened the San Gabriel Valley League season with their big victory over Lynwood. The game was a battle of defenses as the Bears scored a 13 8 win over the Knights. Unfortunately the Bears victory cost Warren quarterback Mark McNabb, after he made a 55 yard pass to Robbie Lyell to build Warrens lead 13 8, an injury. On the final play of the game, Jeff Welch knocked the ball loose from Lynwood about the 10 yardline. Scott McClure who was quarterback after McNabb was injured, hit Howard Hawkins over the middle for 22 yards. Jon Ridley had a big interceprion. Mike Wiltowski had a fumble recovery. Jeff Welch had eight tackles in his first start at end.

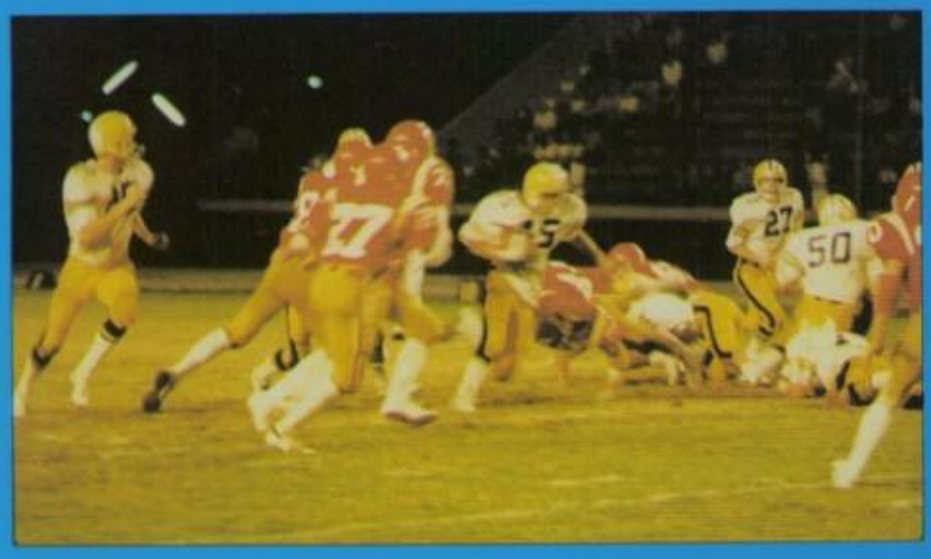
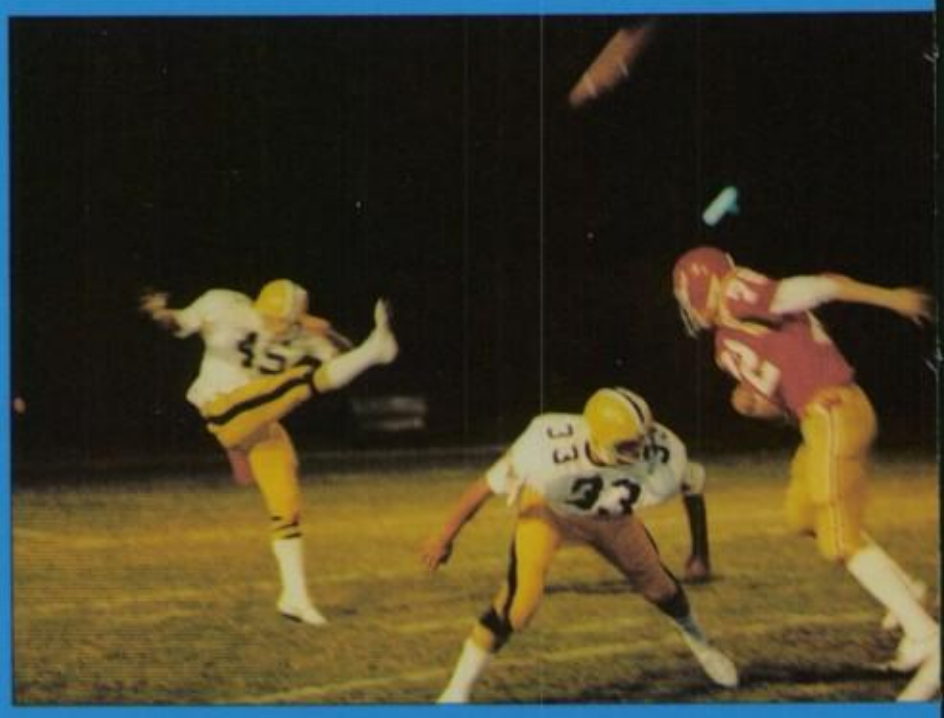
Warren





Chalk up another victory in the history of Warren vs. Downey, 13-7.

In a game that was to be challenging for both sides, our grilling Warren football players made Downey's hopes turn out to be the all-too-familiar story of defeat. Against us, the Vikes outplayed us 7-0 in the 1st half. But in the end, the Bears came out victorious once again.

The win put Warren in control for another San Gabriel Valley League title with a 4-0 conference mark. The Vikings who fought hard but not hard enough, ended up with a 3-1 record for their efforts.

With running backs Robbie Lyell and George Heer attacking the left side, Warren took the second half kick off down field and scored with just over three minutes elapsed. Then Mark McNabb passed 8 yards to Jeff Welch which brought us to 7-7. Scott McClure then charged the Vikes to break the tie and bring us our win, and the fantastic 13-7 score.

The Varsity Cross Country team, led by Seniors Greg Henkle and Ken Tuft went undefeated throughout the entire season. It was a very young team with only two Seniors, two Sophomores, and three Freshmen. They were first in the San Gabriel Valley League. It was the best Varsity Cross Country Season in four years and they went to C.I.F. The top opponents were Gahr and Downey.

Led by Mike Sertic and Durrel Jackson, the J.V. Cross Country Team went, for the first time in Warrens' history, undefeated.

The Frosh/Soph Cross Country team did the best they possibly could as most of their best runners were moved up to Varsity. Even with this disadvantage, the young runners had a very successful season.

Cross Country

The Varsity waterpolo team went undefeated in the Whitmont League, led by Senior Brian Bailey and Junior Kevin Tatum. They were rated top five in 3A C.I.F. Quickness was the main reason for their great successful season.

The 1980 Varsity golf team went into the season looking very promising this year. The team was led by Sophomore Brad VanHorn, Senior Mike Haworth, and many others. Many matches have been played at Rio-Hondo Country club. The Bears have a strong team and should do well this year.

The J.V. golf team consist of mostly Sophomore members. Despite the lack of matches, they practiced daily for future years of Varsity golf. Beautiful tree lined Rio-Hondo Country club was also where they held most of their matches and practices.

Golf

This year Varsity had a good season starting with ten first places out of ten events against Montebello. Then going on against Long Beach Jordan got eight first places out of ten. Then probably there toughest competition, St. John Bosco, the Bears pulled through with a final score of 91 to 62. Outstanding players of the season for Varsity were Pat Murphy and Tim Mauk.

Frosh Soph had an excellent season being undefeated as of March 24. Winning over Montebello 100 to 40 with outstanding swimmers Gerald Wheller and Chris Wegenger. Their closest game against St. John Bosco, Bears swam to victory 69 67.

The Varsity Wrestling Team has probable Third place finish in the San Gabriel Valley League. Some ourstanding Varsity wrestlers have been Xavier Pezo, Mike Klodt, Ken Cook, Victor Appel, Frank Worden, Rich Fendry and Chris Pacheco. The Varsity bears are young and should have a strong year again next year.

The highlight of the season came in a 45-26 drubbing of cross town rival Downey. This is the first time Warren has beaten Downey in years.

This years young J.V. Wrestling team will be the Champions of the San Gabriel Valley League. Key wrestlers and promising wrestlers for next year are Jimmy Miller, Tony Carnevale and David Magee. These men performed well at the J.V. level as as well as on the Varsity level on occasions.

Soccer has become a popular sport in the past couple of years. Even though the crowds are still small, they have been getting bigger each year. Even though alot of people know nothing about the game. It is a and very demanding sport. People can't believe there is skill in kicking a ball or letting it bounce off your head. Those people are "wrong." There are certains ways and patterns. The players who know them the best and that are very strong in playing become captains. Like this year's co-captain Robert Kiefer and co-captain Mike Shin. Guys are not the only good soccer players. Such as Teresa Vermulan, the first girl in Warren's history to make the team. Even though the team has only been around for three years, next year soccer will become one of Warren's popular sports.

The Bears Varsity Basketball team defeated the La Mirada Matadores in a down to the wire game, 74-75. With 13 seconds remaining and Warren ahead by only 1-point, La Mirada had a chance to pull it out. But a 25 foot jumper missed and Mike Lundgren skyed to grab the rebound as the final seconds ticked off. Leading scorers for Warren were Scott McClure with 19, Jeff Welch with 18, Lundgren with 16, Doug MacKay with 10, Steve Kitsgiannis with 6 and Preston Fountain with 5.

Coach Bob's Cagers Do It Again

The Warren JV's were outstanding this year. The young Bears, with a balance team effort, had an over-all record of 21 wins and only 6 loses. They ended up as San Gabriel Valley League Champs with a record of 11 and 3. Highlights of the season included winning the strong 16 team Bell Gardens Tournament, against Downey JV's, plus key come backs wins against Domiguez, Gahr, Lynwood, and Downey. At one stretch of the season, the fast moving Cubs won 9 straight games. After the first of the year, they grew and matured into young Bears by winning 3 games, over 90 points, and displaying a growling, nailbiting team rogetherness defense.

The team was led by Cary Kutszke in scoring with 446 points and an average of 17 per game. Cary also was key assist man with a JV record of 151. During the year Cary was "All Tournament" in two tournaments.

Paul Lampe was Team Captain and one of the most Valuable Players on the team. He ran his team with superb leadership. In scoring, Paul averaged 13 points per game and 350 points this season. The smooth all around player also led the team in rebounds with 233 average of 8 per game. Free throws he hit at a remarkable 90% clip.

At the other guard position saw the vastly improved, quick, Jim Waters. Jim had 296 points on the season and averaged 11 per game. He also sparkled on defense.

Starting in the other forward spot were Bobby Jones or Kevin (Snake) Sutton, both outstanding boardmen. Both have excellent potential as future Varsity players.

Jerry Wingo also looked well with his fine strong will to succeed. The team was backed by a strong players such as Joe Martinez, John Gleason, Mike Reagan, and Pepi Reynosa.

In summary, the young Bears started the early season, working hard with weightlifting, jumproping and cross country running and a strong will to succeed. This blended into a close, well disciplined highly polished machine, that make them Champions. Congratulations for a job well done. Warren High should be proud of these fine young men.

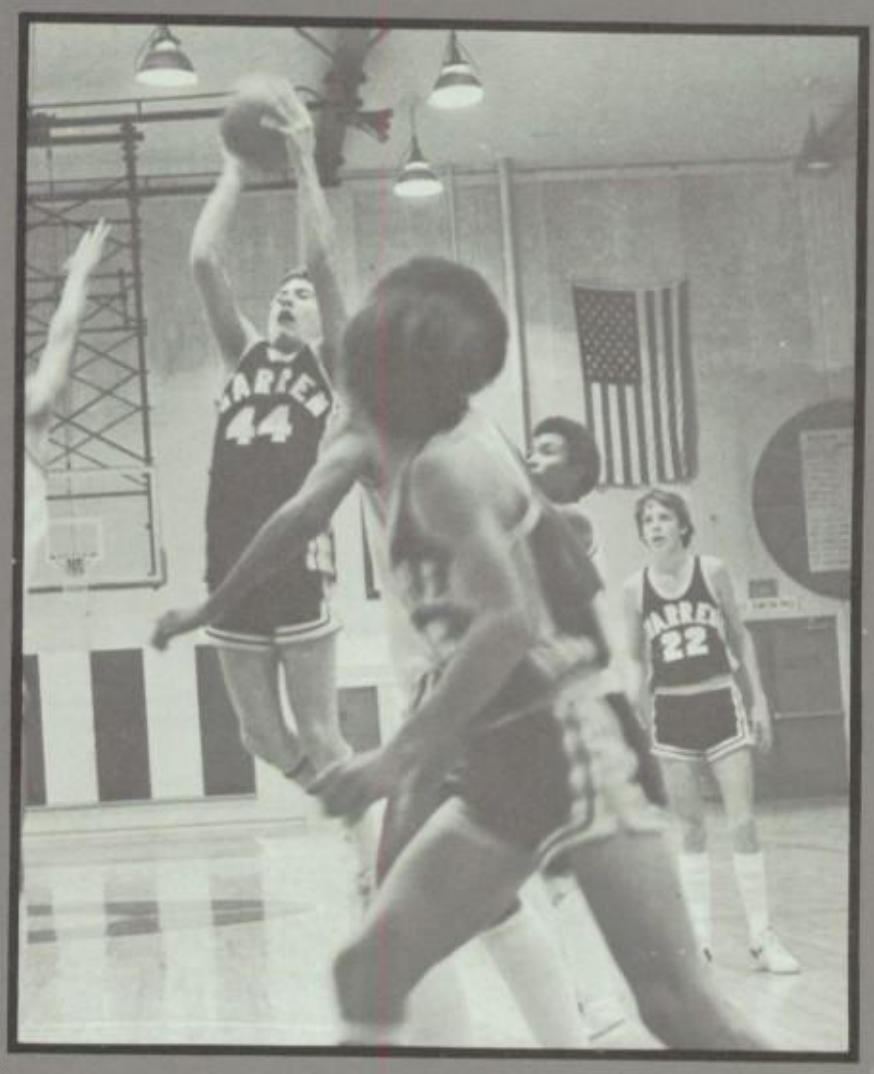
Cubs Became Bears



The Freshman Basketball season was highlighted by the winning of the Neff High School Frosh Tournament. Top scorer was MVP Tim Stewart who averaged 17 points a game. Team captains Don Sabella, averaged 13 points and Steve Lueke averaged 6 points per game. Besides the top scorers, outstanding performances on the floor and also on boards were turned in by Jeff Box, Pat Reagan and Dennis Welch. There was also great help from John Nisbet and Mike Campbell, Lee Coy, Jay Welch, Scott Schimmel, Mark Bliss, and Victor Pak.

The Sophomore Basketball team finished third in league. Outstanding Cub was Caprain Pat Stewart who averaged 13.5 points per game. The other Caprain, Jeff Actkinson, averaged 8 points per game, and did a fine job on defense. Mark Johnson, who was voted MVP, averaged 13 points per game.

Excellent play on the floor was displayed by Ross Vernoy, Scott Miller and Brad Van Horn.

Other players that added to the success were Jon Cockrill, Kevin Warner, Mike Kearns, Denns Patrillo, Richard Heaton, Darrell Smith, Russell Smith, Lee Shepard and Roma Maline.

Congratulations on an excellent season.

This season's Varsity Baseball team looks very impressive. Their preseason ended with a record of 4-1 with Art Valencia tying a school pitching record of 14 strikeouts in one game and Mike Cowan pitching a no hit, no run game. Coach Dave Patterson has assembled a team of virtual unknowns with Dave Steele being the only returning starter from last year's varsity. Helped by catcher Doug Huff, infielders Mark McNabb, and Jeff Brown, outfielders Louie Medina and Scott Duarte, these inexperienced Bears have the potential to do well.

Drake's Dodgers Do It Again

Led by the likes of Vince Orelli, Barry Stewart, Rory Long, Paul Lampe and Jerry Wingo, the J.V. Baseball team in for an outstanding season. As of the printing the J.V. bears were 2-0 in league and 6-1 overall. Jerry Wingo has pitched a no hitter, Mark Wildey, Neil Brown and Paul Lampe lead the in hitting a league title may be in store for the young Bears. Only time will tell.

Early season games have shown that the Frosh Bears are going to be tough to beat in league. Led by outfielders Robert Haworth and Brent Raine, Catcher Alex Vasquez and pitchers Jeff Box and Ron Molina, Warren is in for a good season.

Track

Boys track had some outstanding participants and events this year. Although working with a young team, through encouragement from Steve Hill, they have performed up to the standards of our previous track teams. Looking strong every meet were men such as Preston Fountain, Robbie Lyell, Manuel Rodriguez and Jim Dufton. Track emphasizes on perserverance and this team surely lived up to these things. Captains were Robbie Lyell, Mike Worden, and Preston Fountain.

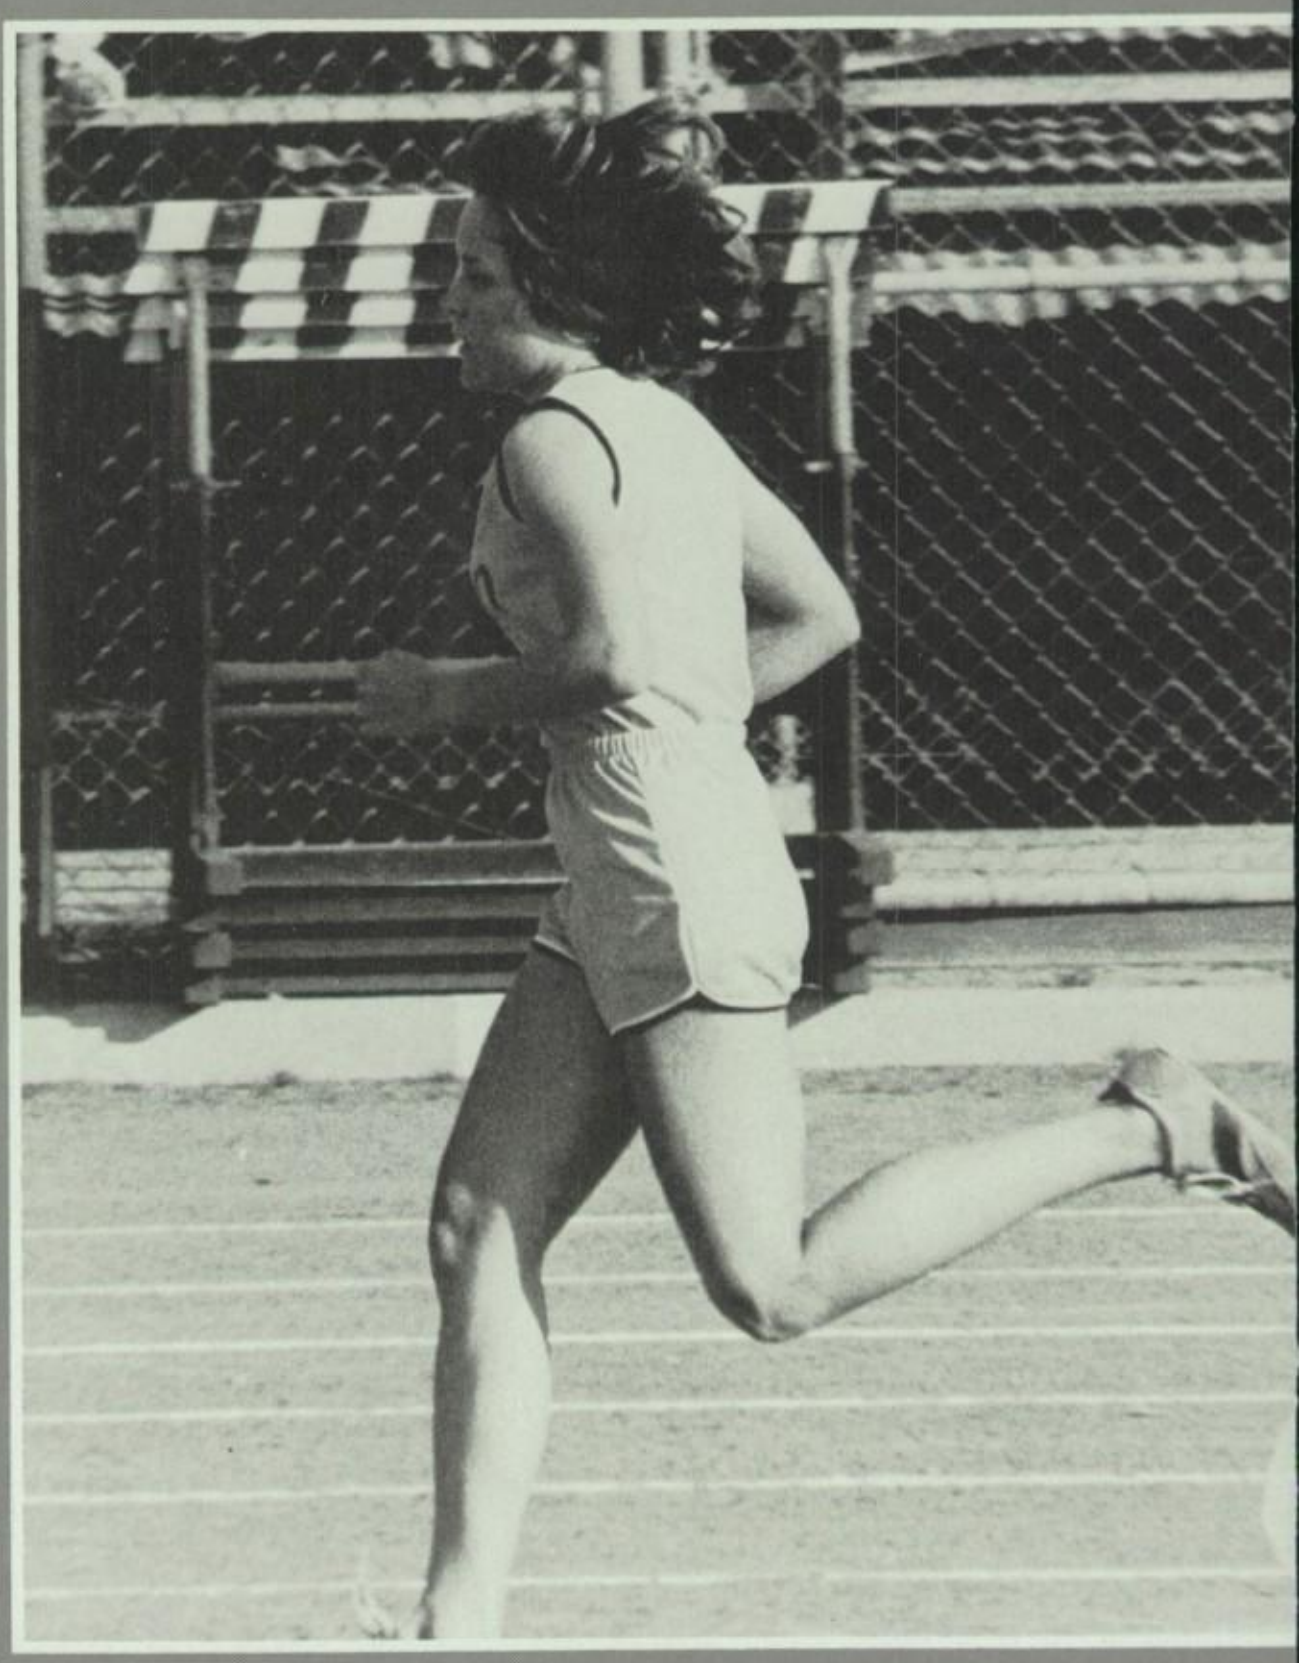
GIRLS' SPORTS

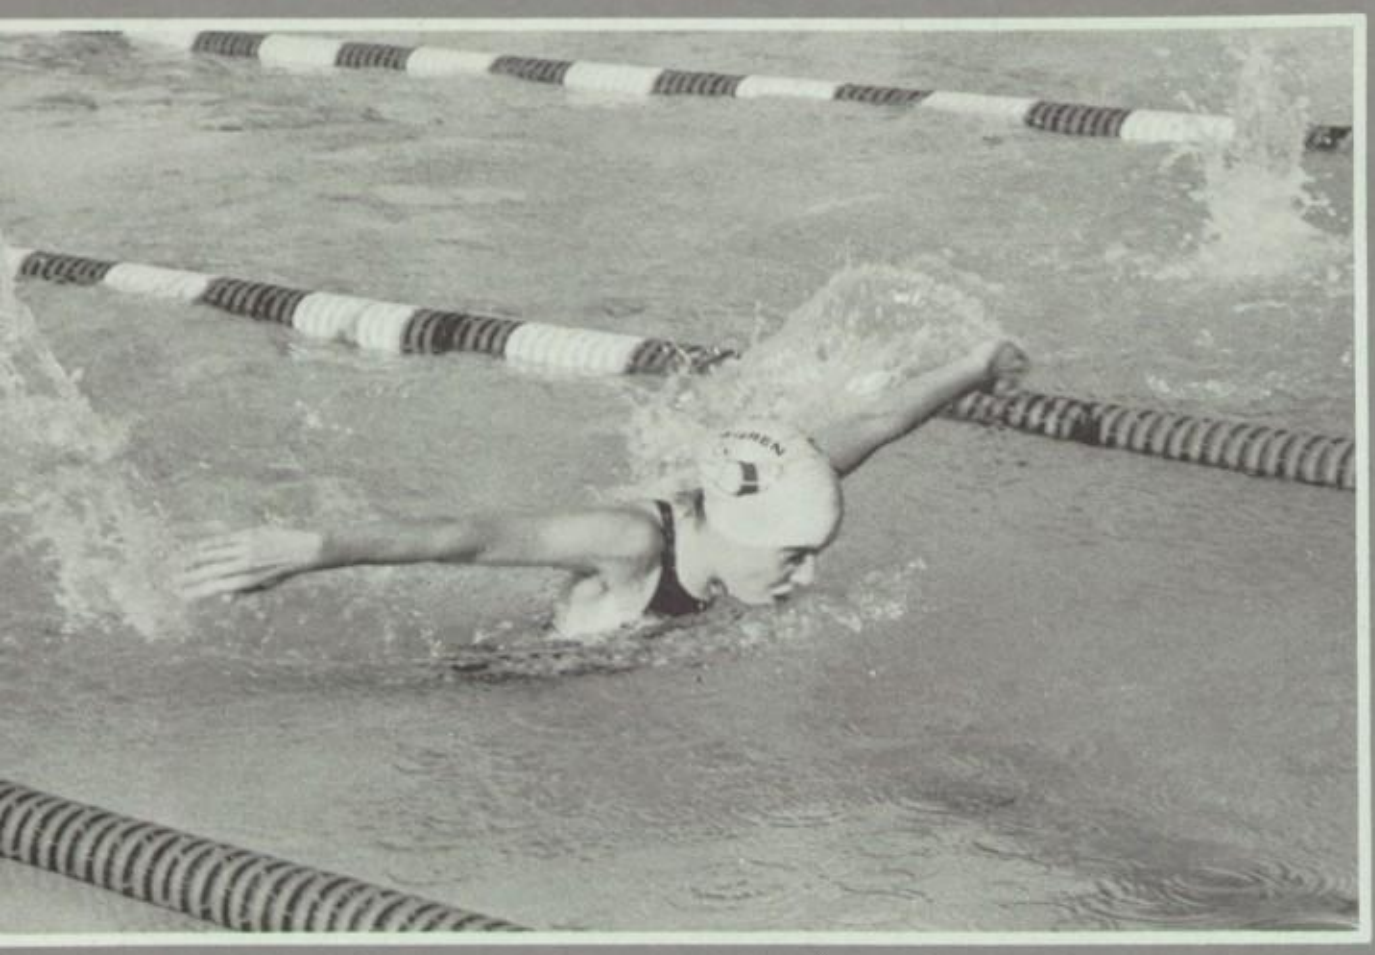
Girls Sports have grown over the past years at Warren. This year we adopted a new team of bears. . . Swimming. Coached by Carol Ingersoll.

Swimming, Softball, Tennis, Track, Cross Country, Basketball, and Volleyball are the sports where the girls have proved that girls sports are just as important as boys, and all teams have done an outstanding job.

Who knows what girls team will come up next year????



Top: Karen Sallenbach puts in her mind and muscle to pull out the win for the Bears. **Bottom:** Sherri Groseman comes up for a breath of air while doing the breast stroke.



SWIM-MING is

the act, practice sport, etc. of a person or animal that swims. (1) that swims (2) of, for, or overflowing with or used in swimming (3) flooded or overflowed with or with water.

This is the first year Warren High had a girls swim team. The young Bears are expected to do well even though they aren't well experienced. The team is led by captains Julie Truesdail and Joanne Immy. Four of the girls are going to C.I.F. for relaying. They are Joane Immy, Sheri Groseman, Julie Truesdale and Rennee Morris. Their record as of March 24 was three wins and one lose.

Top: Joanne Immy shows her form in the Butterfly. **Middle left: Top row:** Lisa Blass, Franchesca Charcos, Deve Krieg, Gidget, Becky Buc, **Bottom row:** Coach Helm, Ana Lopez, Karen Olsen, Vickie Rounds, Dorthy Herlem **Bottom: Top row:** Laticia Cerda, Cheri Inda, Linda Slemar, Coach Carol Ingersoll, Joanne Immy, Sherri Groseman, Julie Trusdail, Kim Smith, Renee Morris, Lisa Jannise **Middle right:** C.I.F. Relays: Joanne Immy, Julie Trusdail, Sherri Groseman, and Renee Morris.

TENNIS is...

Any of various games played by batting a ball back and forth with rackets or paddles; specifically, (a) a game, usually played outdoors, in which players bat a fabric-covered, hollow rubber ball back and forth over and stretched across a specially prepared court of turf, clay, asphalt, etc.; officially called "lawn tennis"; (b) a old indoor game (court tennis), in which players batted a ball back and forth over an embankment or against a wall, originally, with the palms of their hands, later with paddles: modern modifications of this game are racquets, squash, handball, etc. . . .

The Girls Varsity Tennis team placed fourth in League. They won four out of ten games. Most Valuable Player was given to Christie Main and Lisa Janisse was Most Improved.

The J.V. Tennis Team placed second in League. With Sonja Meyers getting Most Valuable Player and Kathy Kriskvoic getting Most Improved.

Top left: Top row: Coach JoAnn Espinosa, Dana Smith, Christie Main, Judy Lancaster, Denise Weitzel, **Middle row:** Monica Chi, Barbara Coak, Diana Pemberton, **Sitting:** Michele Santa Cruz and Karen daSilva

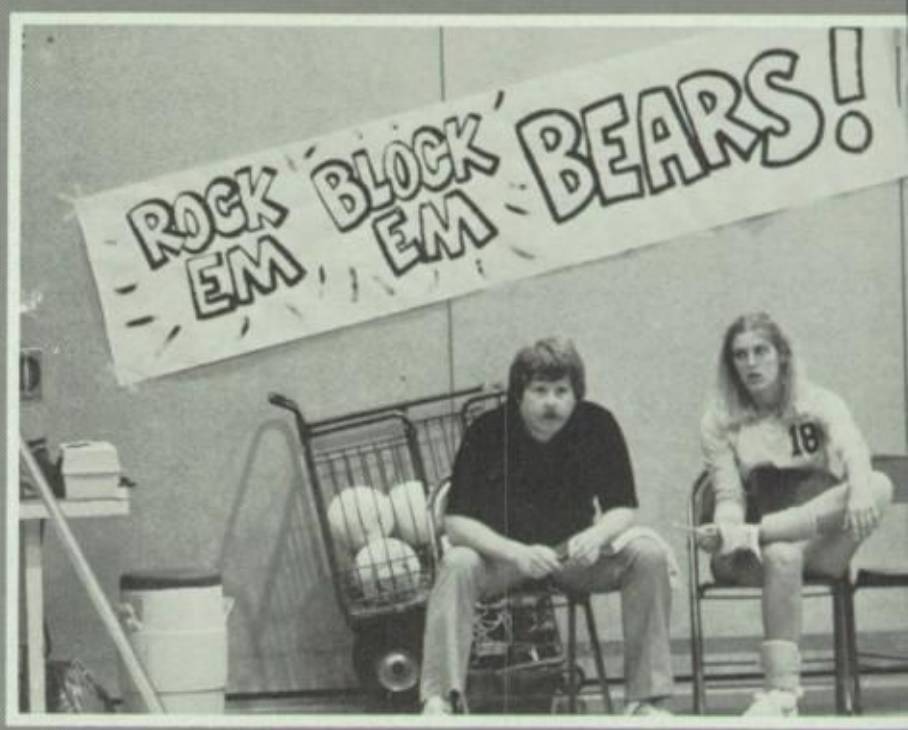
Opposite Left: Denise Weitzel attempts to put a smashing first serve into her opponents court.

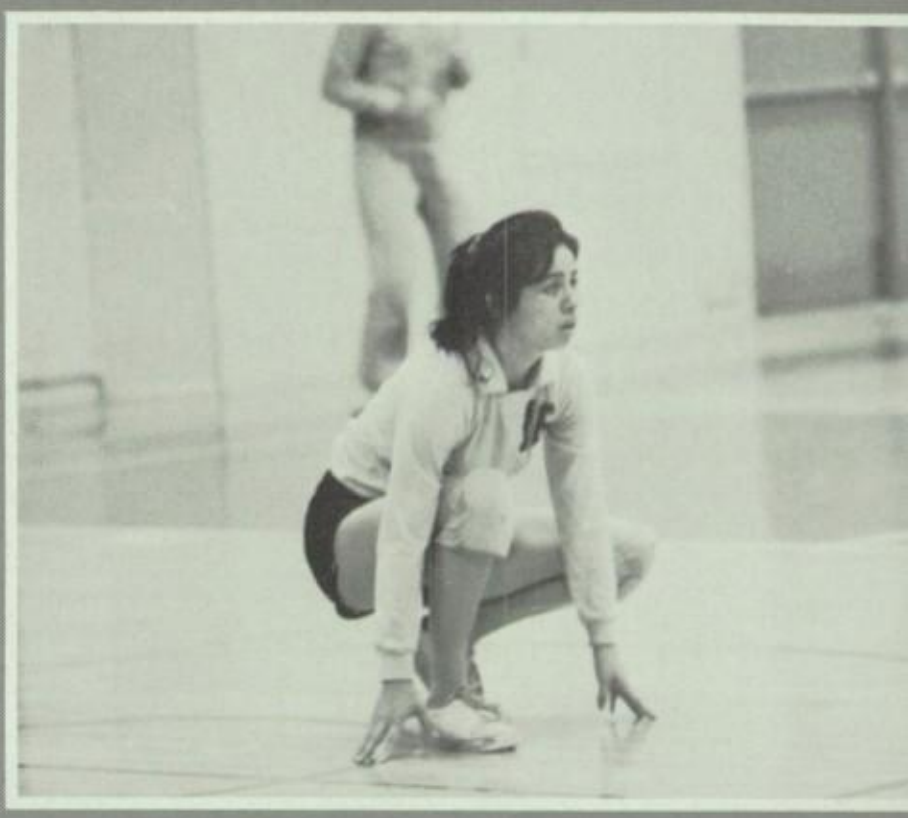
Opposite middle: Demonstrating their doubles strategy are Denise Weitzel and Monica Chi.

Top right: Dana Smith shows deep concentration in a backhand return.

VOLLEY-BALL is...

a game played on a court by two teams who hit a large, light, inflated ball back and forth over a high net with the hands, each team trying to return the ball before it touches the ground.





Our girls J.V. Volleyball team won the San Gabriel Valley League again this year. The team won all of their 14 matches. They also won 3 pre-season matches, thus making them 17-0 for season. Priscilla Benjamin was captain with Teresa Marey being co-captain. Also Krystyna Kieniewicz was Most Valuable Player and Pam Winokur was Most Improved.

This years Varsity Volleyball team displayed all the ingredients for a Championship team. In the early going of the season as they posted a 6 and 1 record. The one loss recorded against Gahr went to a third and deciding game in which they got behind early and couldn't come back (9-15).

They ended the 2nd round of play in second place despite a loss to LaMirada (later LaMirada forfeitted the win) and Gahr again.

With a 12-2 record for league, they entered the playoffs on a high note. Their first opponent turned out to be none other than last years 3A CIF Finalist, Santa Anna. Although posting a 19-1 record, Santa Anna was unseated in playoff competition. They played perhaps our most inspired match of the season against Santa Anna. They matched Santa Anna play for play in the games and they out hustled them. The March was won on Santa Anna's serving as they downed them 15-12, 15-12.

At the league's meeting for all league selections, Bev Lidyoff and captain Sheila McErlain were chosen for the first squad All League Team.

Top left: Top: Irena Kieniewicz, Lynn Farrier, Mayna Shubin, Bev Lidyoff, Raylene Reppman, **Bottom:** Paz Wong, Shelia McErlain, Robin Felde.

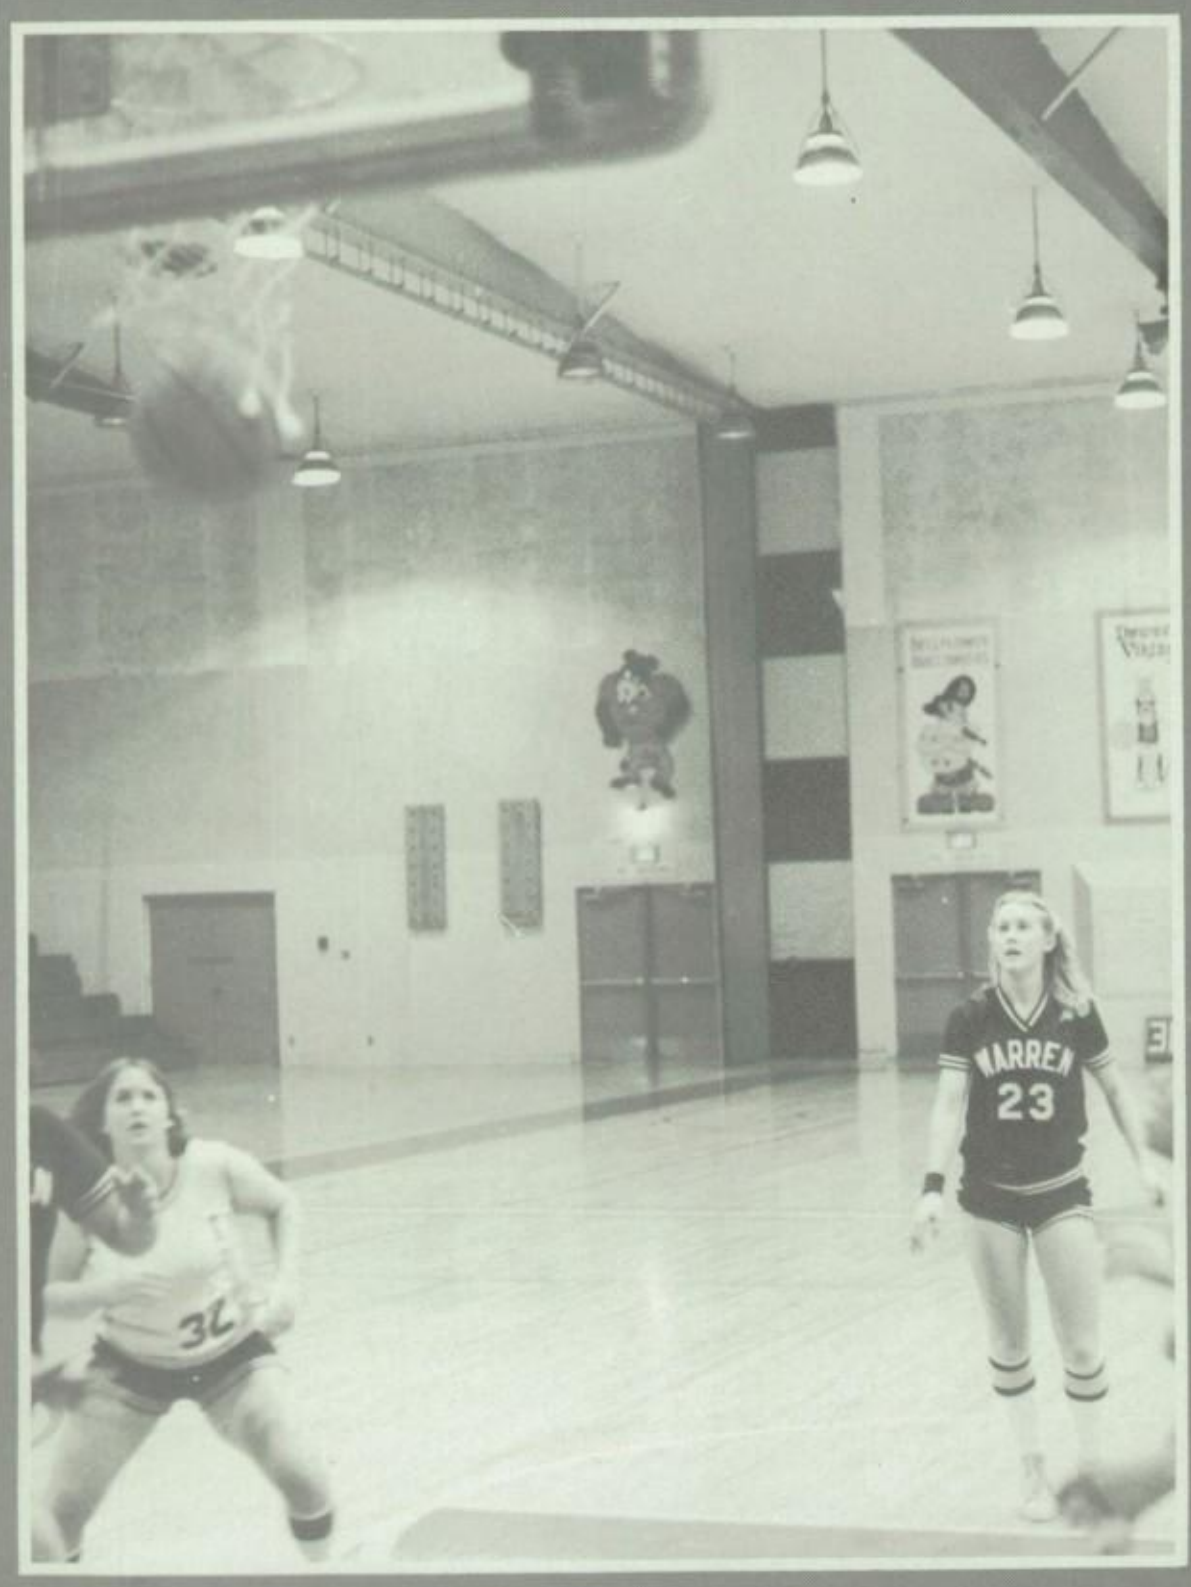
BASKETBALL

is...

a game between two opposing teams of five players each, the object of the play being to toss a large inflated ball into a raised basket, or goal or either of the two opposite ends of the floor area, which is usually zoned.



With four games left in their season, the Varsity Girls Basketball team has fought to a 4-6 record. Some of their outstanding players are Senior Bev Lidyoff, who set a school record by saving 30 points in a game and has a 14 point scoring average. Senior Kathy Susany is second to Bev in both scoring and rebounding. Senior Georgia Beadell, leads the team with 55 assists and 29 steals. Deanna Srubblefield also has 29 steals, and all around hustler Barb Swearingen lead the affluent bears.

CROSS COUNTRY is...

to run, not following a traveled road, necessarily, but pursuing a course.

Top: Back row: Coach Pohill, Julie Rothel, Sharon Chaves, Angela Stewart, Deanna Martin, Chris Hammer, Janette Dunn, Jolen Gibbs, Lori Clarke, Patti Hullings, Joe Davis, Chuck Owens **Middle row:** Joy Nix, Penny Almonza, Michele Scalf, Grace Deshepard, Jane Nix, Leslie Davis, Nancy Watts, Michelle Namescu, Renee Scalf, **Front row:** Carolyn MacErlain, Deanna Appel, Martha Reynoso, Linda Ban, Sheri Mirchum, Kathy Stanley, Karren Sallenbach **Left:** Martha Reynoso, Individual League Champ is ahead of the pack. **Middle:** Renee Scalf and Linda Ban set a good pace. **Right:** Karen Sallenbach shows how she can pour it on.

The girls Cross Country team placed in league with one narrow loss to Downey. Martha Reynoso, an excellent runner was Individual League Champion. Other outstanding runners were Leslie Davis, Linda Ban, Kathy Samley, Karen Sallenbach and Jane Nix.

TRACK is

The Girls track team proved to be the best team yet. These girls competed hard every meet and in turn came out ahead. Coach Hill worked with the girls to help them beat tough teams such as Gahr. Top runners this year were Lisa Usher, Tammy Bridges, Teri Kearns, Leslie Davis, Penny Alamama, Karen Sallenbach, and Grace DeSchepper. The Captains of this team were Leslie Davis, Kathy Stanley and Linda Ban.

Other coaches for the track team are Ron Richardson, Chuck Owens, Barry Haworth, Joe Davis, and Gary Polhill, as well as support from the track managers Jennifer Stallcup, Laurie Vernoy, and Doreen Park, whose ability to add scores amazed the coaches.

Top: Top row: Coach Polhill, Chuck Owens, Coach Hill, Coach Joe Davis, Coach Ron Richardson **Fourth row:** Coach Haworth, Jennifer Stalcup, Deanna Delzer, Michele Flicker, Lori Clark, Jannette Dunn, Stacey Kennedy, Jane Nix, Doreen Park **Third row:** Angie Stewart, Leslie Davis, Sharen Chevez, Barbara Manely, Kathy Stanley, Grace Deshpard, Penny Almanzo, Sharon Young, **Second row:** Debbie Welch, Diane Wadum, Linda Bann, Michele Naumescue, Tammy Bridges, Deanna Appell, Lisa Usher, **First row:** Sherry Mitchum, Dianca Ceruantes, Terry Kearns, Kelly Contesorro, Karen Sallenbach, Martha Reynosa **Bottom Left:** Karen Pauley lands in the pit after making her jump in the long jump. **Below:** Linda Ban and Karen Sallenbach run stride for stride in the girls mile.

SOFTBALL is

The '80 Varsity Softball team is doing better than average as of this writing. Although they went 2-2 in preseason, losing a closely contested game to Santa Fe in the tenth inning, they are 2 and 1 in league, defeating Lynwood and Gahr and losing to La Mirada, 1-0. This year's starters include '79 All League and All-CIF pitcher, 78 All League Pitcher and All League Catcher, Deanna Stubblefield. Also helping out the team are Dee Dee Spencer, '78 MVP as a pitcher, and second team All Leaguers Susie Garcia and Kathy Susany. Other starters are Bev Lidyoff, Robin Felde, Raylene Reppman and Patti Swenson.

Top: Freshman Lori Luce fires the ball towards the defenseless batter. **Opposite top left:** J.V. player Maria Dominguez, slides home, determined to score for the Bears. **Opposite top right:** After fielding the grounder, Susie Garcia throws to first base to nail the runner. **Opposite bottom:** Varsity pitcher Dee Dee Spencer reaches back and fires a fastball. **Bottom left: Back row:** Kathy Kristovich, Robin Feide, Raylene Repprnan, Kathleen Suzanne, Bev Lidyaff, Kathy Sak, Christie Maine, Coach Sally Carmen, **Front row:** Tammy Welch, Tammy Tanner, Stephine Welsh, Deanna Stubblefield, Dee Dee Spencer, Susie Garcia, Patty Swenson, Nayda Lidyoff **Bottom right: back row:** Maureen Kearns; Pattie Webb, Lisa Piper, Sherry Olinger, Deanna Bohany, Debbie Jendro, Coach Laurie Casanova, Maria Dominguez, Lori Luce, Maureen Slater, Denise Weitzel, Judy Lancaster. **Front:** Alisa Evans, Carmen Edmonds, Kris Felix, Nancy Ambroff, Sherry Knox, Jo Maria Flores

UNDERCLASSMEN

AS EACH UNDERCLASS forms on campus, they find themselves holding a different part of the many worlds at Warren.

Freshmen find high school a challenge, a year of time to reach a goal. There is nervousness and anxiety at first, but soon the fun and excitement come through. We sit with old friends and make new ones, we reminisce of the past, and create a memory for the future. This is our start, we're on our way.

As Sophomores we become more comfortable with the high school lifestyle. Our worlds become more involved, both in and out of school. With a drivers license we get freedom, with being older we get respect. Sophomore year - two down, two more to go.

Juniors - We come closer as a class, together we'll all make it. Our spirit climbs, as do our dreams. We're separate from Seniors - too old, apart from the other underclassmen - too young. As Juniors we live in many worlds, experiencing, discovering, growing. Tomorrow we become closer to our graduation goal.

The underclass, such a large part of Warren High; they are a beginning and middle. Combined with the many faces and happenings, each create their own world.

Sandi Warner, Stacy Perumean, and Leslie Carter show great friendship between classes.

WE DID IT!! We had a year of worries and frights along with the joys of seeking out what High school is all about. It was a year of learning who we are, which didn't take long after hearing "look at the little Freshman" all the time, or "you must be a Freshman, right?!"

There was so much more action. We wanted to do it all, but because we felt so all alone, we tried our best to join in the confusion. That in itself will be a memorable experience. It gave us a chance to meet the needs of new and greater friendships. And our year to come will bring us even more...

There is just one question in mind, do we ever reach the top? If not, it gives us a chance to never stop.

Kim Riddle stands and wonders if she'll have as much fun next year as she did this year.

So now we can be known as the little Freshmen who are Sophomores. But we were and still are no different from any other class. And, in the year of '83 we'll stand just as the year of '80, maybe even taller than all of them, because it will be us and no-one else.

Melinda Brandon and Georgia Angelopoulos show that a helping shoulder of friendship is always appreciated.

HERE WE ARE again, the start of another year. Last years' Freshmen problems still the same, no big change. We get our license, a cheer for that . . . but the cheer fades away in one year of math. Now we know what's going on, no more walking around with our heads in a daze. One problem that will always be with us is the problem that we had last year. We were known as "little" Freshmen, now we are known as "LITTLE" Sophomores! Will we always be known as Little?

HERE WE ARE as Juniors. We've come a long way and are proud of it. We still have many challenges to face and some obstacles to overcome. Once again we were familiarized with registration day, getting lockers and finding out that we didn't get all of the classes we wanted. The monotony of going to school and homework often distressed us. But with this we had dress up days to face, Downey-Warren game to go to and the hope of getting someone to go with to the Homecoming Dance. With the knowledge we gain, we hope to become a stronger class of '81

OUR JUNIOR YEAR has gone by so quickly. We have matured and now look at the world with a different view. We began forming our little worlds when we were freshmen. As sophomores we realized that we too can be a class. In our Junior year we knew we were nearing the top. Now our long awaited dream has come true. Next year we will be number one! Gone are the worries and anxieties that we once faced. Now we are more sure about ourselves. We will have different things to look forward to. Graduation is in sight, only one set of finals to take, and Senior Prom to look forward to. We held so many memories and things to reminisce about. As the ending lies ahead of us, we will always remain the Class of 1981!

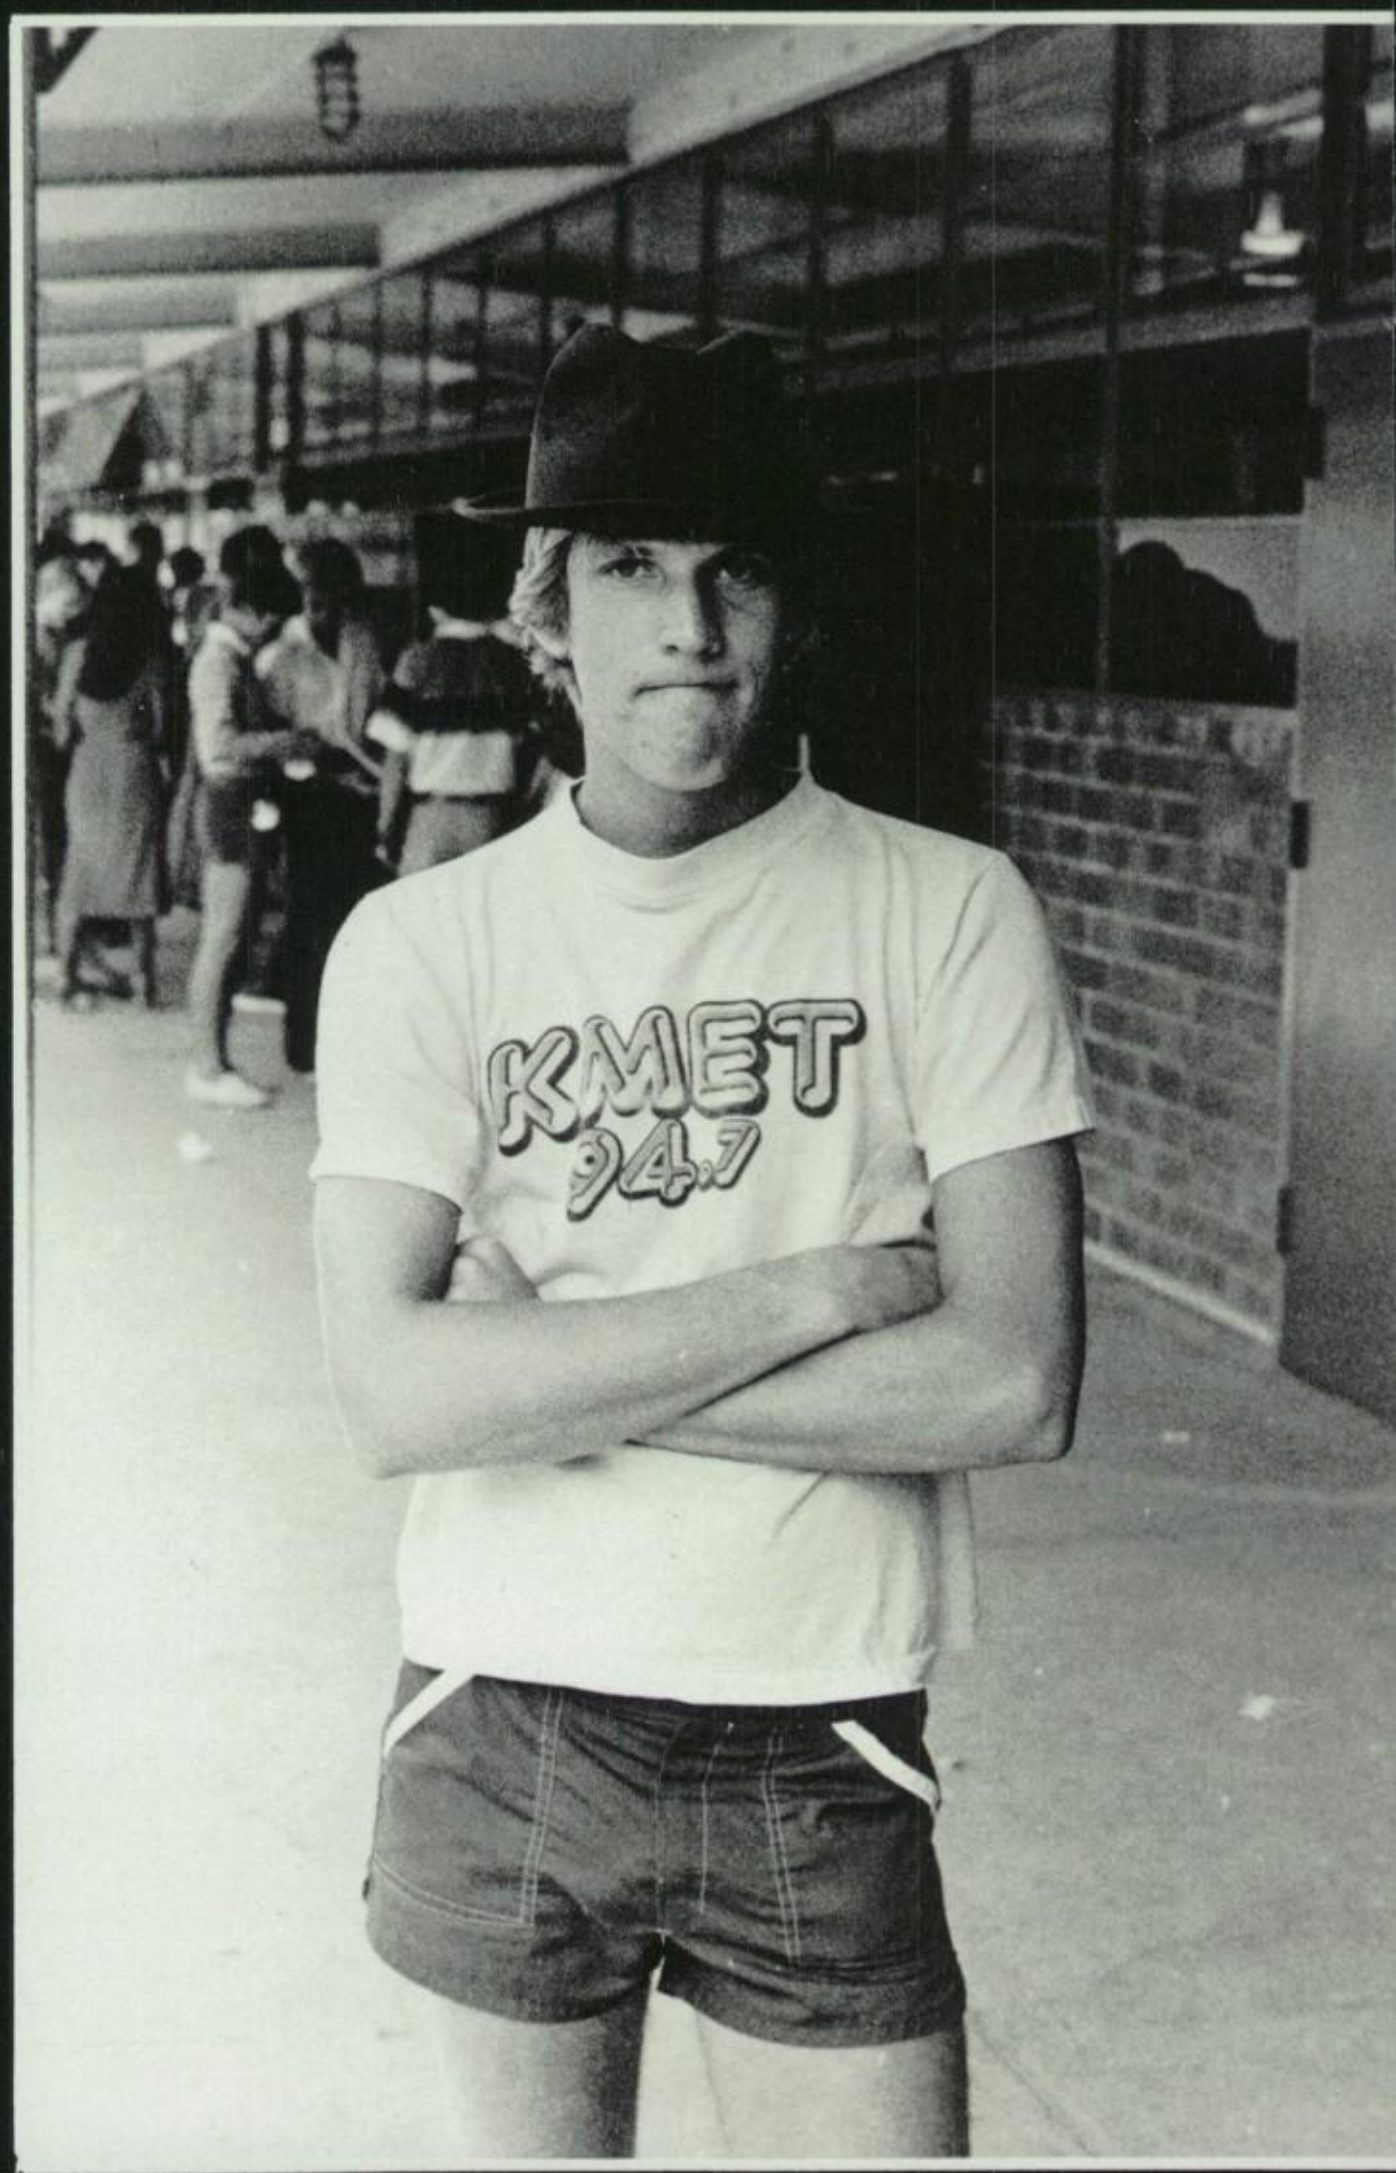
SENIORS



AS THE SEVENTIES end, we emerge: children of the "Me" generation—just now standing as adults. We are the first graduates of a new decade, eager to push ahead and move on, carrying with us influences and experiences of the computers and push-button phones. We have lived with a political scandal, an energy crisis, and a gas shortage. Fads and features have come and gone: platform shoes, earthquakes, All in the Family, Pet Rocks, health food, the Bicenntenial, meditation, and microwaves have all been added to our world along with the ever present T.V. In our time there have been changes affecting us and our world.

The four years spent in high school go so quickly: time passes. It has been a period of growing up to discover and experience new feelings and attitudes. Emotions have matured. We become more responsible, respected, and reassured. A few of the dreams that started in our first year at Warren have become a reality, while there are others we still cling to fervently.

Together as a class we have made it. All the friendships and relationships helping along the way. Our ties have been close and there will always be that chance to hold to a memory and say "remember when?"

Outside is a brand new world we'll each conquer in our own way though we may drift and lose touch, we never will forget who and what we are: the proud class of '80. Seniors we are alive . . .

Class Of '80 Quizzed For Quotes . . .

During the month of November, all Seniors were asked to fill out a 3 page questionaire by the Yearbook Staff, with questions ranging from, "What kind of car do you drive?" to "Are you planning on furthering your education?" As the answers came in, it was apparent that this Senior class was aware of its world and surroundings. Many opinions were expressed about school, world problems, feelings, and life in general.

The information in the following copy was taken from the 175 questionaires returned. Through this section you will be able to read the thoughts and ideas of the Class of 1980!

Being a Senior in the Class of '80 means: having only "one more year", going dancing, going to parties, having more responsibility, worrying about college, Friday night football games, applying for scholarships, getting Senior pictures, being 'top of the school', choosing Class Favorites, taking gov't with Mr. "Harv" Keller, short days, having the most spirit at assemblies, watching Saturday Night Live, making decisions, taking the SAT, working out problems, growing up, listening to KMET, taking weekend trips, staying out late, going to McDonalds or El Taco, only one set of finals, sitting on the stage, leaving for lunch, Homecoming Queen and Princesses, strong friendships, endless memories, anxious for Prom, anticipating graduation, hope, unsureness, accomplishment, good times, ready to go out and seek other worlds . . .

Friday Night Hangouts

Friday night after a game or party, sometime in the afternoon- always there's places to go; finding people, friends, and acquaintences. Two of the 'major hangours' of Warren students are El Taco and McDonalds. A mixture of quesadillas, cold night air, and laughrer with friends is part of the El Taco crowd, while at McDonalds it's anytime with a ¼-pounder, basketball or football scores, and good friends. Getting together with people in our small worlds is important, teenagers interacting and having fun. Some of the other hangours that were equally as great were; Imperial Health Spa, Furman Park, Skateboard Parks, friends houses, and church.

It's 1:00 a.m. A car honks out front; two, three, now four people are bundled up and piled in a VW heading for Warren to join in the annual "Getting Lockers" morning. For each of our four years we've gone through this ritual. Our first year, the entire experience was filled with unsureness, the second, searching for lockers by friends, and in the third the "streakers" livened up the morning. In our final early morning adventure the excitement faded a bit. This year was **our** year being Seniors we got our lockers where we wanted them; just because. Getting lockers though, was always memorable; watching the sun rise over Warren High and welcoming a new school year.

Applying For The Future

College and the future are on a Senior's mind constantly. Many of this year's class that filled our the questionaire wanted to continue with their education. Some colleges. Seniors are going to are: BYU, CSULB, and UCLA, along with CSUF, SDSU, and USC. Cerritos, the nearby Junior College, one of the best in the state, is the choice of most. Good luck to all Seniors in whatever direction they take.

If there was one thing as a class that everyone agreed on, it was the feeling of student apathy. There seemed to be poor attendence and enthusiasm during assemblies especially during the Downey Warren week. A large percent felt since our Freshmen year student participation on dress up days, dances, and football games had faltered. Still, as a class, we did shine. Being Seniors, our own individual enthusiasm was special and within ourselves there was a strong pride.

In this era some people think that young people want more freedom and more "living together" and less of the ceremonial traditions. This year's Senior class proved this to be a fallacy in the poll of student thoughts. Most said they would like to get married before the age of 25. The others, who wanted to wait for marriage until after 25 were equally as enthusiastic about marriage.

Beginning Of The Eighties

The beginning of the 80's, a brand new decade: as Seniors we voice our opinions and ideas. To many, the next years are unsure and maybe even a time of lost hope. Hidden fears of war, return of the draft, nuclear explotions, over-population, and another fuel shortage surfaced in the questionaires, impression: advanced technology, a cleaner society, and cure for cancer. But, it was also apparent to see how the majority felt: we the Senior class of 1980 is special - the future of the eighties.

John 1:12

Dear Rachelle,

Somewhere you're there with an outstretched hand
To touch our fingers so we'll understand that though apart, we will know Your spirit dwells down here below
No one will doubt, how much we miss that warm embrace from our lovely sis
The thought that we mourn we'll come to know you're not around to watch you grow
We miss you a lot, that's all we can say
And it's hard to live a single day
We try to go on but pour our tears for one so young, so few of years
You've always been there to lend a hand
Together we did usually stand
And now God has taken you away
Until we meet again on that special day
One day, dear Rachelle, we will follow you somewhere in that sky that's oh, so blue
Prepare for us, a little nest where together, one day, we all shall rest

Sadly missed by Robin, Kristy, the Senior class, as well as the students and faculty at Warren High

Undoubtedly, the number one radio station for Seniors was 94 7 KMET FM "The Mighty Met" celebrated their ten year anniversary in 1979 and has built up quite a following with their fun, informative, Rock'n Roll, laid back, yet crazy style. DJ's such as Jackson B. Sniderfish, Mike Harrison, Jim Ladd, Cynthia Foxx, and the 'wake up' man himself, Jeff Gonzer along with the KMET slogan Whoo-aa (meaning excitement, pleasure, and euphoria) all add to the popularity of KMET. KMET definitely rocks the Class of 1980!

Coneheads, Comedy And Craziness

By an almost unanimous vote, Saturday Night Live was voted the favorite television show of the class of 1980. Starting in 1975, Saturday Night Live is a combination of satire, music, monolouges, and insanity by seven unknown "actors and actresses" who called themselves the "Not-Ready-for-Prime-Time-Players." Today it is one of the most creative and innovative shows on t.v.; giving to their viewers such classic characters and episodes as: The Blues Brothers, Baba-Wawa, Samuri Warrior, Weekend Update, The Coneheads, Rosanne Rossanadanna, and the Lubners, Saturday Night Live will be remembered by many Seniors for the laughter and craziness it brought to those late-night Saturdays . . .

. . . "Hey Kids, it's time for the Mr. Bill Show. . . " The introduction is made and fans gather around the T.V. to watch what their favorite play-dough character will go through this week. The famed Saturday Night Live introduced a true favorite of almost every Senior on campus; "The survivor through all," Mr. Bill. Only four inches tall, Mr. Bill manages to get crushed, smashed, torn, thrown in a meat grinder, hammered, and even decapitated by the infamous villians Sluggo and Mr. Hands. But with his cry of "Ohhh-Noooooooo", Mr. Bill lives on to the delight of many viewers.

Growing Up With Television

All Seniors remembered growing-up with television, but today their hours of watching have dropped to only five-fifteen a week. None-the-less, top shows were picked, being M*A*S*H, Taxi, Love Boat, and Eight is Enough. The guys preferred the early '70's classic Get Smart to the girls who liked the Orkian comedy of Mork and Mindy. Both groups also enjoy a variety, from the educational 60 Minutes to 'fun times' of cartoons. The t.v. has been a chief attraction as well as, according to some critics, the chief detraction of our generation.

So this is your Senior year; a milestone in your life, perhaps. Looking back on all the "growing-up", you laugh, maybe shed a tear or two-we have learned, now it is time to go out and act upon it . . . As we reflect back, memories collide together: of Homecoming dances and romances, football games, parties on Brookmill, all school assemblies, blue and gold cheers and lonely tears. But, to many Seniors, the one thing that will be treasured most is the friendships. The people who were always there at just the right time-laughing with you, smiling with you, sharing with you. The friends of your high school years are special, and although the "wind of change" may take each of us to many worlds, we'll always remember and cherish the lasting friendships close to heart.

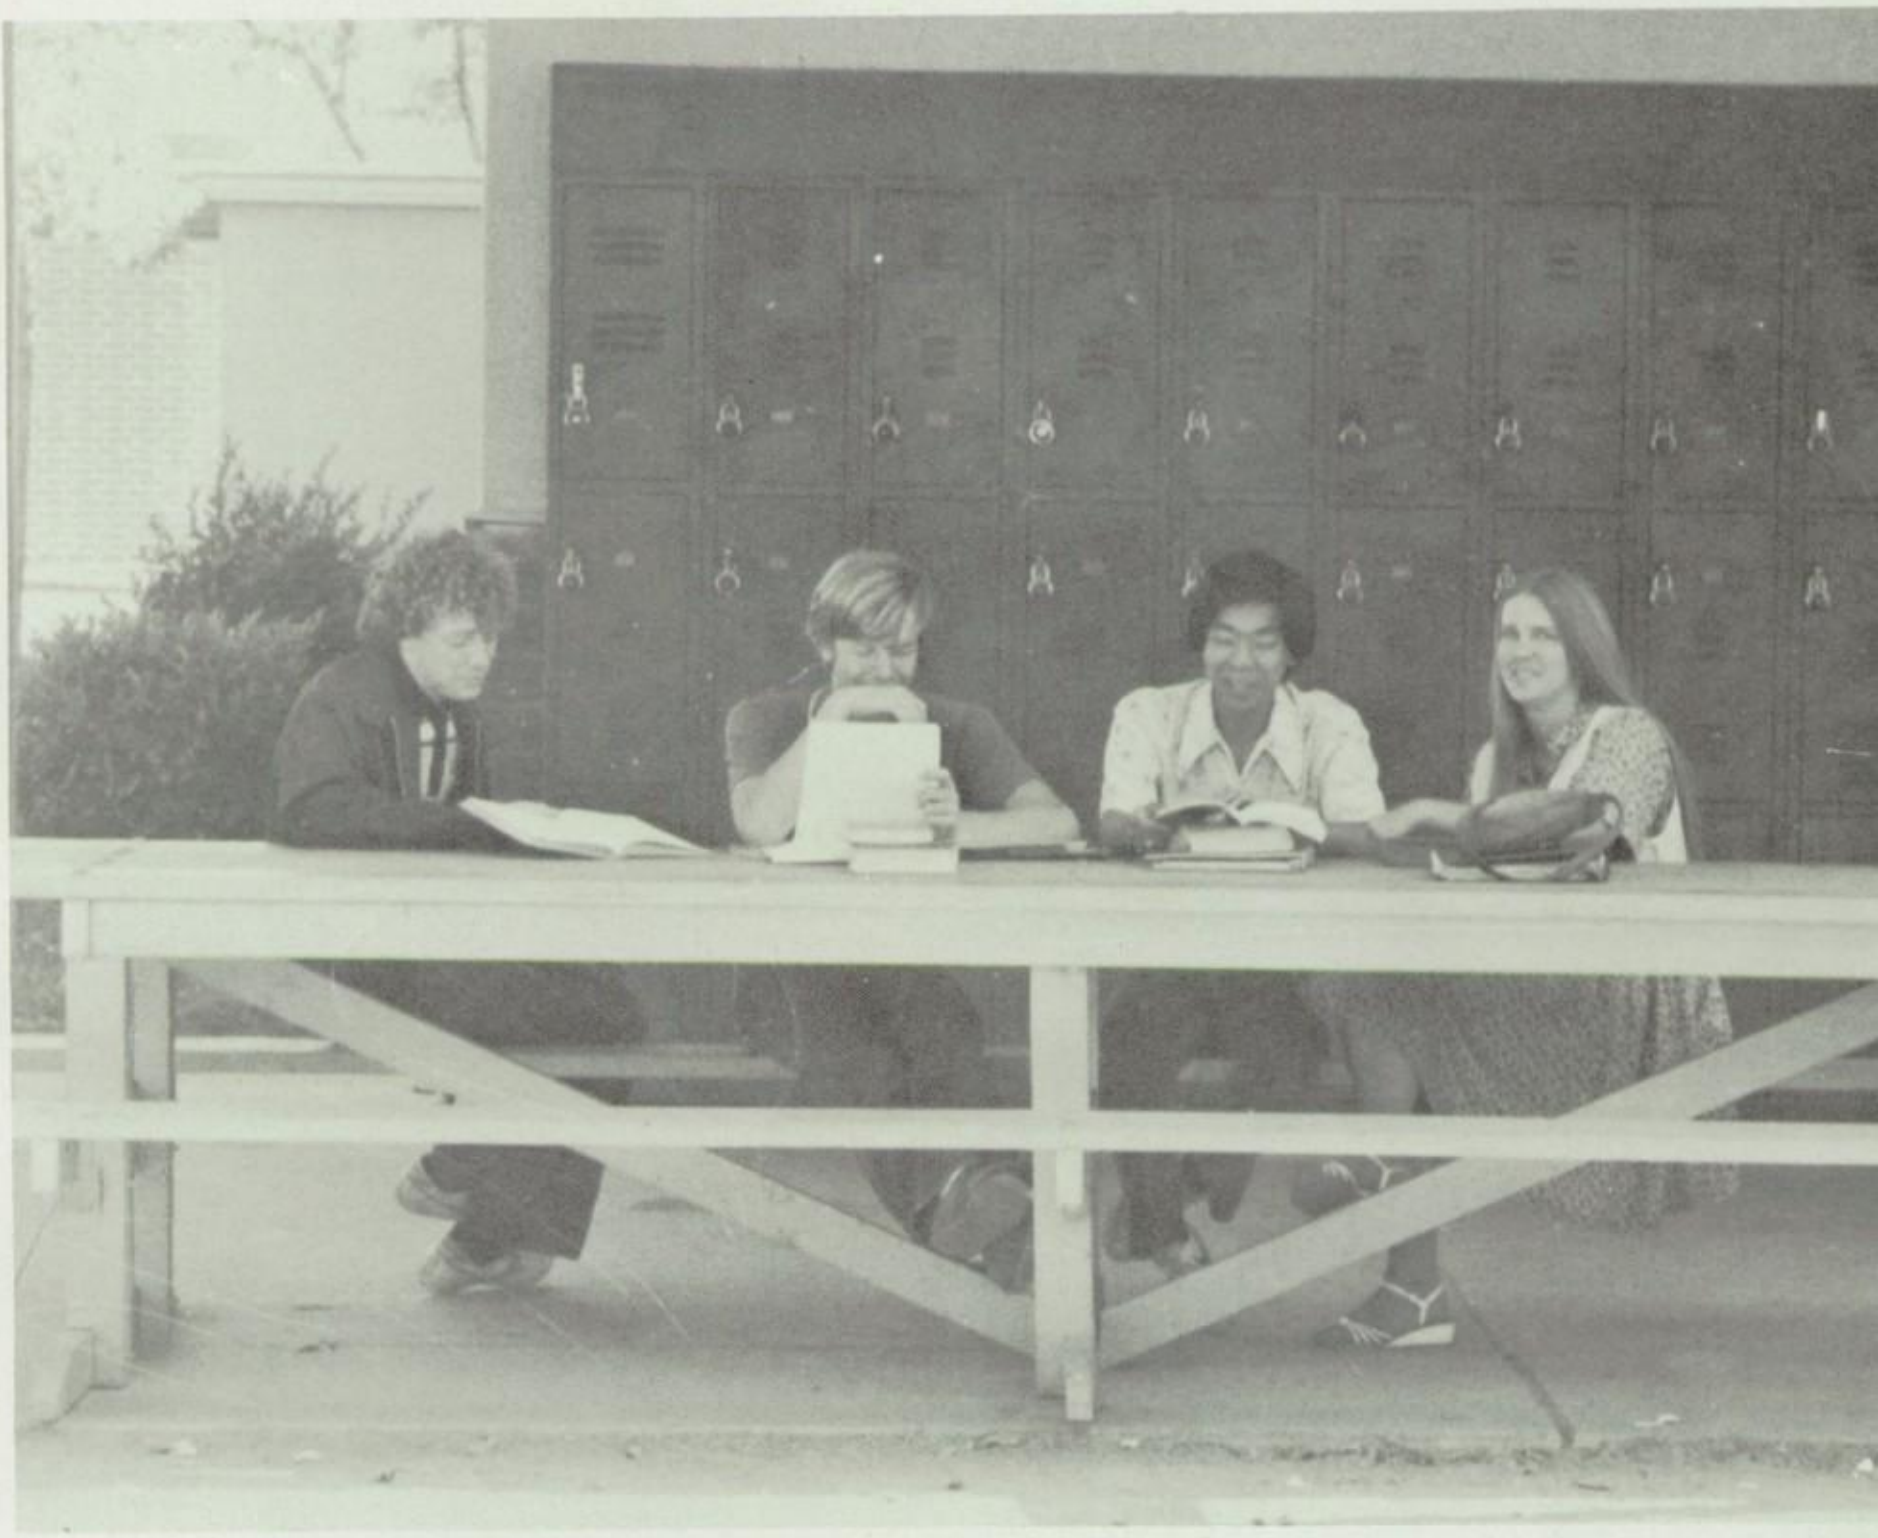
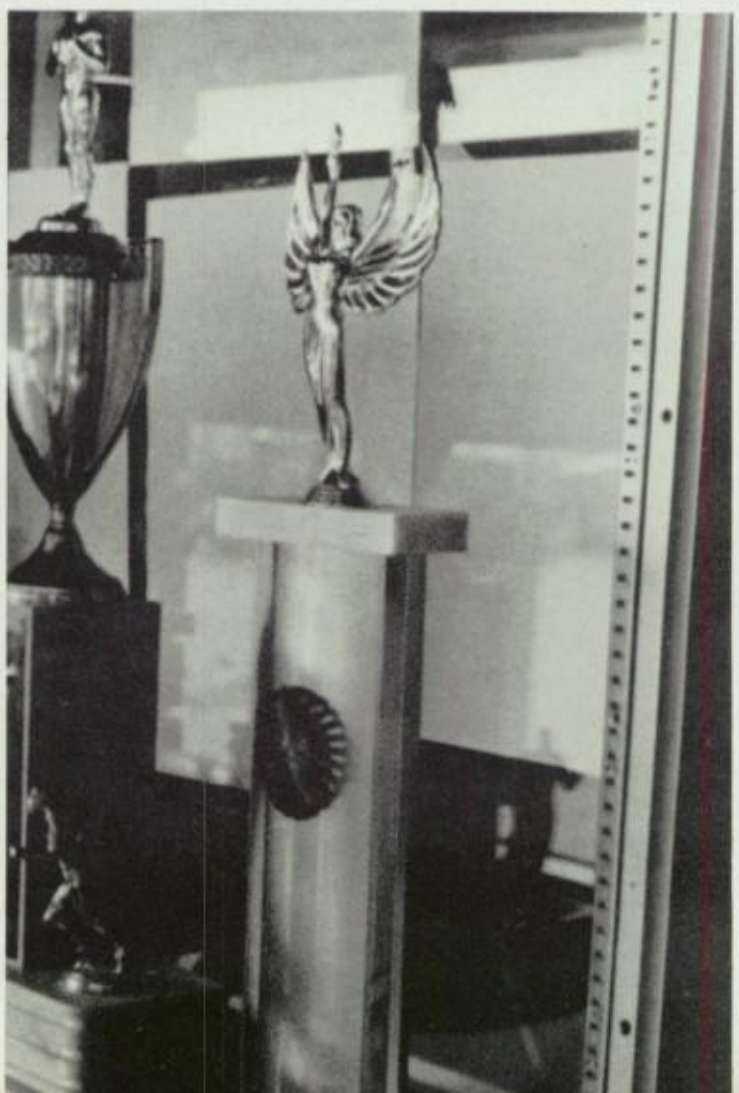
HONORS



HARD WORK, DEDICATION and school spirit, that's what each of these students have in common. Whether it's athletics or chemistry, each of them is filled with a certain special talent that they use to the fullest. Let us look upon these people not only as winners, but as individuals who have accomplished a great personal goal to which we all can relate, as their awards were made possible because of the fine education provided to all of us at Warren High.



Girls Of The Month

Girls League is responsible for selecting the 'Girl of the Month' Award. Each recipiant had filled out a 'brag sheet' for themselves or by a friend answering questions about service, church, and hobbies, These smiling and happy faces shine each day at Warren as our Girls of the Month.

November's girl, Kathy Barnhill, was very suprised when she heard her name over the announcements. She had never really thought about winning but filled out an application anyway. Kathy is active with the First Baptist Church, Downey Assistreens and Les Devouees. 'The Cars' is her favorite band and sking and horseback riding her favorite hobbies. Kathy always seems to be happy as she was voted the Senior class's "Best Personality".

December is a month of giving and recieving, both of which Liz Garo, December's girl provides in full measure. Involvement has been something that comes naturally to her-being Yearbook Editor and 2nd Semester A.S.B. President, as well as holding a part-time job at Middle Earth. Liz is known to everyone for her outgoing personality and spirit for she was voted "Super Senior" and shines even across a crowded quad.

Being the first winner of a Girl of the Month award for 1979-80, was cheerful Linda Peterson. Linda has been active in school all 3 years and continued on with that enthusiasm her Senior year. She served as Les Devouees Vice Pres., President of Photo Club, and member of Agape and Girls League. She had also been on Student Council as Senior Rep. and was the Class of 80's Junior Princess. To add more to her list, Linda is also a member of the Downey First Baptist and works at Downey Camera. Her warmth and laughter is also a part of this October's girl.

The January Girl, Karen Sallenbach, had the job of keeping everyones enthusiasm and school spirit of the year since she was our Head Varsity Cheerleader. Photography being her favorite subject, Karen has recieved a Bear Board Award for it also. She is a member of the cross country team and tries to jog daily. She enjoys snow skiing, Kenny Loggins, and being with friends.

For February, the Girl of the Month was Susie Garcia; keeping active and busy is part of her Life-style so the award was well deserved. Susie's served on Student Council for three years. She was part of girls Varsity softball team for two years, Modern Dance Club 4 yrs, and part of Song for 2 yrs.

Involved with her community and school is the March Girl, Kelly Steele. Kelly is always seen smiling and is known for helpfulness. She has shown her 'Bear Pride' by being on Student Council, she also served as Pep Commissioner and A.S.B. Vice President, along with a member of Pep Squad.

April's Kathy Stanley is quiet, but a hard worker and is always willing to give things a try. She has been very involved and enthusiastic with Girl's League all four years, this year holding the office of 2nd semester President. Kathy was Junior Representative and is a runner for the Cross Country team.

May's Dee Dee Spencer has kept very busy her years at Warren in both Sports and Spirit. She has been on cheer two years, and song two years. Taking an active part in athletics, Dee Dee has excelled on the Softball Team, with pitching as her specialty and was also named First Team All-League and MVP of the SGVL in 1979. May's Girl of the Month also held the office of Senior Rep.

Yearbook, Student Council, and church are just some of the things that keep June's Girl of the Month, Peggy Page busy. She has been on the El Oroso staff for three years meeting deadlines and was this year's Sports Editor. Student Council kept her busy with organizational part by being second semesters Recording Secretary. Peggy is also another member of the First Baptist Church and was a score keeper for the Varsity Basketball team.

February's Tom Shell may just someday be a famous actor . Active and involved with the Drama Class and Thespian Club, Tom has appeared in many productions: Mime Show two years, Nite of One Acts, Improv. Show, and the annual Spring play. Tom is an easy going great guy and is well liked by many of his peers.

Known to almost every student on campus is the January Dreamboat, John Davis. John is another student who is involved with community and school. He is amongst the top of the Senior class and was recognized as the Class Favorite Super Senior. Among activities of Interact and basketball, John was First Semester's A.S.B. President. His hobbies include skiing, being with friends, and music. John plans on attending UCI to begin a career as a doctor.

Gus Fuenmayor has been quite a part of Warren High in four years. Winning the October Dreamboat award, Gustavo is everyone's favorite Venezulean. He is a hardworking student being part of CSF and in the top percentage of the Senior Class. He has participated in three sports, lettering Varsity in all: Football, Wrestling, and Track. He is part of the Key Club and is always willing to help and serve others. Gus also is very supportive of the Downey First Babtist Church. His never ending sense of humor and friendly personality is all part of what makes Octobers Dreamboat special.

December's Dreamboat Jeff Welch is easygoing and very athletic. Jeff was a Captain if the Varsity Football team, on which he played Wide Receiver. Consecutively, Jeff started on the Basketball team where he was a big asset.

The month of November found Jon Ridlely as it's Dreamboat. Jon is known on campus for his smiles and niceness. He played Linebacker for the Varsity football, for two years and sergeant of Arms for 1980.

Dreamboat Of The Month

Les Fideles was responsible for bringing back an 'honor' that had somewhat disappeared: "Dreamboat of the Month." The girl's service club selected a senior boy for each month who had shown leadership, athletic, or service qualities over the years at Warren. These 'supermen' are each deserving of their respective awards.

Dave Wallender, March's Dreamboat, has kept busy with sports and service his years at Warren. Keeping order in the Key Club, Dave holds the office of 'Sergeant of Arms'. He has been part of the football program playing since his Freshman year. Dave is also a member of the First Baptist Church.

Dwayne Nagel is a perfect "Dreamboat." Recieving April's Dreamboat Dwayne was surprised and happy. He is a member of Interact and has wrestled for Warren in the past. His nice way about him brings him many friends and fun.

Seen in his car "The Flame" all around Downey is Mike McGann. Mike is May's Dreamboat, and is aso known for his physique for he received the Senior Favorite "Most Masculine." A captain of the Varsity Football team, Mike played the position of Offensive Lineman.

A big part in Warren's service and involvement is June's Dreamboat, Doug MacKay. Doug has been President of Interact and A.S.B. Treasurer. Along with this, Doug started on the Basketball team and keeps fit running track.

Honored Bears

The Bear Board Awards are given each year to outstanding students in a certain area academically or creative. These are the 'Honored Bears' of Warren, who are hardworking and havea particular goal to achieve in their favorite subjects.

And finally, the Retrospect . . . I've put it off again and again but it caught up with me; the last deadline met and completed, it's my turn to "reflect". Perhaps I waited till the last minute for two reasons: one, it's my natural way to procrastinate, always saying "I'll do it," and two, I'm lost for words. Not that there isn't anything to say, it's just hard to describe a year of hope, ideas, and of course the finished product-the 1980 El Oroso. I've been told to keep this short, but whether short or long, the true feelings could never be expressed-yearbooking is more of an experience. I think of the past months and all the time and energy each staff member has put in: deadlining, drawing lay-outs, going to Pace (and El Taco), organizing, driving out to Ms. K's to visit the dogs, the garage and Family #2, and mainly trying to keep above it all. A yearbookies life is never dull. And T-1 has had homed emotions and episodes this year: confusion. class-discussions, conflicts, outbursts of tears (primarily done by me), laughter, talks, and friendships that could only develop in a 'room too small for 30 people' wanting to produce a professional book. Thru it all, we did it! As a staff, a family. Even if deadlines were missed (only by a few days) photos were lost, and hearts were broken, I never lost confidence somehow- I knew it would pull together. Each of you are special and I thank-you for just putting up with and being part of the insanity that thrives in T-1. While I'm on thank you's- thanks to all the teachers who accepted endless 'May I please borrow ____' in time of emergency, my friends and mom and dad who still remembered me after being locked away in T-1 or the garage till all hours, and the entire Student Body for letting us capture your 'worlds.' An extra big hug to Barb who assisted me-we did it! Remember Yearbook camp? It's been great! And to Ms. K- always you had the answer, putting us in the right direction. Lady, you have been my teacher, advisor, adopted mom, and of course, friend-leading on and helping one another we made it- THANK-YOU. I've probably extended my limit I'll end now. The El Oroso Staff of '80 is the best!
Love to all,

ADVERTISEMENTS

JEFF,
I'm SO GLAD I MET YOU THIS YEAR. YOUR SUCH A GREAT FRIEND AND I KNOW OUR FRIENDSHIP WILL LAST FOREVER! I THINK ITS REALLY GREAT HOW YOU'VE GROWN IN THE LORD. I WISH WE COULD ALL BE THAT SUBMISSIVE TO HIM. HE HAS REALLY USED YOU, AND HAS EVEN BIGGER PLANS FOR YOUR FUTURE. AND YOU'LL GO THROUGH A LOT OF DARK TUNNELS, BUT KEEP THE FAITH! Deary! AND REMEMBER", THE LORDS STRENGTH IS SHOWN, MOSTLY IN OUR WEARNESS! THANK FOR BEING SUCH A GREAT BROTHER AND A HUMBLE CHRISTIAN, I LOVE YOU.. LOTS! KEEP IN TOUCH OVER THE SUMMER, I HOPE TO FELLOWSHIP WITH YOU MUCH MORE.

Love in Him,
Lisa Casey

ADVERTISEMENTS ARE A bigger part of the yearbook than many people think. They aren't just places in Downey that want their name and or a picture in our yearbook hoping to influence people to come to their businesses. Advertisements are a very important part of the yearbook without them the price of the yearbook would be higher and there wouldn't be as much color. In other words, without advertisements we wouldn't have a great yearbook as we do now and have had in the past. So, when you are looking through your yearbook don't just thumb through the advertisements looking for places for people to sign. Look at them and appreciate them more because these are the loyal patrons such as Miller's Store for Men, Toyville toy store, Pinas Pizza, and DuShon's, who help us please you.

To the Loafers 79 Forever

When it just begun
it was so much fun
Now on its way
With love and friendship we'll pay
You all are there
Just to say, "I Care"
Even though we fight
It turns out alright
All of you I admire
Can I "Jog Your Wire"
We had so much fun in the snow
Too bad we all couldn't go
No, that noise was not a cougar
It was just our Snowbugar
Look there is a cute Moose
Oh I said, "Turn Me Loose"
Meska you still owe me nine
Nannya says O.K. Fine
Though you dropped a greenie
We still love you Ort Beanies
Nyce is as sweet as honey
So is our newest pal, Thars Sunny
A B you and I are so cool
That's because Scorpios Rule
Now that this through
I can say, "I still love you"

Shaf

We loaf Together
Mrs. Lords,
We'll miss you.
We'll visit you to let
you know we're still alive

Dearest Lisa,
We have had our bad times, but we sure had our good times which are the ones that will always shine. I will look back at the past years not only as one of the greatest parts of my life but as the beginning of our relationship together. Our love and togetherness will live with me for the rest of my life.

I love you now and forever.
Cliff

Chiquita,
Remember: The year of 79, mrs. Tickle Pink -Pants ripped on sled, "Summer" Disneyland H., Sran, Rick, Barry, Knotts—Tom & Jim Beach whip cream fight-Foghat-"slow ride" Boston-my George car (Z-28)- moms cabiner-A.A.H.C. guys-O.G.K. foorball games-yb. decsions of which way to go. Thanks for all the memories & fun times. And for helping me through the rough times and the good times. You know I LOVE YOU always,

Dole

And so our time at Warren ends. Four years goes fast. Where are we now? I write to each who have been part of me - in anyway. All the feelings, faces, places, growing, change, fun - we've gone thru it and Survived... To the Girls — I love ya! It's been said, there've been bad times, but mainly "BEST TIMES!": being together, the Park, lockers, History with Hart, Mod. Dance, late for 1st period, problems, tears, fights, time when parents were gone, all-nighters (parties, going out with Henry!) last-minute Homecomings, the Knack, Rod Stewart Concert, 16th Street, long drives & talks, getting wild, liquor stores! Winchells, PIN-HEADS - DOLMA FACES - NINAS, the stage, New Year's Eve, Mexico, getting wild! All I can say is Thela, Caryn, Rose, Patti Darci, Cindy, Nicki C, Barbara - are the BEST friends. Time will take us far, Live Dreams. Thanks to the Park-Times & people! To the boys: Roger, Jon, Jimi, Gary P., Fox, Brent, Willsy - you're all sweethearts! Yr bk. - it's been great! Thanks for the book! St. Councils of 78, 79, & of course 80 are the best too! Thanks Middle Earth. My love to Ms. K., Ms. Carmen, Pop, Mr. Stoler, Mr. Keller. High School has been a growing up time... I'm gone... Be True! LOVE TO ALL! Liz

Frumpy1,
Thanks for all the fun times together, you made high school special. Bestest friends.

Frumpy2

Liz,
It's been a great 4 years of friendship & laughter, but this year was the most special because of y.b. camp, deadlines, El Taco, pouting, togetherness, and most of all each other. Let's keep in touch, crash y.b. camp and get together to reflect on the greatest y.b. ever produced.

Always, Barb

Deb,
You're the best!
I luv ya much!
I'll always remember D.H.!!!!

I know, I know; Your're thinking, "Big deal, it's the index." Right? Ya, well that's what every one thinks. But hey, the index is important! Without it, how would all you Frosh and Soph girls find out what page "Joe Neat-Guy" is on, huh? And look at all those names and numbers. There are bunches and gobs of names and numbers all over the place in this section, and every one of them had to be typed up. I mean, you talk about painfull. That is one of the all-time low points in Journalism.

Hey, I'm not saying you have to read each name and number out of pure gratitude. Just don't thumb your nose at it for more glamorous sections such as "Student Life" or "Seniors". And when you do look up someone's name, think "Gee, what a great thing this index is."

Thank You

Dearest Dearest Jeffy,

It has been so great knowing you (since February) and it really seems longer than that! I love what Krista wrote about homecoming. I thought that was you but I wasn't sure. We have been through a lot, agape club, lunch at the tree, lunch with the gang, Calvary chapel, fri. nite bible studies, and the maturing of our relationship with Christ. We also were with Brian before he left. AND back then, I didn't think we would become such good friends, but we have I guess. Just like the saying: Good friends are like rainbows, they are always there after the rain. That is why you seem like such a good friend to me because I was "In the rain" before you came along and even when there are "chances of cloudy skies and light thunder showers" they always fade away when I'm with you (you really have sonshine) I really hope you keep your sonshine and I hope I keep mine. Now, planning for next year.... first we have to get our teaches together and even before that, we have to give it all to the LORD so, let's leave it till later. And now.... a fabulous verse for you to remember all of your days. Here it is: Romans 12:9,10, 12, 14, 15

Let love be without hypocrisy. Abhor what is evil; cling to what is good. Be devoted to one another in brotherly love; give preference to one another in honor;
rejoicing in hope; persevering in tribulation, devoted to prayer,
Bless those who persecute you; bless and curse not.
Rejoice with those who rejoice, and weep. with those who weep.

AND DON'T FORGET EVER WHO IS IN YOUR CORNER IN YOUR FIGHT AGAINST THE DEVIL. (ME AND THE LORD) I'll always be there if you need me.

Love in Christ,
Angie♡

P.S. PTL!

P.S.S. If you go off to be a ranger this year, I'll pray for you and I'll miss you bunches! Congrats for next year and forever year to come. (big seniorhood next year)

bye♡

Dear Jeff,
Hi. How've you been?
I HAVE to compliment you on your shades. They have class. That night at our house was so great! I'm so glad I got to know you. You're such a sweetie. Next year we'll have to talk more at school. I'm praying for you & your mom. Don't worry, She'll come around. With such a winner around like you, how can she resist?

Jeffrey,
It's been a long time since we met along the way. We have had some good times & some bad. I'll remember the good times at Downey Elementary & Griffith Jr. High the rest of my life. Hopefully we can stay friends forever - I'd really like that. Stay in touch. I just be hanging around some where this summer. I'll call. Stay as sweet as you are - you really give me a call. Stay as sweet as you are - don't change for anyone. I have a very nice person - don't change for anyone. I have a outragous summer & stay out of trouble and the best of luck to you next year and throughout your life!
Love you!
Sharyl Ann

Jeff - Well this years 6-80 almost over and it by so quick! I know am ready to go hope I get to see you you and summer. Maybe I can church! But I'll miss you! Love Sylvia
P.S. Keep in touch 928-7980

"Jeff - I'm glad we're a locker next Period. Thanks for helping me in Spanish. Have a great summer. Keep in touch. Love, Lisa

Jeff - It's been fun having to be in Graphic Arts. I'm glad we didn't have another class together so we could get to know each other a little better. Have a great summer and the years to come. Dave Nazaroff

Jeff
I have seen you with an attitude less about anything but sense your change you have become today different people may say things about you but I'll see you happy time that is all necessary have a good summer.
Your friend
Chuck it Anne

Jeff, it was so nice to see you become a christian. I saw your turn from a just christian to a one who really loves God. I will remember you in my prayers. I will always remember you as a nice person, and a friend. I look forward to seeing you in heaven, and I hope we can see you there, forever.

Love in Christ,
Deborah

Hi Jeff,

I saw your pictures on pg. 12. Real cute!! It's been real great getting to know you, with P.E. and Biology, and most of all Agape. I do, you're going to be a Big Senior next year, are you. Well, you'll never be forgiven if you forget me when you're up there at the top. Thank for being a real great friend, you made Biology much more bearable, I looked forward to you're being there. Keep in touch, maybe we can go to a christian concert or something. 928-3711.

Love in Christ,
Julie Willenbring

Jeff, it was really fun having you in Pht, I hope you have a great summer and stay cool the way you are!

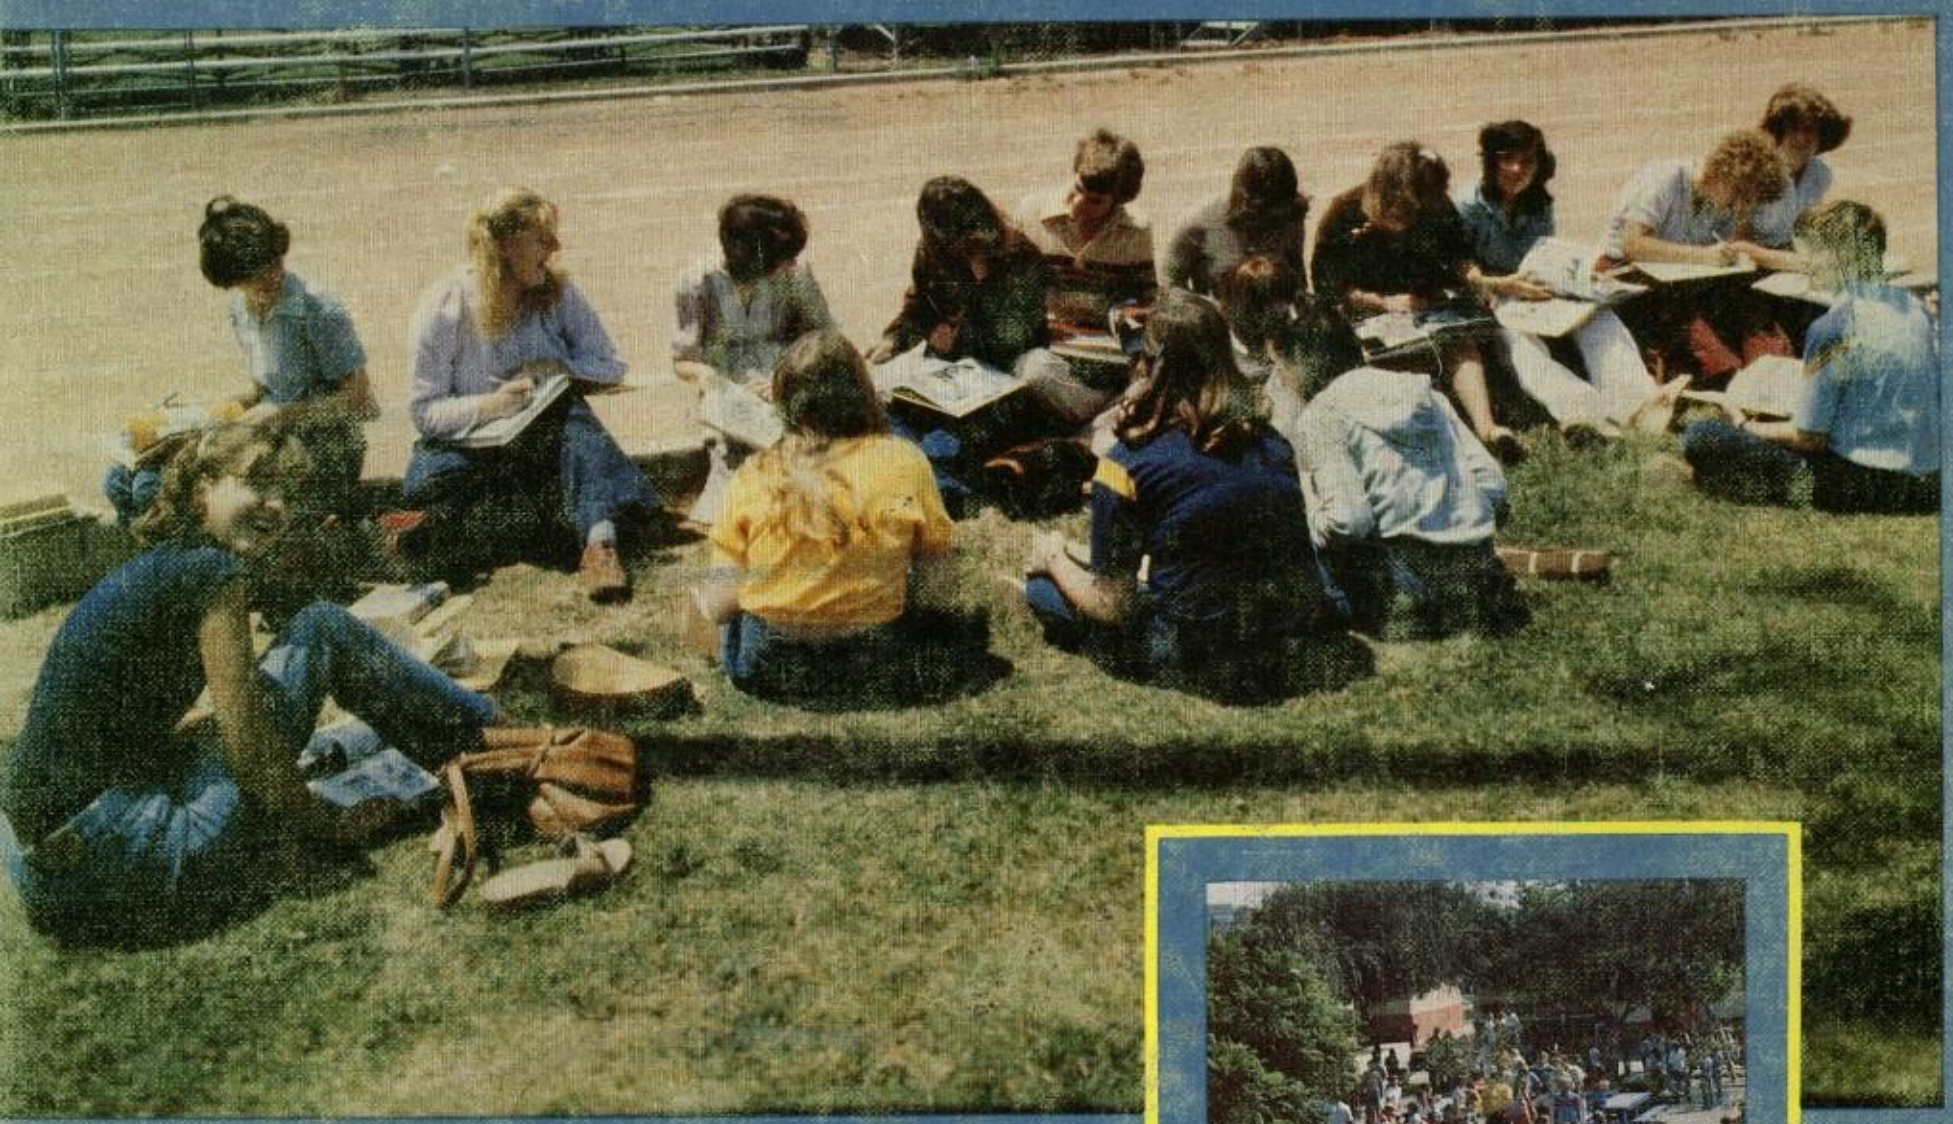
We've Captured You in Your Worlds

Take a Closer Look



We all live in our own worlds, but do we really know what they are? School is a big part of your world; or it might be a separate world within your universe of many worlds. However you treat it, as a part of your one world, or as a separate part of your universe, it is important to take a closer look at it. So, sit down and thumb through your **El Oroso.** You can discover things you didn't know were part of your world, and it's all captured within these pages.
